BUILDING CONTROL REGULATIONS 1997

REVISED

Updated to 16 May 2024

The Minister for the Environment and Local Government, in exercise of the powers conferred on him by [sections 4, 6, 7](#) and [18](#) of the [Building Control Act, 1990](#) (No. 3 of 1990), hereby makes the following Regulations:—

PART I

PRELIMINARY AND GENERAL

- Citation. **1.** These Regulations may be cited as the Building Control Regulations, 1997.
- Commencement. **2.** These Regulations shall come into operation on the 1st day of July, 1998.
- Application. **3.** (1) *Part II*, subject to the provisions of that Part, applies to works, or a building as regards which a material change of use takes place, where the works commence or the material change of use takes place on or after the date referred to in article 2.
- (2) *Part III*, subject to the provisions of that Part, applies to works, or a building as regards which a material change of use takes place, where—
- (a) the works commence or the material change of use takes place on or after the date referred to in *article 2*, and
- (b) *Part III* of the Building Control Regulations, 1991 and 1994, does not apply in relation to the works or building.
- (3) *Part IV* applies in relation to—
- (i) notices given to, applications made to, decisions made by, and enforcement notices served by, a building control authority,
- (ii) determinations made by An Bord Pleanála, and
- (iii) decisions made by a District Court,
- as appropriate, on or after the date referred to in *article 2*.
- (4) *Part V*, subject to the provisions of that Part, applies to—

- (a) applications or notices,
- (b) appeals, or
- (c) copies of documents referred to in *article 23(3)*,

which are made, given or requested, as the case may be, on or after the date referred to in *article 2*.

F1[(5) (a) *Parts IIIA* and *Parts IIIB*, subject to the provisions of those Parts, apply to works or a building as regards which a material change of use takes place, where the works commence or the material change of use takes place on or after the date those Parts come into effect.

(b) *Subparagraph (a)* does not apply to *Article 20C*.]

F2[(6)(a) Notwithstanding the requirements arising at *Articles 9, 20A, 20F* and *21* in respect of the assignment of an Assigned Certifier and the lodgement of an Inspection Plan, in the case of the classes of buildings referred to at *paragraph (b)*, for the period of the transitional arrangements set out at *paragraph (c)*, these requirements may be fulfilled by the lodgement of such Inspection Plan, inspection records and certificates as may be deemed appropriate and necessary by the Oversight Group in order to demonstrate that compliance with the requirements of the Second Schedule to the Building Regulations has been achieved for the building or works concerned.

(b) The provisions at *paragraph (a)* may apply to the following categories of buildings—

- (i) buildings intended for use as places of first level, second level or third level education;
 - (ii) buildings intended for use as hospitals and primary care centres.
- (c) The provisions at *paragraph (a)* shall only apply to buildings referred to at *paragraph (b)* where each of the following circumstances has been fulfilled—
- (i) planning permission, where applicable, has been obtained before 1 March 2014;
 - (ii) contract documents have been signed before 1 November 2014; and
 - (iii) a valid commencement notice has been lodged with the building control authority no later than 1 March 2015.]

Revocation.

4. (1) The regulations specified in the First Schedule are hereby revoked.

(2) Notwithstanding sub-article (1), Part III of the Building Control Regulations, 1991 and 1994, shall, subject to the provisions of those regulations, continue to apply in relation to works, or a building as regards which a material change of use takes place, where—

- (a) an application for a fire safety certificate in respect of the works or the building under those regulations is made before the date referred to in *article 2*, and
- (b) the application is granted, and
- (c) the works commence or the material change of use takes place between the date referred to in *article 2* and the 31st day of December, 2002.

Interpretation.

(i) such revised plans, (including a site or layout plan)(in duplicate) and such other revised particulars as are necessary to—

(I) identify and describe the works or building to which the application relates,

(II) enable the building control authority to assess, whether the said works or building would, if constructed in accordance with the said plans and other particulars, comply with the requirements of Part M of the Second Schedule to the Building Regulations,

(III) identify the nature and extent of the proposed use and, where appropriate, of the existing use of the building concerned, and

(ii) such fee as may from time to time be prescribed for that purpose in *Part V* of these Regulations.

- (c) Where an application and the documents that accompanied the application are filed electronically on the Building Control Management System, duplicate copies are not required.
- (3) (a) On receipt of an application for a revised disability access certificate, a building control authority shall—
- (i) record the date of receipt of the application and all the documents that accompanied the application, and
 - (ii) consider whether the application complies with the requirements of *paragraph (2)*.
- (b) Where a building control authority consider that an application for a revised disability access certificate complies with the requirements of *paragraph (2)*, they shall send to the applicant an acknowledgement in writing stating the date of receipt of the application.
- (c) Where a building control authority consider that an application for a revised disability access certificate does not comply with *paragraph (2)*, they may, as they consider appropriate, having regard to the extent of the failure to comply with the said paragraph, by notice in writing—
- (i) inform the applicant that the application is invalid and cannot be considered by the building control authority, or
 - (ii) require the applicant to furnish such further plans, calculations, specifications or particulars, or such additional fee, as may be necessary to comply with the said article.
- (d) Where a building control authority serve a notice in accordance with *subparagraph (c)(i)*, they shall return to the applicant the fee which accompanied the application, and
- (i) where the application has been filed electronically on the Building Control Management System, delete the application and all the documents that accompanied the application, or
 - (ii) where the application has not been filed electronically on the Building Control Management System, return to the applicant, the application and all the documents that accompanied the application.
- (4) *Article 20D(6), 20D(7) and 20D(8)* shall apply *mutatis mutandis* as if any reference therein to an application or an application for a disability access certificate were a reference to an application for a revised disability access certificate and any reference to a certificate or a disability access certificate shall be construed accordingly.
- (5) Where a building control authority decide to grant a revised disability access certificate with or without conditions, the form specified for that purpose in the *Fourth Schedule* to the Principal Regulations or a form substantially to the like effect, shall be the form of every such certificate and where the revised disability access certificate is granted subject to conditions, they shall inform the applicant in writing of the reasons therefor.
- (6) Where a building control authority decide to refuse to grant a revised disability access certificate, they shall notify the applicant in writing of their decision and the reasons therefor.
- (7) Where a building control authority grant a revised disability access certificate with conditions, or refuse to grant a revised disability access certificate, they shall notify the applicant in writing that he may appeal to the Board against the decision of the building control authority within the period prescribed in *Part VI*.]]

F52[PART IIIC —

CERTIFICATE OF COMPLIANCE ON COMPLETION]

F53[Certificate of
Compliance on
Completion

20F. (1) Subject to *paragraph (2)*, a Certificate of Compliance on Completion shall be submitted to a building control authority and relevant particulars thereof shall be included on the register maintained under *Part IV* before works or a building to which *Part II* or *Part IIIA* applies may be opened, occupied or used.

F54[(2) Subject to *paragraph (10)*, the requirement for a Certificate of Compliance on Completion shall apply to the following works and buildings—

- (a) the design and construction of a new dwelling,
- (b) an extension to a dwelling involving a total floor area greater than 40 square metres,
- (c) works to which *Part III* applies.]

(3) A Certificate of Compliance on Completion shall be—

- (a) in the form specified for that purpose in the *Sixth Schedule*, and
- (b) accompanied by such plans, calculations, specifications and particulars as are necessary to outline how the works or building as completed—
 - (i) differs from the plans, calculations, specifications and particulars submitted for the purposes of *Article 9(1)(b)(i)* or *Article 20A(2)(a)(ii)* as appropriate (to be listed and included at the Annex to the Certificate of Compliance on Completion), and
 - (ii) complies with the requirements of the Second Schedule to the Building Regulations, and
- (c) accompanied by the Inspection Plan as implemented by the Assigned Certifier in accordance with the Code of Practice referred to under *Article 20G(1)* or a suitable equivalent.

(4) On receipt of a Certificate of Compliance on Completion, a building control authority shall—

- (a) record the date of receipt of the Certificate, and
- (b) consider within 21 days of the date of its receipt whether the Certificate of Compliance on Completion is valid having regard to—
 - (i) the requirements of *paragraph (3)* above, and
 - (ii) the building control authority's own satisfaction that all enforcement notices, information requests and statutory processes, including any applications for certificates under *Part III*, *Part IIIA* or *Part IIIB*, relevant to the building concerned have been satisfactorily concluded.

(5) Where the building control authority considers that a Certificate of Compliance on Completion may not be valid having regard to *paragraphs (3)* and *(4)*, the building control authority may within 21 days of receipt of the certificate, write to the person who submitted the certificate and

- (i) inform them, giving reasons, that the certificate does not comply with *paragraphs (3)* and *(4)* and cannot be accepted by the authority, or
- (ii) require the person submitting the certificate to submit such revised certificate or such additional documentation as may be deemed necessary by the building control authority to accompany the certificate for the purposes of *paragraphs (3)* and *(4)*.

(6)(i) Where the building control authority considers the Certificate of Compliance on Completion to be valid having regard to *paragraphs (3) and (4)*, the building control authority shall, no later than 21 days of receipt of said certificate, enter particulars relating to the relevant certificate on the register maintained under Part IV and shall notify the person who submitted the certificate that particulars have been included on the register.

(ii) Notwithstanding *paragraph (6)(i)*, where a revised certificate or additional documentation has been required in accordance with *paragraph (5)(ii)*, the building control authority, on full receipt of such revised certificate or additional documentation as appropriate, may avail of a further period of 7 days within which to consider the validity of the certificate. On or before the expiry of said 7 day period the building control authority, if it considers that no further action is warranted pursuant to *paragraph (5)*, shall enter the relevant particulars on the register and notify the person who submitted the certificate as appropriate.

(7) A building control authority serving a notice in accordance with *paragraph (5)(i)* shall return to the person giving the certificate, the certificate and any documentation that accompanied the certificate.

(8) Where the plans, calculations, specifications and particulars comprehended under *paragraph (3)(b)* and the Inspection Plan comprehended under *paragraph (3)(c)* have been submitted to a building control authority on a date falling not more than 5 weeks and not less than 3 weeks prior to a nominated date on which a valid Certificate of Compliance on Completion is intended to be entered on the register, the building control authority shall at that point begin to consider the validity of a prospective Certificate of Compliance on Completion in accordance with *paragraphs (3) and (4)* so that the authority is in a position to include the details of the relevant Certificate of Compliance on Completion on the register on the nominated date provided that a valid Certificate of Compliance on Completion is received by the building control authority on a date not later than the date preceding the nominated date.

(9) A Certificate of Compliance on Completion may refer to works, buildings, including areas within a building, or developments, including phases thereof, and relevant details shall be clearly identified on the Certificate of Compliance on Completion itself and, subject to validation in line with the requirements at *paragraphs (3) and (4)*, on the register.]

F55[(10) Notwithstanding the provisions of *subparagraphs (2)(a) and (2)(b)*, where a valid Declaration of Intention to Opt Out of Statutory Certification has been included on the public register in respect of a new single dwelling, on a single unit development, or an extension to a dwelling, then the provisions of *Article 20F* shall not apply.]

F56[Code of Practice for Inspecting and Certifying Buildings and Works

20G. (1) The Minister may from time to time publish a document with the title of the Code of Practice for Inspecting and Certifying Buildings and Works for the purposes of providing guidance with respect to inspecting and certifying a building or works for compliance with the requirements of the Second Schedule to the Building Regulations.

(2) Where a building or works to which these Regulations apply is inspected and certified in accordance with the guidance contained in the Code of Practice for Inspecting and Certifying Buildings and Works this shall, *prima facie*, indicate compliance with the relevant requirements of these Regulations.

(3) The provisions of any guidance contained in the Code of Practice for Inspecting and Certifying Buildings and Works concerning the use of a particular inspection framework or approach shall not be construed as prohibiting the use of other suitable frameworks or approaches.]

PART IV

(2) The register, where it is not available on the website of the local authority concerned, shall be available for inspection at the offices of the local authority during office hours.

(3) In the interest of clarity, records relating to particulars included on the register may be accessed in accordance with the Freedom of Information Acts 1997 and 2003.

(4) For the avoidance of doubt, the register may be maintained electronically subject to the Data Protection Acts 1998 and 2003.]

PART V

FEES

Exemptions.

22. (1) Subject to *sub-article (2)*, a fee shall not be payable to a building control authority under these Regulations where the authority is of the opinion that the works or the building which are or is the subject of the commencement notice, F60[7 day notice,] application for a fire safety certificate F61[, revised fire safety certificate, regularisation certificate, disability access certificate, revised disability access certificate] or application for a dispensation or relaxation, as the case may be, are being carried out, or, in the case of a material change of use, is being made, by or on behalf of a voluntary organisation or a body standing approved of for the purposes of *section 6* of the *Housing (Miscellaneous Provisions) Act, 1992* (No. 18 of 1992).

(2) *Subsection (1)* applies where a building control authority is of the opinion that—

(a) in the case of a voluntary organisation, the building concerned is—

(i) intended to be used for social, recreational, educational or religious purposes by inhabitants of a locality generally or by people of a particular group or religious denomination and is not to be used mainly for profit or gain,

(ii) intended to be used as a hostel, work-shop or other accommodation for disabled, poor or homeless persons and is not to be used mainly for profit or gain, or

(iii) is ancillary to (i) or (ii),

(b) in the case of a body standing approved of for the purposes of *section 6* of the *Housing (Miscellaneous Provisions) Act, 1992* (No. 18 of 1992), the building control authority is of the opinion that the building concerned is—

(i) designed or intended to be used for the accommodation of poor or homeless persons or persons who would otherwise be likely to require housing accommodation provided by a housing authority, and is not to be used mainly for profit or gain, or

(ii) is ancillary to (i).

F62[(3) A fee shall not be payable to a building control authority under these Regulations where the works or the building which are or is the subject of an application for a disability access certificate or a revised disability access certificate are being carried out, or, in the case of a material change of use, is being made, by or on behalf of a primary school, where the maximum number of mainstream teachers employed is or will be 4 or less.]

Requirement to pay fee.

23. (1) Subject to *articles 3, 6* and *22*, a fee shall be paid to a building control authority by a person—

(a) giving a commencement notice,

(b) making an application for a fire safety certificate, F63[a revised fire safety certificate, a regularisation certificate, a disability access certificate, a revised disability access certificate or the submission of a 7 day notice,]

(c) making an application for a dispensation or a relaxation.

(2) A fee shall be paid to the Board by a person making an appeal against a decision of a building control authority in relation to an application for—

(a) a fire safety certificate, F64[a revised fire safety certificate, a regularisation certificate, a disability access certificate, a revised disability access certificate,] or

(b) a dispensation or a relaxation.

(3) A fee shall be paid to a building control authority for a copy of—

- (a) an entry in the register,
- (b) a fire safety certificate, F65[a revised fire safety certificate, a regularisation certificate, a disability access certificate, a revised disability access certificate or a 7 day notice,]
- (c) a document which indicates that a dispensation or a relaxation has been granted.

F66[(4) An additional administrative charge limited solely to the direct costs incurred by a building control authority in respect of scanning and uploading documentation on the Building Control Management System may be levied by the building control authority on the building owner, or a person assigned in accordance with these Regulations to act on the owner's behalf, who seeks to submit plans, calculations, specifications, ancillary certificates and particulars relevant to a procedure for which a fee is required under *sub-article (1)* notwithstanding the availability of the Building Control Management System to receive such documentation in electronic form.]

Standard fee.

24. (1) The amount of fee payable in respect of—

- (a) the giving of a commencement notice,
- (b) an application for a fire safety certificate, F67[a revised fire safety certificate, a regularisation certificate, a disability access certificate, a revised disability access certificate or the submission of a 7 day notice,]
- (c) an application for a dispensation or a relaxation,

shall, subject to *Part B* of the *Fifth Schedule*, be the amount indicated in *column 2* of *Part A* of that *Schedule* opposite the mention of the relevant application or notice in *column 1* of *Part A* of that *Schedule*.

(2) The amount of fee payable in respect of an appeal shall be the amount indicated in *column 2* of *Part A* of the *Fifth Schedule* opposite the mention of such appeal in *column 1* of *Part A* of that *Schedule*.

(3) The amount of fee payable for a copy of a document specified in *article 23(3)* shall be the amount indicated in *column 2* of *Part A* of the *Fifth Schedule* opposite the mention of such a copy in *column 1* of *Part A* of that *Schedule*.

Fee for
alternative
proposals.

25. (1) For the purposes of this article and the *Fifth Schedule*,—

- (a) “relevant floor area” means the floor area of the works or the building to which the application relates which is affected by the works or the material change of use, as the case may be;

“floor area” means the sum of the areas on each floor bounded by the inner finished surfaces of the enclosing walls, or, on any side where there is no enclosing wall, by the outermost edge of the floor on that side, and, in calculating the floor area of a building, there shall be included in such area the space occupied by any walls, shafts, ducts or structure within the area being measured.

- (b) in determining the fee payable in respect of a commencement notice, a house in a terrace and a semi-detached house are each to be treated as being a separate building.

(2) Where the floor area or the relevant floor area referred to in *sub-article (1)* is not an exact multiple of that unit, the fraction of a unit remaining after the division of the total area by the unit measurement shall be treated, for the purposes of calculating the fee payable in respect of the application, as a complete unit.

F68[(3) Where an application for a fire safety certificate, a revised fire safety certificate, a regularisation certificate, a disability access certificate, a revised disability access certificate or the submission of a 7 day notice includes alternative proposals for works or a building of materially different designs, the fee payable in respect of the application shall be calculated as if each alternative proposal were a separate application or a separate 7 day notice.]

Refund of fee in case of certain repeat applications.

26. (1) Subject to *sub-articles (3) and (4)*, where a commencement notice is given to a building control authority and a subsequent commencement notice is submitted by or on behalf of the same person, the authority shall, subject to the provisions of *Part B* of the *Fifth Schedule*, refund three quarters of the fee paid to it in respect of the subsequent commencement notice.

(2) Subject to *sub-articles (3) and (4)*, where—

(a) a decision has been made by a building control authority on an application for a fire safety certificate, F69[a revised fire safety certificate, a regularisation certificate, a disability access certificate, a revised disability access certificate or the submission of a 7 day notice,] or

(b) an appeal against a decision of a building control authority on an application for a fire safety certificate F70[, a revised fire safety certificate, a regularisation certificate, a disability access certificate or a revised disability access certificate] has been determined by the Board,

and a subsequent such application is made by or on behalf of the same applicant, the building control authority shall, subject to the provision: of *Part B* of the *Fifth Schedule*, refund three quarters of the fee paid to it in respect of the subsequent application.

(3) *Sub-articles (1) or (2)* shall apply if the building control authority is of the opinion that—

(a) the works forming the subject of the first commencement notice or application for a fire safety certificate F71[, revised fire safety certificate, regularisation certificate, disability access certificate, revised disability access certificate or the submission of a 7 day notice] and the subsequent such notice or application, as the case may be, are substantially—

(i) of the same design and construction, and

(ii) on land consisting of the same site or part of the site, and

(b) a fee under these Regulations or Building Control Act (Fees) Regulations, 1992 (as amended), in respect of the first commencement notice or application for a fire safety certificate, F72[, revised fire safety certificate, regularisation certificate, disability access certificate, revised disability access certificate or submission of a 7 day notice] as the case may be, has been paid, and

(c) the period between the giving or making, as the case may be, of the first commencement notice or application for a fire safety certificate, F73[revised fire safety certificate, regularisation certificate, disability access certificate, revised disability access certificate or submission of a 7 day notice,] and the subsequent such notice or application, as the case may be, does not exceed twelve months, and

(d) in the case of *sub-article (1)*, no previous refund under these Regulations has at any time been made to the person giving the commencement notice, in respect of a commencement notice which related substantially to the same land and to works or a building of the same character or description as those to which the subsequent notice relates, and

- (e) in the case of *sub-article (2)*, no previous refund under these Regulations or the Building Control Act (Fees) Regulations, 1992 (as amended), has at any time been made to the same applicant in respect of an application for a fire safety certificate F74[, a revised fire safety certificate, a regularisation certificate, a disability access certificate, a revised disability access certificate or the submission of a 7 day notice] which related substantially to the same land and to works or a building of the same character or description as those to which the subsequent application relates.

(4) A refund under this article shall be made on a claim in that behalf made in writing to the building control authority and received by it within (but not after) the period of two months beginning on the day of giving or making of the subsequent commencement notice or application for a fire safety certificate F75[, revised fire safety certificate, a regularisation certificate, disability access certificate, revised disability access certificate or submission of a 7 day notice] (as the case may be).

PART VI

APPEALS

Provisions as to
making of appeal.

27. (1) An appeal shall—

- (a) be made in writing,
- (b) state the name and address of the appellant,
- (c) state the subject matter of the appeal,
- (d) state in full the grounds of appeal and the reasons, considerations and arguments on which they are based, and
- (e) be accompanied by such fee (if any) as may be payable in respect of such appeal in accordance *Part V*.

(2) An appeal which does not comply with the requirements of *sub-article (1)* shall be invalid.

(3) Without prejudice to *article 31*, an appellant shall not be entitled to elaborate upon, or make further submissions in relation to, the grounds of appeal stated in the appeal or to submit further grounds of appeal and any such elaboration, submissions or further grounds of appeal that is or are received by the Board shall not be considered by it.

(4) (a) An appeal shall be accompanied by such documents, particulars or other information relating to the appeal as the appellant considers necessary or appropriate.

(b) Without prejudice to *article 32*, the Board shall not consider any documents, particulars or other information submitted by an appellant other than the documents, particulars or other information which accompanied the appeal.

F76[27 (5) An appeal shall be made by—

- (a) sending the appeal by prepaid post to the Board, or
- (b) leaving the appeal with an employee of the Board at the offices of the Board during office hours.]

Time for appeal
etc.

28. (1) An appeal may be made within a period of one month beginning on the day of the decision of the building control authority on an application.

(2) An appeal received by the Board after the expiration of the period mentioned in *sub-article (1)* shall be invalid.

(3) Where the last day of the period specified in *sub-article (1)* is a Saturday, a Sunday, a public holiday F77[(within the meaning of the Organisation of Working Time, Act 1997)] or any other day on which the offices of the Board are closed, an appeal shall, notwithstanding *sub-article (2)*, be valid as having been made in time if received by the Board on the next following day on which the offices of the Board are open.

Observations on appeal.

29. (1) On receipt of an appeal the Board shall send a copy thereof to the building control authority against whose decision the appeal is made.

(2) A building control authority to whom a copy of an appeal has been sent under *sub-article (1)* may, within a period of one month beginning on the day on which a copy of the appeal is sent to it by the Board, make in writing to the Board such submissions or observations on the appeal as the authority thinks fit.

(3) Without prejudice to *article 31* a building control authority shall not be entitled to elaborate upon any submissions or observations made in accordance with *sub-article (2)*, or make further submissions or observations in relation to, the appeal and any such elaboration or submission that is or are received by the Board shall not be considered by it.

Documents, information, etc. in relation to appeal.

30. (1) Where an appeal is made to the Board the building control authority concerned shall, within a period of fourteen days beginning on the day on which a copy of the appeal is sent to it by the Board, submit to the Board—

- (a) a copy of the application concerned and any plans, documents, particulars, evidence or further information received or obtained by it from the applicant,
- (b) a copy of any report prepared by or for the building control authority in relation to the applicant,
- (c) a copy of the decision of the building control authority on the application and a copy of the notification of the decision given to the applicant, and
- (d) in the case of an appeal under section 7(1)(b) F78[, section 7(1)(d) or section 7(1)(e)] of the Act, a copy of the grant of any dispensation or relaxation of a requirement of Part B F79[or Part M] of the Second Schedule to the Building Regulations given under section 4 of the Act in respect of the building or works to which the appeal relates.

Power of Board to request submissions or observations.

31. Where the Board is of opinion that, in the particular circumstances of an appeal, it is appropriate in the interests of justice to request any party who has made submissions or observations in relation to any matter which has arisen in relation to the appeal, the Board may, in its discretion, notwithstanding *article 27(3)* or *29(3)*, serve on any such party a notice under this article—

- (a) requesting that party, within a period specified in the notice (not being less than fourteen or more than twenty eight days beginning on the date of service of the notice) to submit to the Board submissions or observations in relation to the matter in question, and
- (b) stating that, if submissions or observations are not received before the expiration of the period specified in the notice, the Board will, after the expiration of that period and without further notice to the party, pursuant to *article 33* determine the appeal.

Power of Board to require submission of documents etc.

F80[32. Where the Board is of the opinion that any document, particulars (including revised plans, documents, specifications, etc.) or other information is or are necessary for the purpose of enabling it to determine an appeal, the Board may serve on any party a notice under this section—

- (a) requiring that party, within a period specified in the notice (being a period of not less than fourteen days beginning on the date of service of the notice) to submit to the Board, in duplicate, such revised plans or other drawings modifying, or other particulars providing for the modification of, the application to which the appeal relates, and
- (b) stating that in default of compliance with the requirements of the notice, the Board will, after the expiration of the period so specified and without further notice to the party, pursuant to *article 33* dismiss or otherwise determine the appeal.]

Power of the Board where notice served under *article 31* or *32*.

33. Where a notice has been served under *article 31* or *32*, the Board, at any time after the expiration of the period specified in the notice, may, having considered any submissions or observations or plan, document, particulars or other information (as the case may be) submitted by the party on whom the notice has been served, without further notice to that party determine or, in the case of a notice served under *article 32*, dismiss the appeal.

Convening of meetings.

34. Where it appears to the Board expedient or convenient for the purposes of assisting the determination of an appeal the Board may, in its absolute discretion, convene a meeting of the parties.

Time for determination of appeal.

35. (1) It shall be the objective of the Board to ensure that every appeal is determined within four months beginning on the date of receipt by the Board of the appeal.

(2) Where it appears to the Board that it would not be possible or appropriate, because of the particular circumstances of an appeal, to determine the appeal within the period referred to in *sub-article (1)* the Board shall, by notice in writing served on the parties, inform those parties of the reasons why it would not be possible or appropriate, as the case may be, to determine the appeal within that period and shall specify the date before which the Board intends to determine the appeal.

(3) Where a notice has been served under *sub-article (2)*, the Board shall take all such steps as are open to it to determine the appeal before the date specified in the notice.

Powers of the Board to declare appeal withdrawn.

36. (1) Where the Board is of opinion that an appeal has been abandoned, the Board may serve on the appellant a notice stating that fact and requiring that person, within a period specified in the notice (being a period of not less than fourteen or more than twenty eight days beginning on the date of service of the notice) to make to the Board a submission in writing as to why the appeal should not be regarded as having been withdrawn.

(2) Where a notice has been served under *sub-article (1)* the Board may, at any time after the expiration of the period specified in the notice and after considering the submission (if any) made to the Board pursuant to the notice, declare that the appeal shall be regarded as having been withdrawn.

Board may dismiss appeal if vexatious etc.

37. The Board shall in the following circumstances have an absolute discretion to dismiss an appeal—

- (a) where, having considered the grounds of appeal, the Board is of opinion that the appeal is vexatious, frivolous or without substance or foundation, or

(b) where, having regard to—

(i) the nature of the appeal (including any question which in the Board's opinion is raised by the appeal), and

(ii) any previous decision of a building control authority or the Board which in its opinion is relevant,

the Board is satisfied that in the particular circumstances the appeal should not be further considered by it.

Inspections and reports.

38. (1) The Board may arrange for the carrying out of inspections in relation to appeals by persons authorised for that purpose by the Board either generally or for a particular appeal.

(2) Where in relation to an appeal an inspection is carried out on behalf of the Board, by a person authorised for that purpose by the Board, the person so authorised shall make to the Board a written report on the inspection and shall include in his report a recommendation relating to the matter with which the inspection was concerned, and the Board shall, before determining the appeal in relation to which the inspection was carried out, consider the report, including any recommendation contained therein.

Matters to be considered when determining an appeal.

39. When an appeal is made to the Board under section 7(1)(b) F81[, [section 7\(1\)\(d\) or section 7\(1\)\(e\)](#)] of the Act, the Board in considering such appeal shall—

(a) be restricted to considering the extent to which the design of the building complies with the requirements of Part B F82[[or Part M](#)] of the Second Schedule to the Building Regulations, and

(b) have due regard to any dispensation from, or relaxation of, a requirement of Building Regulations granted under Section 4 or 5 of the act in respect of, or which is relevant to, such building.

Determination of appeal.

40. (1) Save as is provided in *sub-article (2)*, where an appeal is brought to the Board it shall determine the appeal as if the application to the building control authority to which the appeal relates had been made to the Board in the first instance and the decision of the Board shall operate to annul the decision of the building control authority from the date of such decision.

(2) Where—

(a) an appeal relates only to a condition or conditions attached to a decision of a building control authority, and

(b) the Board is satisfied, having regard to the nature of the condition or conditions, that the determination by the Board of the relevant application at if it had been made to it in the first instance would not be warranted,

the Board may, in its absolute discretion, give to the relevant building control authority such directions as it considers appropriate relating to the attachment, amendment or removal by that authority either of the condition or conditions to which the appeal relates or of other conditions.

Notification by Board of decision on appeal.

41. (1) The Board shall notify each party to an appeal of its decision on the appeal.

(2) Every notification given by the Board of a decision on an appeal shall specify—

(a) where appropriate, the reference number relating to the relevant application in the register of the building control authority,

- (b) the nature of the decision,
- (c) the building or works to which the decision relates, and
- (d) the date of the decision.

F83[Issue of fire safety certificate, revised fire safety certificate, regularisation certificate, disability access certificate or revised disability access certificate.]

42. Where a building control authority is notified by the Board of its decision to allow an appeal under section 7(1)(b), section 7(1)(d) or section 7(1)(e) of the Act, the authority shall, as soon as may be, issue a fire safety certificate, a revised fire safety certificate, a regularisation certificate, a disability access certificate or a revised disability access certificate, as appropriate, to the appellant in accordance with the decision of the Board.]

F84[Prohibition on opening, operation or occupation of buildings.]

43. (1) A new building or an existing building in respect of which an extension or a material alteration has been made, shall not be opened, operated or occupied or permitted to be opened, operated or occupied,

- (i) unless a fire safety certificate, a disability access certificate (or, as the case may be a revised certificate of either kind) or a regularisation certificate required by these Regulations has been granted by the building control authority in relation to the building, or
- (ii) if such appeal is made to it, pending the determination by An Bord Pleanála of an appeal relating to a refusal to grant any of the certificates or revised certificates referred to in *clause (i)* or the attachment of conditions to any of them."

43 (2) It is declared that an offence contrary to article 43(1) of these Regulations is an offence to which section 17(2) of the Act applies.]
