<sup>46</sup> The enabling provision is Fisheries Consolidation Act 1959 (14/1959), s. 74. This was amended by Inland Fisheries Act 2010 (10/2010), s. 8(3)(a) but the statutory authority for these regulations appears to remain in force. However, as there have been numerous other SIs that alter licence duties, the SI is obsolete and should be revoked.

<sup>47</sup> This SI appears to be obsolete as it sets the fees for licences in 2010 only. The provisions of this SI for 2012 appear to be in Control of Fishing for Salmon Order 2012 (S.I. No. 80 of 2012).

<sup>48</sup> The enabling provision is Fisheries Act 1980 (1/1980), s. 42. This was repealed by Inland Fisheries Act 2010 (10/2010), s. 4; s. 51 of that Act transfers all property that was vested in the Central Fisheries Board to the Inland Fisheries Ireland. This SI vests certain fisheries in the now dissolved Central Fisheries Board, but the effect of the SI appears to remain. It appears now to be obsolete and could be revoked.
