Amendment of the Foreshore Act, 1933.

82.—The Foreshore Act, 1933 (No. 12 of 1933) shall be construed and have effect as if the word “minerals”, where it occurs in sub-section (7) of section 2 and sub-section (1) of section 3 of that Act, included all minerals within the meaning of this Act other than scheduled minerals, mineral compounds, and mineral substances.

Editorial Notes:

E12 Minister empowered, with the consent of Minister for Finance, to prescribe fees for an application for a lease or an amendment of any such lease under section (1.07.2003) by Fisheries (Amendment) Act 2003 (21/2003), s. 32(1)(a) and (e), commenced on enactment, as amended (15.01.2010) by Foreshore and Dumping at Sea (Amendment) Act 2009 (39/2009), s. 21, commenced as per s. 1(4).

E13 Court granted power to prohibit continued breach of licence under section and impose penalties (20.07.1992) by Foreshore (Amendment) Act 1992 (17/1992), ss. 5 and 6, commenced on enactment.

Power for Minister to grant licences of foreshore.

3.—(1) If, in the opinion of the F24[appropriate Minister], it is in the public interest that a licence should be granted to any person in respect of any foreshore belonging to F25[the State] authorising such person to place any material or to place or erect any articles, things, structures, or works in or on such foreshore, F26[to remove any beach material from, or disturb any beach material in, such foreshore], to get and take any minerals in such foreshore and not more than thirty feet below the surface thereof, or to use or occupy such foreshore for any purpose, F27[that Minister] may, subject to the provisions of this Act, grant by deed under his official seal such licence to such person for such term not exceeding ninety-nine years commencing at or before the date of such licence, as F27[that Minister] shall think proper.

F28[(1A) ...]

F29[(1B) Where the Minister for Agriculture, Fisheries and Food or the Minister for the Environment, Heritage and Local Government is considering granting a licence under this section (being the appropriate Minister), then the Minister so considering shall consult with the other Minister on the matter before granting the licence.]

(2) Every licence granted under this section shall (unless the F30[appropriate Minister] is of opinion that such licence should in the public interest be granted free of any payment) be granted subject to the payment to F31[that Minister] of such moneys, whether by way of fine or other preliminary payment or by way of rent or other periodical payment or by way of royalty on material removed or by all or any of such ways, as F31[that Minister] shall think proper and shall agree upon with the person to whom such licence is granted.

(3) Where, in the opinion of the F32[appropriate Minister], a licence proposed to be granted under this section is, owing to its nature, duration, or otherwise, of a trivial character and should be granted without payment or subject to a nominal payment only, such licence may, notwithstanding anything contained in this section, be granted by way of permission in writing signed by F33[that Minister] or one of the principal officers of his Department.
(4) Notwithstanding anything contained in this section, no licence requiring payment by the licensee of a rent or other annual payment exceeding €63,250 a year shall be granted under this section without the sanction of the Minister for Finance.

(5) Every licence granted under this section shall contain a power to the appropriate Minister to terminate such licence on breach, non-performance, or non-observance by the licensee of any covenant on the licensee’s part (including a covenant for payment of rent, royalty or other money), condition or agreement contained therein.

(6) No licence granted under this section shall contain any covenant or agreement for the renewal of such licence.

(7) Every licence granted under this section shall (subject to the provisions of this section) contain such covenants, conditions, and agreements as the appropriate Minister shall consider proper or desirable in the public interest and shall agree upon with the person to whom such licence is granted.

(8) No licence granted under this section shall extend to or authorise the removal of any minerals lying more than thirty feet below the surface of the foreshore to which such licence relates.
