4.—(1) The Minister may make regulations prescribing a speed limit (“ordinary speed limit”) in respect of all public roads, or all public roads with such exceptions as may be specified in the regulations, for any class of mechanically propelled vehicle.

(2) Regulations under this section may prescribe different speed limits for any class of vehicle using particular categories of public roads.

(2) The motorway speed limit does not apply in respect of any motorway or part of it where a special speed limit or road works speed limit applies to that motorway or part.

9.—(1) A county council or a city council may make bye-laws ("special speed limit bye-laws") specifying in respect of any specified public road or specified part of a public road or specified carriageway or lane of a public road within its administrative area the speed limit ("special speed limit") which shall be the speed limit on that road or those roads for mechanically propelled vehicles.

(2) The special speed limits that may be specified in bye-laws under this section are—

[(a) (i) 20 kilometres per hour,

(ii) 30 kilometres per hour, and

(iii) 40 kilometres per hour,

(3) Before making special speed limit bye-laws a county council or city council shall give notice to—

(a) the council of any borough or town in the administrative county concerned of any provision in the proposed bye-laws relating to roads in their respective administrative areas, and

(b) the Commissioner, and

shall consider any representations made in writing by any such council or the Commissioner where they are received within the period (not being less than one month after the date of service of the notice) specified in the notice.

(4) Whenever a county council or city council having considered any representations under subsection (3), proposes to make bye-laws under this section, the following provisions have effect—
(a) the council shall publish notice of the proposal at least once in at least 2 daily newspapers published in and circulating in the State or the area to which the bye-laws relate,

(b) the notice shall include—

(6) Having regard to circumstances that are particular to a specified national road or motorway or any specified part, carriageway or lane of a specified motorway or national road, a county council or city council may, subject to subsection (7), specify in special speed limit bye-laws that a special speed limit applies in respect of that national road or motorway or part, carriageway or lane of it, in lieu of the speed limit that normally applies to the national road or motorway, for any period where the circumstances prevail and are described in the bye-laws.

(7) A county council or city council shall not make bye-laws under this section relating to a national road or a motorway without the prior written consent of the National Roads Authority.

(6) When a road works speed limit order is made the [chief executive] concerned shall publish a notice in one or more newspapers circulating in the county or city council to which the order relates indicating the location where the order will have effect, the period for which it will have effect and the speed limit being applied through the order. The [chief executive] shall have regard to any representations that are made to him or her in relation to the road works speed limit order.

(7) A [chief executive] may at any time within the period specified in subsection (2) revoke or amend a road works speed limit order made by him or her.
