**20.**—[...]

**21.**—[...]

**22.**—[...]

**23.**—[...]

**24.**—[...]

**24A.**—At least one month before the start of each financial year the Agency shall prepare, and shall submit to the Minister and the Minister for Finance, a statement of the expenditure required during the financial year for the purposes of the functions referred to in section 10(3)(j) of the Competition and Consumer Protection Act 2014.

**24B.**—(1) The Agency may make regulations prescribing levies to be paid by persons who are subject to regulation under the designated enactments and designated statutory instruments (within the respective meanings given by the Central Bank Act 1942).

(2) A levy prescribed under subsection (1) shall relate only to the Agency’s performance of its functions referred to in section 10(3)(j) of the Competition and Consumer Protection Act 2014.

(3) In particular, regulations under subsection (1) may provide for any of the following matters:

(a) the activities, services or other matters for which specified kinds of levies are payable;

(b) the persons, or classes of persons, who are required to pay specified kinds of levies;

(c) the amounts of specified kinds of levies;

(d) the periods for which, or the dates by which, specified levies are to be paid to the Agency;

(e) penalties that are payable by a person who fails to pay a levy on time;

(f) the keeping of records, and the making of returns to the Agency, by persons who are liable to pay a specified levy;

(g) the collection and recovery of levies.
(4) Regulations made under this section do not take effect until approved by the Minister with the consent of the Minister for Finance.

(5) Section 3(2) does not apply to regulations made under subsection (1).

(6) The Agency may refund the whole or a part of a levy paid or payable under regulations in force under this section.

(7) The Agency may amend or revoke a regulation made under this section.

(8) An amendment or revocation of regulations made under this section does not take effect until approved by the Minister with the consent of the Minister for Finance.

(9) The Agency may, by proceedings in a court of competent jurisdiction, recover as a debt an amount of levy payable under regulations in force under this section.

24C. —(1) If the total sum received by the Agency on account of levies prescribed under section 24B during a financial year is greater than the Agency’s expenditure on the performance of its functions referred to in [section 10(3)(j) of the Competition and Consumer Protection Act 2014] during that financial year, the Agency—

(a) shall apply the surplus to the performance of those functions and the exercise of those powers in the following financial year, and

(b) shall reduce the levies prescribed in relation to the latter financial year accordingly.

(2) If the sum received by the Agency on account of levies prescribed under section 24B during a financial year is less than the Agency’s expenditure on the performance of its functions referred to in [section 10(3)(j) of the Competition and Consumer Protection Act 2014] during that financial year, the Agency may prescribe levies in relation to the following financial year sufficient to—

(a) make good the deficiency, and

(b) ensure that the sum received by the Agency on account of such levies during the following financial year fully covers the performance of those functions during both those financial years.

24D. —(1) The Agency may enter into an arrangement with a prescribed body in relation to the collection of a levy.

(2) An arrangement referred to in subsection (1) is to be for the purpose of enabling the Agency or prescribed body to collect the relevant levy from each person or body obliged to pay it and pay the collected levy to the entity entitled to receive it.

(3) An arrangement referred to in subsection (1) shall provide for the costs associated with the collection of the levy concerned to be met by the entity entitled to receive the levy.

(4) Nothing in this section affects any other power of the Agency to enter into an arrangement for the collection of levies.

(5) In this section—

‘levy’ means a levy imposed under section 24B or any other enactment;

‘prescribed body’ means the following:

(a) the Pensions Board;

(b) the Financial Services Ombudsman;

(c) the Central Bank of Ireland;
(d) any other body prescribed by the Minister by regulations made for the purposes of this section.

24E.—In its annual report and annual accounts, the Agency shall include statements of—

(a) the amounts collected by way of levies under section 24B, and

(b) how those amounts were expended.

24F. (1) The Commission may, for the purpose of obtaining any information which may be required in relation to the calculation of levies to be imposed under section 24B require persons who are subject to such levies to provide the Commission within such reasonable period as the Commission may determine, with such information as the Commission may reasonably require in relation to the calculation of the amounts of the said levies.

(2) A person who—

(a) without reasonable excuse, fails to comply with a requirement under this section, or

(b) in purported compliance with such a requirement provides information that he or she knows to be false or misleading in a material respect,

commits an offence and is liable on summary conviction to the fines and penalties provided in section 79.

24G. (1) In this section—

‘Bank’ means the Central Bank of Ireland;

‘secondee’ means an employee seconded from the Bank to the Commission under the arrangements referred to in subsection (2).

(3) The length of any secondment period or extension to an existing secondment period shall be agreed by the chairperson of the Commission, the Governor of the Bank and the employee of the Bank.

(4) Subject to subsection (6), a secondee may not later than 2 years after the establishment day elect to become a member of the staff of the Commission.

(5) A secondee may continue on secondment to the Commission for as long as the chairperson of the Commission and the Governor of the Bank consent. A secondee who continues on secondment without electing to become a member of staff of the Commission continues to be an employee of the Bank and his or her terms of employment (including any term conferring a right to an increase in remuneration) continue to be those applicable to his or her employment by the Bank.

(6) An election under subsection (4) to become a member of staff of the Commission is subject to the consent of—

(i) the chairperson of the Commission,

(ii) the Governor of the Bank,

(iii) the Minister for Public Expenditure and Reform, and
(iv) the Minister for Jobs, Enterprise and Innovation,
and shall take effect immediately after the latest of those consents is given.

(7) If a secondee elects to become a member of staff of the Commission, the terms and conditions relating to remuneration by the Commission at the time the election takes effect shall not be less favourable than the terms and conditions relating to remuneration at the time of his or her employment by the Bank (subject to any provision in any enactment).

(8) If a person’s employment is transferred under this section, the person’s previous service with the Bank is to be counted as service for the purposes of, but subject to any exceptions or exclusions in, the following Acts:

(a) the Redundancy Payments Acts 1967 to 2012;

Part 3

Commercial Practices
CHAPTER 1

Unfair Commercial Practices

41.—(1) A trader shall not engage in an unfair commercial practice.

(2) A commercial practice is unfair if it—

(a) is contrary to one or both of the following (the requirements of professional diligence):

(i) the general principle of good faith in the trader’s field of activity;

(ii) the standard of skill and care that the trader may reasonably be expected to exercise in respect of consumers,

and

(b) would be likely to—

(i) cause appreciable impairment of the average consumer’s ability to make an informed choice in relation to the product concerned, and

(ii) cause the average consumer to make a transactional decision that the average consumer would not otherwise make.

(3) In determining whether a commercial practice is unfair under subsection (2), the commercial practice shall be considered in its factual context, taking account of all of its features and the circumstances.

CHAPTER 2

Misleading Commercial Practices

42.—(1) A trader shall not engage in a misleading commercial practice.

(2) Without prejudice to the amendments of the Hallmarking Act 1981 made by section 99, sections 43 to 46 specify the various circumstances in which a commercial practice is misleading.

43.—(1) A commercial practice is misleading if it includes the provision of false information in relation to any matter set out in subsection (3) and that information would be likely to cause the average consumer to make a transactional decision that the average consumer would not otherwise make.

(2) A commercial practice is misleading if it would be likely to cause the average consumer to be deceived or misled in relation to any matter set out in subsection (3) and to make a transactional decision that the average consumer would not otherwise make.

(3) The following matters are set out for the purposes of subsections (1) and (2):

(a) the existence or nature of a product;

(b) the main characteristics of a product, including, without limitation, any of the following:

(i) its geographical origin or commercial origin;
(ii) its availability, including, without limitation, its availability at a particular time or place or at a particular price;

(iii) its quantity, weight or volume;

(iv) its benefits or fitness for purpose;

(v) the results to be expected from it;

(vi) the risks it presents to consumers;

(vii) its usage or prior history;

(viii) its composition, ingredients, components or accessories;

(ix) the specifications of the product, including, without limitation, the grade, standard, style, status or model of the product;

(x) the after-supply customer assistance available to consumers in relation to the product;

(xi) the handling of consumer complaints in relation to the product;

(xii) the method or date of—

(I) the product’s delivery, supply or provision, or

(II) in the case of goods, the product’s manufacture;

(xiii) the results and material features of tests or checks carried out on the product;

(xiv) in relation to a service, its execution or performance;

(c) the price of the product, the manner in which that price is calculated or the existence or nature of a specific price advantage;

(d) the need for any part, replacement, servicing or repair in relation to the product;

(e) the existence, extent or nature of any approval or sponsorship (direct or indirect) of the product by others;

(f) the nature, attributes or rights of the trader, including, without limitation, the following:

(i) the trader’s identity, qualifications, assets or status;

(ii) the trader’s affiliation or connection with others;

(iii) the existence, extent or nature of—

(I) any industrial, commercial or intellectual property rights the trader may have, or

(II) any award, distinction, approval or sponsorship (direct or indirect) the trader has or has received;

(g) the extent of the trader’s commitments;

(h) the trader’s motives for the commercial practice;

(i) the nature of the trader’s supply process;

(j) the legal rights of a consumer (whether contractual or otherwise) or matters respecting when, how or in what circumstances those rights may be exercised.
(4) If the commercial practice in subsection (2) involves the provision of information, it is not a defence in any proceeding to show that the information is factually correct.

(5) In determining whether a commercial practice under subsection (1) or (2) is misleading, the commercial practice shall be considered in its factual context, taking account of all of its features and the circumstances.

(6) Without limiting subsection (5)—

(a) if the commercial practice involves a representation or creates an impression (whether in advertising, marketing or otherwise) that a product was previously offered at a different price or at a particular price, consideration shall be given to whether the product was previously offered openly and in good faith at that price and at the same place for a reasonable period of time before the representation was made, and

(b) if the commercial practice involves a representation or creates an impression (whether in advertising, marketing or otherwise) that a product is being offered by a trader at or below a price recommended by the manufacturer, producer or supplier of the product (other than the trader), consideration shall be given to whether that recommended price was one recommended in good faith by that manufacturer, producer or supplier.

(7) In determining the geographical origin of goods the manufacture or production of which involves more than one country, consideration shall be given to where the goods underwent their last substantial and economically justified processing or working (in a place equipped for that purpose), resulting in the manufacture of new goods or representing an important stage of the manufacture or production.

Misleading: competitor or product confusion in marketing or advertising.

44.— (1) A commercial practice involving marketing or advertising is misleading if it would be likely to cause the average consumer—

(a) to confuse—

(i) a competitor’s product with the trader’s product, or

(ii) a competitor’s trade name, trade mark or some other distinguishing feature or mark with that of the trader,

and

(b) to make a transactional decision that the average consumer would not otherwise make.

(2) In determining whether a commercial practice is misleading under subsection (1), the commercial practice shall be considered in its factual context, taking account of all of its features and the circumstances.

Misleading: non-compliance with commitment under code of practice by which trader is bound.

45.— (1) A commercial practice is misleading if—

(a) it involves a representation that the trader abides, or is bound, by a code of practice,

(b) the representation referred to in paragraph (a) would be likely to cause the average consumer to make a transactional decision that the average consumer would not otherwise make, and

(c) the trader fails to comply with a firm commitment in that code of practice.
(2) In determining whether a commercial practice is misleading under subsection (1), the commercial practice shall be considered in its factual context, taking account of all of its features and the circumstances.

(3) For the purposes of this section, a firm commitment in a code of practice is one that is not merely aspirational but is capable of being verified.

46. — (1) A commercial practice is misleading if the trader omits or conceals material information that the average consumer would need, in the context, to make an informed transactional decision (“material information”) and such practice would be likely to cause the average consumer to make a transactional decision that the average consumer would not otherwise make.

(2) A commercial practice is misleading if—

(a) the trader—

(i) provides material information referred to in subsection (1) in a manner that is unclear, unintelligible, ambiguous or untimely, or

(ii) fails to identify the commercial intent of the practice (if such intent is not already apparent from the context),

and

(b) such practice would be likely to cause the average consumer to make a transactional decision that the average consumer would not otherwise make.

(3) If a commercial practice is or includes an invitation to purchase, each of the following constitutes material information for the purposes of this section, unless already apparent to the consumer in the context of the commercial practice:

(a) the main characteristics of the product, to an extent appropriate to the medium and the product;

(b) the geographical address of the trader, the identity of the trader (such as his or her trading name) and, if the trader is acting in a consumer transaction as an agent of another trader, the geographical address and the identity of that other trader;

(c) the price of the product (inclusive of taxes) or, if the nature of the product is such that the price cannot reasonably be calculated in advance, the manner in which the price is calculated;

(d) any freight, delivery or postal charges that apply in relation to the product or, if such charges cannot reasonably be calculated in advance, a statement of the fact that such charges will apply and be payable by the consumer;

(e) the handling of consumer complaints in relation to the product or the arrangement for payment, delivery or performance, if such handling or arrangement does not meet or accord with—

(i) the standard of skill and care that the trader may reasonably be expected to exercise in respect of consumers, or

(ii) the general principle of good faith in the trader’s field of activity;

(f) if applicable, the legal rights of a consumer (whether contractual or otherwise) to withdraw from or cancel the consumer transaction.

(4) The material information set out in subsection (3) is in addition to and not instead of any other information that the trader is required by law to provide to a consumer,
including, without limitation, any information required to be provided by regulations under this Act.

(5) In determining whether a commercial practice is misleading under this section, the commercial practice shall be considered in its factual context, taking account of all of its features and the circumstances, including—

(a) the space or time available in any communications medium used, and

(b) any measures taken by the trader to make the material information available to consumers by other means.

47.— A trader who engages in any misleading commercial practice described in section 43(1) or (2) commits an offence and is liable on conviction on indictment or on summary conviction, as the case may be, to the fines and penalties provided in Chapter 4 of Part 5.

48.— (1) In this section—

“cash” means cash that is legal tender;

“relevant method”, in relation to payment, means each of the following methods of payment—

(a) cash,

(b) credit card,

(c) direct debit,

(d) any other method or methods of payment prescribed by the Minister.

(2) In this section a reference to a representation includes a reference to a representation made at any stage up to the time the trader accepts payment in respect of the product concerned.

(3) Where—

(a) a trader makes a representation that the trader will accept payment in respect of a product by any one of 2 or more different relevant methods, or

(b) it is the practice of a trader to accept payment in respect of a product by different relevant methods,

the trader shall not impose an additional charge on any person by reason of the person’s making payment in respect of the product by one of the relevant methods (to which the foregoing representation relates or as regards which the foregoing practice exists) as distinct from another of them.

(4) For the purposes of subsection (3)—

(a) without limiting any of the other means by which that subsection may be contravened, a trader shall be deemed to impose an additional charge, by reason of the person concerned making payment as mentioned in that subsection, if the price charged by the trader in respect of the product concerned is, where one of the relevant methods of payment is used by that person, greater than the price that would be so charged were that person to use another of them,

(b) if the representation or practice referred to in that subsection relates not only to relevant methods of payment but to one or more other methods of payment as well, that fact is immaterial, and
(c) it is immaterial that the trader can show that any expenses incurred by the trader in accepting payment by one of the relevant methods are greater than those incurred by the trader in accepting payment by another of them.

(5) A trader who contravenes subsection (3) commits an offence and is liable on summary conviction to the fines and penalties provided in Chapter 4 of Part 5.

(6) In proceedings for an offence under this section, where evidence is given that on a particular occasion the defendant accepted payment in respect of the product concerned by a relevant method which was different from that which the defendant accepted in respect of the product on another occasion in the period of 12 months preceding the first-mentioned occasion (and that previous method is also a relevant method), then it shall be presumed, until the contrary is proved, that a practice existed on the part of the defendant to accept payment in respect of the product by those foregoing methods.

49.— (1) Where it is the practice of a trader to accept payment in respect of a product—

(a) by only one relevant method and to impose a charge on a person for the person’s making payment in respect of the product by that method, or

(b) by different relevant methods and to impose on a person the same charge for the person’s making payment in respect of the product by any of those methods,

the trader shall ensure that any representation made by the trader, or on the trader’s behalf, in relation to the price payable in respect of the product, states clearly that price as a single amount inclusive of the foregoing charge.

(2) For the purposes of subsection (1), it is immaterial that the trader also accepts payment in respect of the product concerned by one or more methods of payment that are not relevant methods of payment and the reference in that subsection to the practice of a trader to accept payment in respect of a product by only one relevant method shall be read accordingly.

(3) A trader who contravenes subsection (1) commits an offence and is liable on summary conviction to the fines and penalties provided in Chapter 4 of Part 5.

(4) In a case falling within paragraph (a) or (b) of subsection (1), nothing in that subsection prevents the inclusion in any representation referred to in that subsection of—

(a) an indication that the single price stated is inclusive of a charge for making payment by the method concerned or, as the case may be, any of the methods concerned, or

(b) an indication of the amount of such charge.

(5) In this section ‘relevant method’, in relation to payment, has the same meaning as it has in section 48.

50.— (1) Subject to subsection (5), if the Minister considers it to be in the interest of consumers to have a product, or a class or type of product, marked with or accompanied by any information (or both), the Minister may make regulations—

(a) prescribing the product or class or type of product,

(b) prescribing—
(i) any stamps, marks, tags and labels for use on those products and the manner of their use, or

(ii) any information to accompany those products when they are supplied to consumers by traders, or

(iii) the matters referred to in both of the foregoing subparagraphs,

c) requiring traders who supply a prescribed product, or a product of a prescribed class or type, to—

(i) stamp, mark, tag or label them in accordance with regulations made under paragraph (b)(i), or

(ii) have prescribed information under paragraph (b)(ii) accompany those products in the manner and form specified in the regulations, or

(iii) do the things referred to in both of the foregoing subparagraphs,

and

d) regulating or prohibiting the supply of a prescribed product, or a product of a prescribed class or type, if any regulation under paragraph (b) or (c) is not complied with.

(2) Subject to subsection (5), if the Minister considers it to be in the interest of consumers that advertisements for a product, or a class or type of product, contain or refer to any information relating to those products (or do both those things), the Minister may make regulations—

(a) prescribing the product, or class or type of product, and that information, and

(b) requiring traders who market or advertise those products to do either or both of the following, as the Minister considers necessary or appropriate:

(i) include that information in their advertisements and to do so in the manner and form specified in the regulations;

(ii) specify in their advertisements the means by which that information may be obtained by a consumer.

(3) The Minister may make different regulations under this section for—

(a) different classes or types of products or traders,

(b) different classes or types of advertisements,

(c) different circumstances, and

(d) different geographical areas of the State.

(4) A regulation made under this section may apply to the whole State or to a specified geographical area of the State.

(5) The Minister may not make a regulation under this section unless the Minister is satisfied that in the context—

(a) the average consumer would need the stamp, mark, tag, label or information in order to make an informed transactional decision ("material information"), and

(b) if such material information was withheld, omitted or concealed, it would be likely to cause the average consumer to make a transactional decision that the average consumer would not otherwise make.
(6) Subsection (5) does not apply in respect of regulations that may be made under subsection (1) relating to indications of the standard of fineness of articles of precious metal.

51.— (1) A trader who supplies a product in contravention of a regulation under section 50(1) commits an offence.

(2) If an advertisement fails to comply with any requirement of a regulation under section 50(2), any trader who publishes the advertisement or causes it to be published commits an offence.

(3) A trader who commits an offence under subsection (1) or (2) is liable on summary conviction to the fines and penalties provided in Chapter 4 of Part 5.

Chapter 3

Aggressive Commercial Practices

52.— A trader shall not engage in an aggressive commercial practice.

53.— (1) A commercial practice is aggressive if by harassment, coercion or undue influence it would be likely to—

(a) cause significant impairment of the average consumer’s freedom of choice or conduct in relation to the product concerned, and

(b) cause the average consumer to make a transactional decision that the average consumer would not otherwise make.

(2) In determining whether a commercial practice is aggressive under subsection (1), the commercial practice shall be considered in its factual context, taking account of all of its features and the circumstances.

(3) Without limiting subsection (2), in determining whether the commercial practice employs harassment, coercion or undue influence, the following shall be taken into account:

(a) the timing, location, nature or persistence of the commercial practice;

(b) the use of threatening or abusive language or behaviour by the trader;

(c) the exploitation of a consumer’s misfortune or circumstance when the trader is aware that the consumer’s judgment is impaired as a result of the gravity of the misfortune or circumstance, in order to influence the consumer’s transactional decision;

(d) the imposition of onerous or disproportionate non-contractual barriers by the trader when the consumer wishes to terminate the contract, exercise a contractual right or switch to another product or trader;

(e) the use of threats by the trader to—

(i) take action or initiate proceedings against the consumer when the trader has no legal basis for taking such action or initiating such proceedings, or

(ii) do something unlawful.
In this section, “undue influence” means exploiting a position of power in relation to a consumer so as to apply pressure (without necessarily using or threatening to use physical force) in a way that significantly limits the consumer’s ability to make an informed choice in relation to the trader’s product.

54.— A trader who engages in any aggressive commercial practice described in section 53(1) commits an offence and is liable on conviction on indictment or on summary conviction, as the case may be, to the fines and penalties provided in Chapter 4 of Part 5.

CHAPTER 4

Prohibited Commercial Practices

55.— (1) A trader shall not engage in any of the following commercial practices:

(a) a representation that the trader has an approval, authorisation or endorsement that the trader does not have, or making such a representation when the trader is not in compliance with that approval, authorisation or endorsement;

(b) a representation that the trader is signatory to a code of practice, if the trader is not;

(c) a representation that the trader is about to cease trading or move premises, if the trader is not;

(d) a representation that a product has an approval, authorisation or endorsement that it does not have, or making such a representation when the trader is not in compliance with that approval, authorisation or endorsement;

(e) a representation that a product is able to facilitate winning in games of chance;

(f) a representation that supply of a product is legal, if it is not, or creating such an impression;

(g) a representation that a product is able to cure an illness, dysfunction or malformation, if it cannot;

(h) a representation that describes a product as “gratis”, “free”, “without charge” or anything similar, if a consumer has to pay anything other than the necessary and reasonable cost of—

(i) responding to the representation, and

(ii) collecting the product or having it delivered;

(i) a representation that a commercial practice of the trader has an approval, authorisation or endorsement that it does not have, or making such a representation when the trader is not in compliance with the approval, authorisation or endorsement;

(j) a representation that a code of practice has an approval or other endorsement that it does not have;

(k) displaying a quality, standard or trust mark or symbol, or some equivalent type of mark or symbol, without having obtained necessary authorisation to do so;

(l) making an invitation to purchase a product without disclosing the existence of any reasonable grounds the trader may have for believing that the trader
will not be able to supply, or procure another trader to supply, the product or an equivalent product at the price specified in the invitation, or to do so for a reasonable period of time or in reasonable quantities, having regard to the scale of any marketing or advertising of the product and the price specified (bait advertising);

(m) making an invitation to purchase a product, then—

(i) demonstrating a defective sample of the product, or

(ii) refusing to—

(I) show or display the product to the consumer,

(II) take an order from the consumer for the product, or

(III) deliver the product to the consumer within a reasonable period of time,

with the intention of promoting a different product (bait and switch);

(n) making a false representation that a product is available only for a limited time, or on particular terms for a limited time, in order to elicit an immediate decision from a consumer, depriving the consumer of sufficient opportunity or time to make an informed choice in relation to the trader’s product;

(o) undertaking to provide after-sales service to consumers with whom the trader has communicated prior to a transaction in a language which is not an official language of the relevant State in which the trader is located and then making such service available only in another language without clearly disclosing this to the consumer before the consumer is committed to the transaction;

(p) making a representation or creating an impression that a right given to consumers under an enactment is a distinctive feature of the trader’s promotion or supply;

(q) using editorial content in the media to promote a product (if a trader has paid for that promotion) if it is not made clear that the promotion is a paid promotion, whether in the content itself or in any oral, written, visual or descriptive representation in the promotion;

(r) making a representation to a consumer that is materially inaccurate in respect of the nature and extent of risk to the consumer’s personal security, or that of other members of the consumer’s household, if the consumer does not purchase the trader’s product;

(s) promoting a product (similar to that of another manufacturer) in such a manner as to deliberately mislead or deceive a consumer into thinking that the product is manufactured by that manufacturer, when it is not;

(t) making a representation to a consumer that is inaccurate to a material degree in respect of market conditions, or in respect of the possibility of finding a product, with the intention of inducing the consumer to purchase a product at conditions less favourable than normal market conditions;

(u) operating, running or promoting a competition or prize promotion without awarding the prizes described or reasonable equivalents;

(v) making a representation or creating an impression that a consumer has won or will win a prize or other equivalent benefit, if—

(i) there is no prize or equivalent benefit, or
(ii) in claiming the prize, the consumer has to make a payment or incur a loss;

(w) including in marketing material an invoice or any similar document seeking payment from a consumer for a product that the consumer has not ordered;

(x) making a representation or creating an impression that the trader—

(i) is not acting for purposes related to the trader’s trade, business or profession, when the trader is so acting, or

(ii) is acting as a consumer, when the trader is not;

(y) making a representation or creating an impression that after-supply service in relation to a product is available in a relevant State other than the one in which the product is supplied, when it is not so available.

(2) […]

(3) A trader shall not engage in any of the following commercial practices:

(a) making a representation or creating an impression that a consumer cannot leave the premises until a contract is formed;

(b) failing to comply with a consumer’s request to leave the consumer’s residence or to not return (except in circumstances and to the extent justified or permitted by or under law in order to enforce a contractual obligation);

(c) persistently failing to comply with a consumer’s request to cease—

(i) communicating or initiating unwanted or unsolicited contact with, or

(ii) making or sending unwanted or unsolicited representations to,

the consumer by telephone, fax, email or any other electronic means or remote media (except in circumstances and to the extent justified or permitted by or under law in order to enforce a contractual obligation);

(d) in relation to a consumer’s claim on an insurance policy, doing either or both of the following:

64.— (1) In this Part, “pyramid promotional scheme” means a scheme by which a person gives consideration in money or money’s worth, or gives a gift in money or money’s worth, for an opportunity to receive compensation derived primarily from the introduction of other persons into the scheme rather than from the supply or consumption of a product.

(2) The following apply in respect of subsection (1):

(d) that any compensation received was received within the State,

(e) that any opportunity to receive compensation was to be a receipt of such compensation within the State, or

(4) If, in proceedings for an offence under this section or for a prohibition order under section 71, the alleged pyramid promotional scheme involves the supply of a product, then the following may be considered (among other things) in determining whether the opportunity to receive compensation is derived primarily from the introduction of other persons into the scheme:

(a) in respect of a promotion of the scheme, the emphasis given to a participant’s entitlement to the product, as compared to the emphasis given to compensation derived from the introduction of other persons into the scheme;

(b) the extent to which the consideration given bears a reasonable relationship to the product, by reference to the price of the same or a comparable product available elsewhere.

(5) A person guilty of an offence under this section is liable on conviction on indictment to the fines and penalties provided in Chapter 4 of Part 5.

66.—(1) An agreement between a scheme promoter and another person is, to the extent it requires or provides for payment of money or money’s worth in respect of a pyramid promotional scheme, void and has no effect, and no action lies in any court for the recovery of such money or money’s worth under or pursuant to such agreement.

(2) For the purposes of subsection (1), a “scheme promoter” means a person who establishes, operates or promotes a pyramid promotional scheme or who induces or attempts to induce others to participate in such a scheme, and includes any person acting on a scheme promoter’s behalf.

Civil relief by way of prohibition orders.

71.—(1) In this section “prohibited act or practice” does not include a contravention of section 59(2) (respecting weighing facilities in grocery retail) or section 60(1) (respecting preventing the reading of prices).

(2) Any person, including the Agency or any other public body that is prescribed for the purposes of this subsection, may apply to the Circuit Court or High Court for an order prohibiting a trader or person from committing or engaging in a prohibited act or practice.

(3) An application under subsection (2) shall be on notice to—
   (a) the trader or person against whom the order is sought, and
   (b) the Agency, if the applicant is not the Agency.

(4) In determining an application under this section, the court shall consider all interests involved and, in particular, the public interest.
(5) If the applicant for an order under this section is not the Agency, the court may not make the order unless the Agency has been afforded an opportunity to be heard and adduce evidence.

(6) If the court considers it necessary or appropriate in the circumstances, taking into account all interests involved and, in particular, the public interest, the court may make an order under this section without proof of any actual loss or damage or of any intention or negligence on the part of the trader.

(7) In making an order under this section, the court may impose terms or conditions in the order that the court considers appropriate, including a requirement that the trader or person publish a corrective statement, at the trader’s or person’s own expense and in any manner the court considers appropriate, in respect of the matters the subject of the order.

(8) An application under this section to the Circuit Court shall be made to the judge of the Circuit Court for the circuit in which the prohibited act or practice concerned is being committed or engaged in.

(9) The Circuit Court shall have jurisdiction to hear and determine an application under this section which it is satisfied it is appropriate for it to deal with as a court of local and limited jurisdiction and, for the purpose of the court’s satisfying itself of that matter, the matters to which it shall have regard include—

(a) the nature and extent of the prohibited act or practice concerned, and

(b) the estimated cost of complying with the order to which the application relates.

(10) If, in relation to an application under this section to the Circuit Court, that court becomes of the opinion, during the hearing of the application, that it is not appropriate for the Circuit Court to deal with the application, it may, if it so thinks fit, transfer the application to the High Court.

(11) Subsection (10) is without prejudice to the jurisdiction of the Circuit Court to determine an application under this section which, at the time of the making of the application, it was satisfied it had jurisdiction to deal with.

(12) Where an application is transferred under subsection (10) to the High Court, the High Court shall be deemed to have made any order of a procedural nature that was made by the court from which it is so transferred in the proceedings in relation to the application.

(13) A trader commits an offence who, without reasonable excuse, fails to comply with an order under this section and is liable on conviction on indictment or on summary conviction, as the case may be, to the fines and penalties provided in Chapter 4.

72.—(1) In this section, “code owner” means, in relation to a code of practice, any person responsible for formulating or revising the code or for monitoring compliance by those traders who agree, commit or undertake to abide or be bound by it.

(2) If a code of practice or its code owner promotes any prohibited act or practice, the Agency may apply to the Circuit Court or High Court for an order prohibiting the code owner from such promotion or requiring the code owner to withdraw the code or amend it as the court considers necessary to prevent such promotion.

(3) An application under subsection (2) shall be on notice to the code owner.

(4) In determining an application under this section, the court shall consider all interests involved and, in particular, the public interest.

(5) In making an order under subsection (2), the court may impose terms or conditions in the order that the court considers appropriate.
(6) Subsections (8) to (12) of section 71 apply to an application under this section as they apply to an application under that section with the following modifications—

(a) the substitution in subsection (8) of “in which the code owner is promoting the prohibited act or practice concerned or in which the code owner resides or carries on any business or profession” for “in which the prohibited act or practice concerned is being committed or engaged in”, and

(b) the substitution in subsection (9) of the following paragraph for paragraph (a):

“(a) the nature and extent of the prohibited act or practice being promoted by the code of practice concerned or its code owner,”.

(7) A code owner commits an offence who, without reasonable excuse, fails to comply with an order under this section and is liable on conviction on indictment or on summary conviction, as the case may be, to the fines and penalties provided in Chapter 4.
(7) Despite subsection (6), the Agency may apply for an order against a trader under section 71 if the trader fails to comply with the terms and conditions of an undertaking under this section.

(8) Subsections (2) to (5) shall, with the following modifications and any other necessary modifications, apply in respect of any trader the Agency has reason to believe is contravening, is about to contravene or has contravened an enactment specified in Schedule 4, namely, the modifications that—

(a) references in those subsections to a prohibited act or practice shall be read as references to a contravention of an enactment specified in that Schedule, and

(b) the reference in subsection (4)(a) to the provision or provisions concerned of this Act or regulations under this Act shall be read as a reference to the provision or provisions concerned of that enactment.

(9) If compensation is paid to a consumer pursuant to an undertaking referred to in subsection (4)(c) and the consumer subsequently commences an action under section 74 and is awarded damages by the court in respect of the same prohibited act or practice, the compensation paid under the undertaking is deemed to be in satisfaction of so much of the awarded damages as is equal to the amount paid to the consumer under that undertaking.

74.— (1) In this section, “prohibited act or practice” does not include—

(a) a misleading commercial practice described in section 45, or

(b) a contravention of section 65(1) (respecting pyramid promotional schemes).

(2) A consumer who is aggrieved by a prohibited act or practice shall have a right of action for relief by way of damages, including exemplary damages, against the following:

(a) any trader who commits or engages in the prohibited act or practice;

(b) if such trader is a body corporate, any director, manager, secretary or other officer of the trader, or a person who purported to act in any such capacity, who authorised or consented to the doing of the act or the engaging in of the practice.

(3) Subject to subsection (4), an action under this section may be brought in the District Court, the Circuit Court or the High Court and such a court may, in that action, award such damages as the court considers appropriate, including exemplary damages.

(4) If the action is brought in the District Court or the Circuit Court, any relief by way of damages, including exemplary damages, shall not, except by consent of the necessary parties in such form as may be provided for by rules of court, be in excess of the limit of jurisdiction of the District Court or the Circuit Court, as the case may be, in an action founded on tort.

(5) Where in an action under this section it is proved that the act or practice complained of was done or engaged in by a body corporate it shall be presumed, until the contrary is proved, that each (if any) director of the body and person employed by it whose duties included making decisions that, to a significant extent, could have affected the management of the body, and any other person who purported to act in any such capacity at the material time, consented to the doing of that act or the engaging in of that practice.
75.—(1) In this section “prohibited act or practice” does not include a contravention of a regulation under section 57 (respecting price display regulations).

(2) An authorised officer who is of the opinion that a person is committing or engaging in, or has committed or engaged in, a prohibited act or practice or is contravening or has contravened an enactment specified in Schedule 5 may serve, personally or by post, a written notice on that person (a “compliance notice”).

(3) A compliance notice shall be signed and dated by the authorised officer and shall—

(a) contain a statement of the alleged contravention (identifying the relevant enactment), the opinion referred to in subsection (2) and the reasons for that opinion,

(b) direct the person to remedy the contravention or the matters occasioning that notice, including any other requirement that the authorised officer considers appropriate in order to remedy the contravention or matter (the “compliance direction and requirements”),

(c) specify the date by which the person is to comply with the compliance direction and requirements,

(d) contain a statement that the person may appeal the notice to the District Court within 14 days after service of the notice, including information specifying—

(i) the form and manner of such an appeal, and

(ii) the service address of the Agency for purposes of notifying the Agency under subsection (6),

and

(e) contain a statement that, if an appeal is not made in accordance with this section and within the time specified in paragraph (d), then—

(i) the notice will be treated as not disputed,

(ii) the person will be deemed to have accepted the notice and have agreed to comply with the compliance direction and requirements, and

(iii) any failure or refusal to so comply is an offence and, on summary conviction, the person will be liable to the fine and penalties set out in Chapter 4.

(4) The date specified under subsection (3)(c) shall not be earlier than the end of the period within which an appeal may be made under subsection (5).

(5) If the person on whom the compliance notice is served wishes to dispute the notice, the person may, no later than 14 days after the notice is served and in accordance with this section and in the form and manner specified in the notice, appeal the notice to a judge of the District Court in the district court district in which the notice was served.

(6) A person who appeals under subsection (5) shall at the same time notify the Agency of the appeal and the grounds for the appeal and the Agency shall be entitled to appear, be heard and adduce evidence on the hearing of the appeal.

(7) In determining an appeal under this section, the judge may confirm, vary or cancel the compliance notice, if satisfied that it is reasonable to do so.
If on appeal the compliance notice is not cancelled, the notice takes effect on the later of the following:

(a) the day after the day on which the notice is confirmed or varied on appeal;

(b) if the appeal is withdrawn by the appellant, the day after the day it is withdrawn;

(c) the day specified in the notice.

If there is no appeal under subsection (5), the compliance notice takes effect on the later of the following:

(a) 14 days after the notice is served on the person;

(b) the day specified in the notice.

An authorised officer may—

(a) withdraw a compliance notice at any time, or

(b) if no appeal is made or pending under subsection (5), extend the date specified in the notice under subsection (3)(c).

A person commits an offence who, without reasonable excuse, fails to comply with a compliance direction or requirement specified in a compliance notice and, on summary conviction, is liable to the fines and penalties provided in Chapter 4.

Withdrawal of a compliance notice under subsection (10) does not prevent the service of another compliance notice, whether in respect of the same matter or a different matter.

If a compliance notice takes effect in accordance with this section, the Agency shall publish the compliance notice, or cause it to be published, in any form or manner the Agency considers appropriate.

Nothing in this section prevents the commencement of proceedings for an offence.

**Chapter 4**

**Criminal Proceedings**

76.—[...]

77.—(1) If an offence under this Act is committed by a body corporate and is proved to have been committed with the consent, connivance or approval of, or to have been attributable to any neglect on the part of any person being a director, manager, secretary or any other officer of the body corporate or a person purporting to act in any such capacity, that person, as well as the body corporate, is guilty of an offence and is liable to be proceeded against and punished as if that person were guilty of the first-mentioned offence.

(2) If, in a prosecution for an offence against the person referred to in subsection (1), it is proved that, at the material time, the person was a director of the body corporate or an employee of it whose duties included making decisions that, to a significant extent, could have affected the management of the body corporate, or a person who purported to act in any such capacity, it shall be presumed, until the
contrary is shown, that the person consented to the doing of the acts or defaults that constitute the offence.

(3) **Subsection (2)** shall be read as placing on the person referred to in that subsection an evidential burden only with respect to the matter or matters concerned.

(4) If the affairs of a body corporate are managed by its members, **subsections (1) and (2)** apply in relation to the acts or defaults of a member in connection with the member’s functions of management as if that member were a director or manager of the body corporate.

(5) If a body corporate commits an offence under this Act, an employee, officer, director or agent of the body corporate who authorises, permits or acquiesces in the commission of the offence also commits an offence, whether or not the body corporate is prosecuted for the offence.

(6) In a prosecution for an offence under this Act, it is sufficient proof of the offence to establish that it was committed by an employee, officer, director or agent of the defendant, whether or not the employee, officer, director or agent is identified or has been prosecuted for the offence.

(7) **Subsection (6)** does not apply if the defendant establishes that the defendant exercised due diligence to prevent the commission of the offence.

Defence of due diligence.

**78.**— (1) In proceedings for an offence under this Act, other than an offence under **section 65(2)**, it is a defence for the accused to prove both of the following:

(a) commission of the offence was due to a mistake or the reliance on information supplied to the accused or to the act or default of another person, an accident or some other cause beyond the accused’s control;

(b) the accused exercised due diligence and took all reasonable precautions to avoid commission of the offence.

(2) If the defence provided by **subsection (1)** involves the allegation that the commission of the offence was due to reliance on information supplied by another person or to the act or default of another person, the accused shall not, without leave of the court, be entitled to rely on that defence unless, not less than 7 working days before the hearing, the accused has served on the prosecutor written notice providing information identifying or assisting in the identification of that other person.

Fines and penalties.

**79.**— (1) A person guilty of an offence under this Act (other than an offence under **section 65(2)**) is liable on summary conviction to the following fines and penalties:

(a) on a first summary conviction for any such offence, to a fine not exceeding €3,000 or imprisonment for a term not exceeding 6 months or both;

(b) on any subsequent summary conviction for the same offence or any other offence under this Act (other than an offence under **section 65(2)**), to a fine not exceeding €5,000 or imprisonment for a term not exceeding 12 months or both.

(2) If, after being convicted of an offence, the person referred to in **subsection (1)** continues to contravene the requirement or prohibition to which the offence relates, the person is guilty of a further offence on each day that the contravention continues and for each such offence is liable on summary conviction to a fine not exceeding €500.

(3) A person guilty of an offence under this Act (other than an offence under any of the excluded sections) is liable on conviction on indictment to the following fines and penalties:
(a) on a first conviction on indictment for any such offence, to a fine not exceeding €60,000 or imprisonment for a term not exceeding 18 months or both;

(b) on any subsequent conviction on indictment for the same offence or any other offence under this Act (other than an offence under any of the excluded sections), to a fine not exceeding €100,000 or imprisonment for a term not exceeding 24 months or both.

(4) In subsection (3) “excluded sections” means sections 30(11), (12) and (15), 32(3), 48(5), 49(3), 51(1) and (2), 58, 59(3), 60(2), 65(2), 69(4), 75(11) and 101(5).

(5) If, after being convicted of an offence, the person referred to in subsection (3) continues to contravene the requirement or prohibition to which the offence relates, the person is guilty of a further offence on each day that the contravention continues and for each such offence is liable—

(a) on summary conviction, to a fine not exceeding €500, and

(b) on conviction on indictment, to a fine not exceeding €10,000.

(6) A person guilty of an offence under section 65(2) is liable on conviction on indictment to a fine not exceeding €150,000 or imprisonment for a term not exceeding 5 years or both.

(7) If, after being convicted of an offence under section 65(2), a person continues to contravene section 65(1), the person is guilty of a further offence on each day that the contravention continues and for each such offence is liable on conviction on indictment to a fine not exceeding €10,000.

(8) In considering an appropriate penalty under this section for a trader convicted of an offence under section 47, 51(2) or 56, the court may take into consideration any advertisement published by or on behalf of the trader containing corrective statements to remedy the prohibited act or practice in respect of which the trader is conviected.

(9) Section 13 of the Criminal Procedure Act 1967 applies in relation to an offence under this Act except that the following range of fines and penalties are to be substituted for those provided in section 13(3)(a) of the Criminal Procedure Act 1967:

(a) if it is a first conviction for an offence under this Act, the accused is liable to a fine not exceeding €3,000 or imprisonment for a term not exceeding 6 months or both;

(b) if it is not a first conviction for an offence under this Act, the accused is liable to a fine not exceeding €5,000 or imprisonment for a term not exceeding 12 months or both.

80.— (1) On convicting a person of an offence under this Act, the court shall, unless satisfied that there are special and substantial reasons for not so doing, order the person to pay to the Agency the costs and expenses, measured by the court, incurred by the Agency in relation to the investigation, detection and prosecution of the offence.

(2) An order for costs and expenses under subsection (1) is in addition to and not instead of any fine or penalty the court may impose.

81.— (1) If a trader is convicted of an offence under this Act (other than an offence under section 65(2)), the Agency may, on behalf of an aggrieved consumer who consents to the application, apply to the court for an order (a “compensation order”) requiring the trader (the “trader concerned”) to pay an amount of money the court
consider appropriate compensation in respect of any loss or damage to that consumer resulting from that offence.

(2) A compensation order may be instead of or in addition to any fine or penalty the court may impose on the trader concerned.

(3) The compensation payable under a compensation order—

(a) shall be of such amount as the court considers appropriate (though not exceeding the amount set by law as the limit of the court’s jurisdiction in tort), having regard to any evidence and to any submissions made by or on behalf of the trader concerned, the aggrieved consumer, the Agency or the prosecutor, and

(b) shall not exceed the amount of the damages that, in the opinion of the court, the aggrieved consumer would be entitled to recover in an action under section 74 (respecting a consumer’s right of action for damages) in respect of the same prohibited act or practice.

(4) An application shall not be made under subsection (1) if the aggrieved consumer has brought an action under section 74 against the trader concerned and the action is in respect of the same prohibited act or practice for which the trader concerned is convicted.

(5) If the amount of compensation payable under a compensation order is paid to the aggrieved consumer under this section and the consumer subsequently commences an action under section 74 and is awarded damages by the court in respect of the same prohibited act or practice, the compensation order is deemed to be in satisfaction of so much of the awarded damages as is equal to the first-mentioned amount.

(6) If the trader concerned does not comply with a compensation order—

(a) within the time ordered by the court, or

(b) within 30 days after the order is made, if no time is specified in the order,

the aggrieved consumer may enter judgment in the District Court or, as appropriate, the Circuit Court by filing the order with that court in the District Court district or, as appropriate, the circuit where the conviction was entered.

(7) A judgment entered in the District Court or the Circuit Court under subsection (6) is enforceable against the trader concerned in the same manner as if it were a judgment rendered in that court in civil proceedings.

82.—(1) This section applies to a person—

(a) convicted of an offence under section 47 (respecting misleading commercial practices), 56 (respecting prohibited commercial practices) or 65(2) (respecting pyramid promotional schemes), or

(b) convicted of such an offence pursuant to section 70(1) (respecting offences of traders due to act or default of another person).

(2) On conviction of the person to whom this section applies and on application of the Agency, the court may, in addition to any fine or penalty imposed, order the person to publish, at the person’s expense and in any manner the court considers appropriate, the facts relating to the commission of the offence and a corrective statement in respect of those facts.

(3) The court may, based on the submissions of the Agency in the application and as the court considers appropriate, specify the form and content of the corrective statement or give any directions in respect of the publication of that statement.
Summary trial of persons indicted.

83.— (1) [If a person is charged with an offence under section 65(2) of this Act], the District Court may try the person summarily if—

(a) the court is of opinion that the facts proved or alleged constitute a minor offence fit to be tried summarily,

(b) the accused, on being informed by the court of his or her right to be tried with a jury, does not object to being tried summarily, and

(c) the Director of Public Prosecutions consents to the accused being tried summarily for the offence.

(2) On conviction by the court for an offence under section 65(2) that is tried summarily under subsection (1), the following apply:

(a) the accused is liable to the following fines and penalties:

(i) if it is a first conviction for an offence under this Act, to a fine not exceeding €3,000 or imprisonment for a term not exceeding 6 months or both;

(ii) if it is not a first conviction for an offence under this Act, to a fine not exceeding €5,000 or imprisonment for a term not exceeding 12 months or both;

(b) section 80 (respecting liability for costs and expenses of proceedings and investigation);

(c) section 82 (publication of a corrective statement).

(3) However, if after conviction referred to in subsection (2), the accused continues to contravene section 65(1), the accused is guilty of a further offence on each day that the contravention continues and for each such offence is liable—

(a) on summary conviction, to a fine not exceeding €500, and

(b) on conviction on indictment, to a fine not exceeding €10,000.

(4) [...]
Regulation 5(3), 7(8), 8(5), 9(4), 10(10), 11(6), 12(5), 19(7), 25(4), 26(5) or 27(4) of the European Union (Consumer Information, Cancellation and Other Rights) Regulations 2013 (S.I. No. 484 of 2013);]

(e) section 66B(2).

(2) An authorised officer who has reasonable grounds for believing that a person is committing, or has committed, a relevant offence may serve, personally or by post, the notice referred to in subsection (3) on the person.

(3) The notice (“fixed payment notice”) shall be in the prescribed form and state—

(a) that the person on whom it is served is alleged to have committed the relevant offence concerned,

(b) when and where it is alleged to have been committed,

(c) that a prosecution for it will not be instituted if, during the period of 28 days beginning on the date of the notice, the person pays the amount of €300 to the Agency (at the address stated in the notice) and submits the original or a copy of the fixed payment notice together with that payment, and

(d) that in default of such payment, the person will be prosecuted for the alleged relevant offence.

(4) A payment referred to in subsection (3) shall be accompanied by the original or a copy of the fixed payment notice concerned.

(5) If a fixed payment notice is served on a person—

(a) the person may make a payment in accordance with subsection (3)(c),

(b) the Agency shall receive and retain the payment (subject to subsection (7)) and issue a receipt for it,

(c) any payment received shall not be recoverable by the person who made it, and

(d) a prosecution in respect of the alleged relevant offence to which the notice relates shall not be instituted during the period specified in subsection (3)(c) or, if a payment is made in accordance with subsections (3)(c) and (4), at all.

(6) In proceedings against a person for a relevant offence it shall be presumed, until the contrary is shown, that the person did not make payment in accordance with subsections (3)(c) and (4).

(7) Payments received by the Agency under this section shall be paid into or disposed of for the benefit of the Exchequer in such manner as the Minister for Finance directs.

Chapter 6

PART 6

MISCELLANEOUS

87.—(1) A person who, apart from this section, would be so liable shall not be liable in damages in respect of the communication, whether in writing or otherwise, by the person to the Agency of the person’s opinion that—

(a) an offence under any of the relevant statutory provisions has been or is being committed, or

(b) any of the relevant provisions that prohibits a person from doing a particular thing or things has not been or is not being complied with,

unless it is proved that the person has not acted reasonably [...] in forming that opinion and communicating it to the Agency.

(2) The reference in subsection (1) to liability in damages shall be construed as including a reference to liability to be the subject of an order providing for any other form of relief.

[(2A) Subsection (1) does not apply to a communication that is a protected disclosure within the meaning of the Protected Disclosures Act 2014.]

(3) An employer shall not penalise an employee for having formed an opinion of the kind referred to in subsection (1) and communicated it, whether in writing or otherwise, to the Agency if the employee has acted reasonably [...] in forming that opinion and communicating it to the Agency.

[(3A) Subsection (3) does not apply to a communication that is a protected disclosure within the meaning of the Protected Disclosures Act 2014.]

(4) Schedule 6 shall have effect for the purposes of subsection (3).

(5) A person who states to the Agency that a person—

(a) has committed or is committing an offence under any of the relevant statutory provisions, or

(b) has failed or is failing to comply with any of the relevant statutory provisions,

knowing that statement to be false commits an offence and is liable on conviction on indictment or on summary conviction, as the case may be, to the fines and penalties provided in Chapter 4 of Part 5.

[(5A) Subsection (5) does not apply to the making of a statement that is a protected disclosure within the meaning of the Protected Disclosures Act 2014.]

(6) Subsection (1) is in addition to, and not in substitution for, any privilege or defence available in legal proceedings, by virtue of any enactment or rule of law in force immediately before the commencement of this section, in respect of the communication by a person to another (whether that other person is the Agency or not) of an opinion of the kind referred to in paragraph (a) or (b) of subsection (1).
88.— (1) Subject to this section, a person representing one or more traders may submit a code of practice to the Agency for its review or approval.

(2) The code of practice shall be submitted in the form and manner specified by the Agency.

(3) The person submitting a code of practice for approval under this section shall provide the Agency with any information the Agency considers necessary or appropriate for the purposes of subsection (4).

(4) If satisfied that the code of practice protects consumer interests and is not inconsistent with this Act or any other enactment, the Agency may approve the code of practice.

(5) A code of practice approved by the Agency may not be amended without approval of the proposed amendments by the Agency and, for this purpose, subsections (3) and (4) apply with the necessary modifications.

(6) The approval by the Agency of a code of practice or any amendments to such code shall be in writing.

(7) The Agency may withdraw any approval under this section if the Agency is of the opinion that, in the implementation or operation of all or part of an approved code of practice or amendment to it, such code, part or amendment fails to protect consumer interests or is in any manner inconsistent with this Act or any other enactment.

(8) If—

(a) it is alleged that a trader who is a signatory to a code of practice with the approval of the Agency under this section has contravened this Act or a complaint is made to the Agency in relation to a commercial practice of that trader, and

(b) the approved code of practice referred to in paragraph (a) provides for procedures or a means of handling or considering such contraventions or complaints,

then the Agency may defer consideration of the complaint or the court may defer hearing an application for a prohibition order under section 71 (respecting prohibition orders) or an action for damages under section 74 (respecting a consumer’s right of action for damages) until the means or procedures referred to in paragraph (b) have been exhausted.

89.— In any proceedings before a court, a code of practice (whether approved under section 88 or not) is admissible in evidence and, if any provision of the code is relevant to a question arising in those proceedings, the provision may be taken into account in determining that question.

90.— (1) Subject to this section, the Agency may prepare, issue and publish guidelines applicable to traders, or persons representing traders, concerning any of the following:

(a) a matter of consumer welfare or protection;

(b) a matter of practical guidance to traders in relation to commercial practices, whether generally or in a particular trade, business or professional sector;
