(3) Any reference in this Part to an authorisation, in relation to a common contractual fund, standing revoked under this Act shall be construed as a reference to an authorisation standing revoked under Regulation 102 of the UCITS Regulations as applied by section 18.

(4) For the purposes of the application by section 18 of certain provisions of the UCITS Regulations to common contractual funds, the said provisions shall be construed as one with this Part.

(ii) the Bank is satisfied that the competence of the management company in respect of matters of the kind with which it would be concerned in relation to a common contractual fund and its probity are such as to render it suitable to act as management company under the common contractual fund,

(b) save where it is authorised as mentioned in paragraph (a)(i), the management company of the common contractual fund is a body corporate that has its registered office and head office in the State, and has, in the opinion of the Bank, sufficient financial resources at its disposal to enable it to conduct its business effectively and meet its liabilities,

9.—(1) The Bank shall establish and maintain a register of common contractual funds.
(2) The Bank shall ensure that the register is kept at a specified office of the Bank and is made available for inspection by members of the public during the ordinary business hours of that office.

(2) The power to impose conditions referred to in subsection (1) shall include power to impose such conditions from time to time in respect of the manner in which the business of a common contractual fund authorised under section 8 shall be operated as the Bank considers appropriate and prudent for the purposes referred to in subsection (1).

(3) Conditions imposed under this section may be imposed generally or on a particular common contractual fund, or by reference to a particular class or classes of common contractual fund, or by reference to any other matter the Bank considers appropriate and prudent for the purposes referred to in subsection (1).

(4) Without prejudice to the generality of subsections (1), (2) and (3), conditions imposed by the Bank on a common contractual fund may make provision for any or all of the following matters—

(a) the prudential requirements of the investment policies of the common contractual fund,

(b) borrowing policies of the common contractual fund,

(c) prospectuses and other information disseminated in relation to the common contractual fund,

(d) the safe-keeping of the assets of the common contractual fund,

(e) such other supervisory and reporting requirements and conditions relating to its business as the Bank considers appropriate and prudent.

Alteration in deed of constitution of, or change in name of, common contractual fund.

12.—(1) No alteration in the deed of constitution of a common contractual fund or change in the name of such a common contractual fund shall be made without the approval of the Bank and—

(a) any person who makes such an alteration or change without such approval shall be guilty of an offence, and

(b) any such alteration made without the approval of the Bank is void.

(2) Within 21 days after the making of an alteration in the deed of constitution of a common contractual fund or a change in the name of a common contractual fund, the management company of the common contractual fund shall deposit with the Bank a copy of the deed of constitution as so altered or containing the alterations or (as the case may be) particulars of the change in name.

(3) Where the management company of a common contractual fund fails to comply with subsection (2), it shall be guilty of an offence.

Replacement of management company or custodian.

13.—(1) The deed of constitution shall specify the conditions for the replacement of the management company or custodian of the common contractual fund with another management company or custodian and shall contain provisions to ensure the protection of unit-holders in the event of any such replacement.

(2) Neither the management company nor the custodian may be replaced without the approval of the Bank.

Obligation on management companies under common contractual funds to purchase units.

14.—(1) Subject to Regulation 63 of the UCITS Regulations, as applied by section 18, whenever the unit-holder in a common contractual fund, or the unit-holder in a common contractual fund the authorisation of which stands revoked under this Part, so requests, the management company of the common contractual fund shall, in accordance with the provisions of the deed of constitution of the fund and any relevant conditions imposed by the Bank, redeem out of the assets of the common contractual fund such number of the units of the common contractual fund held by the unit-holder as that person may specify at the price for the time being at which the management company redeems units of the common contractual fund.

(2) Subsection (1) shall not apply to the extent the Bank may specify in a condition imposed by it under section 10.
(3) A management company which contravenes subsection (1) shall be guilty of an offence.

15.—(1) Neither a management company of a common contractual fund (the “corporate body”) nor a subsidiary or a holding company of that corporate body or a subsidiary of the holding company of that corporate body or a director or person engaged in the management of such corporate body or company shall carry out transactions for it, him or herself, or make a profit for it, him or herself from transactions, in any assets held under the scheme save in accordance with the deed of constitution and any conditions imposed by the Bank.

(2) A person who contravenes this section shall be guilty of an offence.

16.—(1) The assets of a common contractual fund shall belong exclusively to the common contractual fund and the assets shall be entrusted to a custodian for safekeeping in accordance with conditions imposed by the Bank under section 10 [and, subject to such transitional arrangements as may be specified by the Bank, in accordance with the provisions of Regulation 22(8) of the European Union (Alternative Investment Fund Managers) Regulations 2013].

(2) Where a common contractual fund is established as an umbrella fund, the assets shall belong exclusively to the relevant sub-fund and shall not be used to discharge directly or indirectly the liabilities of, or claims against, any other sub-fund and shall not be available for any such purpose.

(3) The liabilities of a unit-holder, as such a holder, shall be limited to the amount agreed to be contributed by him or her for the subscription of units.

(4) The provisions of the deed of constitution shall be binding on the unit-holder and all persons claiming through the unit-holder as if such persons had been party to the deed.

17.—(1) Where a common contractual fund does not have an alternative investment fund manager which is authorised in accordance with Chapter II of Directive 2011/61/EC of the European Parliament and of the Council of 8 June 2011 or is not otherwise subject to Articles 21(12) to (15) of that Directive, the custodian shall exercise due care and diligence in the discharge of its duties and shall be liable to the unit-holders and management company for any loss arising from the negligence, fraud, bad faith, wilful default or recklessness in the performance of those duties.

(2) Unit-holders may enforce this liability either directly or indirectly through the management company.

18.—(1) Regulations 63, 77 to 85 and 98 to 105 of the UCITS Regulations shall apply to a common contractual fund as they apply to the bodies to which those Regulations relate subject to the following modifications and any other necessary modifications—

(a) a reference in those Regulations to a term or expression specified in the second column of the Table to this section at any reference number shall be construed, where the context admits, as a reference to the term or expression specified in the third column of the said Table at that reference number, and

(b) references to cognate terms or expressions in those Regulations shall be construed accordingly,

(c) references to “the articles” and “the Directive” in those Regulations shall be disregarded,
