AN ACT, IN THE PUBLIC INTEREST, TO PROVIDE FOR THE REDUCTION OF THE AMOUNT OF THE PAYMENT OF PENSION OR OTHER BENEFITS (OTHER THAN LUMP SUMS) PAYABLE TO OR IN RESPECT OF CERTAIN PERSONS WHO ARE OR WERE IN THE PUBLIC SERVICE (INCLUDING FORMER HOLDERS OF CERTAIN OFFICES, MEMBERS AND FORMER MEMBERS OF THE HOUSES OF THE OIREACHTAS AND FORMER MEMBERS OF THE JUDICIARY) UNDER AN OCCUPATIONAL PENSION SCHEME OR PENSION ARRANGEMENT (BY WHATEVER NAME CALLED) WHICH IS PROVIDED FOR UNDER THE SUPERANNUATION ACTS 1834 TO 1963 OR ANY OTHER ENACTMENT OR ADMINISTRATIVE MEASURE TO LIKE EFFECT, OR IS REQUIRED TO BE MADE, APPROVED OF OR CONSENTED TO (HOWEVER EXPRESSED) BY ONE OR MORE THAN ONE MINISTER OF THE GOVERNMENT; TO AMEND THE FINANCIAL EMERGENCY MEASURES IN THE PUBLIC INTEREST (NO. 2) ACT 2009 AND THE NATIONAL MINIMUM WAGE ACT 2000; AND TO PROVIDE FOR RELATED MATTERS.

WHEREAS a serious disturbance in the economy and a decline in the economic circumstances of the State have occurred and are continuing, which threaten the well-being of the community;

AND WHEREAS as a consequence a serious deterioration in the revenues of the State has occurred and there are significant and increasing State commitments in respect of public service pensions;

AND WHEREAS it is necessary to cut current Exchequer spending substantially to demonstrate that public expenditure is being significantly controlled so as to ensure access to international funding and to improve the State’s international competitiveness;

AND WHEREAS the State is availing of financial assistance programmes provided by the European Financial Stabilisation Mechanism and the European Financial Stability Facility and the International Monetary Fund and it is necessary to take the measures in this Act as part of a range of measures provided for in those programmes to address the economic crisis in the State and to restore domestic and international confidence and to prevent a sovereign debt crisis affecting the State;

AND WHEREAS the expenditure on public service pensions is unsustainable and it is necessary to make reductions in payment to ensure that the State has sufficient resources to discharge its commitments and to enable it to provide public services;
AND WHEREAS the burden of a pension-related deduction and a reduction of remuneration has been borne by public servants and it is equitable that public service pensioners should share that burden;

(3) If—

(a) two or more public service pensions are payable to a person, and

(b) the annualised amount of all such pensions payable in accordance with the person’s entitlements exceeds €32,500,

all such pensions shall be aggregated for the purposes of the application of subsections (1) and (2).

(4) (a) Where the application to a pensioner of subsection (2) would result in the annualised amount of his or her public service pension being lower than would be the case if he or she had been on a pension specified in subsection (1) and that subsection applied to him or her, then subsection (2) shall be deemed to operate, in relation to that pensioner, in such a manner and by reference to the provisions of subsection (1) (the “relevant provisions”), as will result in his or her pension standing at the highest it would have stood at, as a result of that operation of subsection (2) by reference to the relevant provisions, had he or she been on whichever lower amount of pension
produces the most beneficial result for him or her in consequence of the relevant provisions.

(b) In this subsection a reference to a subsection or to the provisions of a subsection includes a reference to the Tables in that subsection.

(5) Where a pension adjustment order has been made in relation to a public service pension, the annualised amount of the public service pension shall be reduced under this section before it is paid in accordance with the provisions of the pension adjustment order.

(6) This section has effect notwithstanding—

(a) any provision by or under—

(i) any other enactment,

(ii) any statute or other document to like effect of a university or other third level institution,

(iii) any pension scheme or arrangement,

(iv) any circular or instrument or other document, or

(v) any written agreement or contractual arrangement, or

(b) any verbal agreement, arrangement or understanding or any expectation.

(7) In this section a reference to the annualised amount of a public service pension payable in accordance with a person’s entitlement is a reference to that entitlement not taking into account any reduction imposed by virtue of the operation of this Act whether as enacted or as amended by the Financial Emergency Measures in the Public Interest Act 2013.

[Persons becoming pensioners after 29 February 2012: reduction in public service pension.

2A. — (1) For the purposes of this section—

(a) the definition of ‘pensioner’ in section 1 shall apply with the modification that references to the relevant date in paragraphs (b) and (c) of the definition shall be read as references to 31 August 2014 or such other date as may be specified in accordance with section 9(1)(b)(iii) of the Financial Emergency Measures in the Public Interest Act 2013;

(b) ‘relevant (post 29 February 2012) pensioner’ means, subject to subsection (2), a person who became a pensioner after 29 February 2012, or becomes such after the passing of the Financial Emergency Measures in the Public Interest Act 2013, but no later than 31 August 2014 or such other date as may be specified in accordance with section 9(1)(b)(ii) of the Financial Emergency Measures in the Public Interest Act 2013 and the annual pension of whom (in either case) exceeds €32,500.

(2) In subsection (1)(b) the words ‘but no later than 31 August 2014 or such other date as may be specified in accordance with section 9(1)(b)(ii) of the Financial Emergency Measures in the Public Interest Act 2013’ shall be disregarded in the case of a pensioner falling under paragraph (c) of the definition in section 1 of ‘pensioner’, as that definition applies by virtue of subsection (1)(a).

[(3) The annualised amount of a public service pension payable in accordance with his or her entitlement to a person who is a relevant (post 29 February 2012) pensioner shall be reduced—

(a) with effect on and from 1 January 2016 and subject to paragraphs (b) and (c), in accordance with Table A to this subsection,
(b) with effect on and from 1 January 2017 and subject to paragraph (c), in accordance with Table B to this subsection, and

(4) Where the application to a pensioner of subsection (3) [and the appropriate Table] in that subsection would result in the annualised amount of his or her public service pension being reduced to less than €32,500, then that subsection and Table shall only operate to reduce the annualised amount of his or her public service pension to €32,500.

(5) If two or more public service pensions, the annual amount of which, taken together, exceeds €32,500, are payable to a pensioner, all such pensions shall be aggregated for the purposes of applying subsection (3) in relation to the pensioner.

(6) Where a pension adjustment order has been made in relation to a public service pension, the annualised amount of the public service pension shall be reduced under this section before it is paid in accordance with the provisions of the pension adjustment.

(7) This section has effect notwithstanding—

(a) any provision by or under—

(i) any other enactment,

(ii) any statute or other document to like effect of a university or other third level institution,

(iii) any pension scheme or arrangement,

(iv) any circular or instrument or other document,
(v) any written agreement or contractual arrangement,

or

(b) any verbal agreement, arrangement or understanding or any expectation.]

[3.— Nothing in section 2 or 2A shall affect the calculation of any public service pension entitlement (including an entitlement to a lump sum and an entitlement to periodic payments of pension or other benefits) of a person who—

(a) in the case of section 2, is a pensioner or becomes a pensioner on or at any time before the relevant date or, in the case of a pensioner falling under paragraph (c) of the definition of “pensioner” in section 1, at any time after that date; and

(b) in the case of section 2A, falls within the definition of ‘relevant (post 29 February 2012) pensioner’ in that section.]

Obligation on paying authorities to make payments.

4.—(1) Without prejudice to subsection (2), reductions of public service pensions under section 2 [or 2A] shall be paid or disposed of as the Minister may direct and, in particular, the Minister may, for the purposes of the aggregation of public service pensions, direct a paying authority—

(a) to reduce the annualised amount of a public service pension payable by the paying authority to a pensioner by the total amount of the reduction that applies in relation to the pensioner under section 2 [or 2A] in respect of all public service pensions payable to him or her, or

(b) not to reduce the annualised amount of a public service pension payable by the paying authority to a pensioner in accordance with section 2 [or 2A].]

(2) Where the amount of any reduction in a public service pension under section 2 [or 2A] has not been duly paid or disposed of in accordance with a direction of the Minister under subsection (1), the Minister may recover the amount from the paying authority concerned as a simple contract debt in any court of competent jurisdiction.

(3) If a paying authority, having failed or refused to pay or dispose of reductions of public service pensions under section 2 [or 2A] in accordance with a direction of the Minister under subsection (1), does not do so within 28 days after the service by post by the Minister of a notice on the authority requiring it to do so, the High Court may, on an application made to the Court by the Minister, make an order directing the authority to remit the reductions to the Minister within such time as may be specified in the order.

(4) An order of the High Court under subsection (3) may contain such terms and conditions (if any) as to the payment of costs as the Court considers appropriate.

No power to pay public service pension other than in accordance with section 2.

5.— (1) Where the amount of a public service pension is reduced by section 2 [or 2A]—

(a) a pensioner is not entitled to receive an amount of public service pension greater than the amount so reduced, and

(b) [subject to a direction given by the Minister under section 4(1) for the purposes of the aggregation of public service pensions,] no paying authority is entitled to pay an amount of public service pension to the pensioner greater than the amount so reduced.

(2) [Subject to a direction given by the Minister under section 4(1) for the purposes of the aggregation of public service pensions, if a paying authority pays to a
pensioner] an amount of public service pension greater than the amount reduced under section 2 [or 2A], then—

(a) the pensioner shall have no legal entitlement to the overpayment, and

(b) the paying authority shall recover the amount of the overpayment from the pensioner, either directly or by a deduction taken from the public service pension subsequently payable to that pensioner or otherwise.

(3) Subsection (2) shall not be taken as limiting the liability under statute of any person to account for such overpayment.

(4) Where an overpayment of an amount to which subsection (2) relates has not been recovered by the paying authority concerned, the Minister may direct in writing that authority to recover, by a specified date, the amount in accordance with subsection (2)(b) and, where that authority fails or refuses to so recover the amount, the Minister may deduct the amount from any grant or vote, or other payment, to that authority out of moneys provided directly or indirectly by the Oireachtas or from the Central Fund or the growing produce of that Fund.

6. Where the Minister is satisfied that exceptional circumstances exist (because of some particular aspect or condition relating to the public service pension or the public service pension scheme concerned, including the funding of that pension or scheme) in respect of a particular class or group of pensioners and those circumstances materially distinguish that class or group from other classes or groups of pensioners to which section 2 [or 2A] applies, then, the Minister, if he or she considers it to be just and equitable in all the circumstances to do so, may by direction—

(a) exempt that class or group from the operation of section 2, either entirely or to such extent as the Minister considers appropriate, or

(b) modify the operation of section 2 [or 2A] to reduce their public service pensions in such manner as the Minister thinks fit, having regard to the nature and degree of the financial burden that would otherwise be borne by that class or group,

and this Act, and any regulations made under this Act, shall be read subject to any such direction.

6A. (1) A pensioner shall, in relation to himself or herself, provide to a paying authority such information as is necessary for the purposes of the aggregation of public service pensions in relation to that pensioner.
