(7) If default is made by an awarding body in complying with subsection (6), then unless the Authority determines that the period for the payment of the fee concerned ought to be extended (and extends the period accordingly and the fee is paid to it within that extended period), the award of the awarding body shall, from such date as the Authority specifies, not be regarded, for the purposes of this Act, as an award that is included within the Framework.

(8) Where, under subsection (7), an award ceases to be regarded, for the purposes of this Act, as an award that is included within the Framework, subsection (2) of section 55I shall apply as it applies in the case of subsection (1) of that section but with the substitution of references to the making of default in compliance (by the awarding body) with subsection (6) of this section for references to the deletion of the awarding body’s name from the list of awarding bodies.]
(1) As soon as practicable after the operative date, the Authority shall establish policies and criteria to which regard shall be had by the Authority in making—

(a) a decision under section 55C(5), and

(b) a decision under section 55D.

(2) The Authority shall publish the policies and criteria established under subsection (1) in such form and manner as it thinks appropriate (including on the internet).

(3) The reference in subsection (1) to policies and criteria, so far as that subsection relates to a decision under section 55C(5), shall be deemed to include a reference to minimum requirements, that is to say requirements that must first be fulfilled before the Authority may make a decision under section 55C(5) that the relevant awarding body is an appropriate body, with reference to a particular award, to make such an award.

(4) A requirement of the kind referred to in subsection (3) may include a requirement that the making of an application, under section 55C(4)(a), by an awarding body has been endorsed by a public authority of such class as is specified by the Authority in the requirement, and, for the purposes of this subsection, ‘public authority’ includes the Minister, any other Minister of the Government, An Túdarás um Ard-Oideachas, Solas, a professional recognition body and a designated awarding body.

(5) The Authority may establish different policies and criteria under subsection (1)(b) in respect of different awards.

(6) Subsection (7) applies so far as the number of awards that, for the time being, stand included within the Framework is attributable to the policies and criteria established under subsection (1)(b).

(7) The Authority shall, in establishing policies and criteria under subsection (1)(b), have regard to the need to ensure:

(a) that the number of awards included within the Framework provides a reasonable level of choice for learners; and

(b) that the number of awards included within the Framework that are awards with similar learning outcomes is not excessive.

(8) In addition to what is provided in subsection (7), the Authority shall, in establishing policies and criteria under subsection (1)(b), have regard to:

(a) the reasonable requirements of learners;

(b) the reasonable requirements of industry, agriculture, business, tourism and trade, the professions and the public service;

(c) the extent to which present and past awards in the State serve or served their educational purpose and the needs of the economy;

(ii) bodies that regulate one or more professions; and
(e) such aspects of Government policy as the Minister may specify for the purposes of this paragraph.

(9) The Authority may consult with another public body, including a public body that is established outside the State, where it considers that it is appropriate to do so for the efficient and effective operation of policies and criteria established under subsection (1).

(10) The Authority shall, within 5 years after the establishment of policies and criteria under subsection (1) and at least once in every period of 5 years thereafter, review those policies and criteria.

F46 S. 55F. (1) In this section ‘associated provider’ means a provider, having a place of business in the State, that enters into an arrangement with a listed awarding body under which arrangement the provider provides a programme of education and training that satisfies all of the prerequisites for an award of the listed awarding body that is included within the Framework.

(2) A listed awarding body shall establish procedures for the quality assurance of its awards and for the external quality assurance of providers who, in relation to it, are associated providers.

(3) The Authority may give one, or more than one, direction to a listed awarding body requiring the body to impose on a provider, who, in relation to the listed awarding body, is an associated provider, obligations to which subsection (4) applies, and obligations, so imposed, shall be complied with by the provider accordingly.

(4) This subsection applies to obligations (which shall be specified in the direction concerned under subsection (3))—

(a) the imposition of which, in the opinion of the Authority, is necessary or expedient, and

(b) that are to apply to, or in respect of, the provider’s activities as an associated provider in relation to the awarding body.

(5) Without prejudice to the generality of subsection (4), the obligations to which that subsection applies include obligations with respect to the employment of—

(a) procedures for access, transfer and progression of learners,

(b) procedures for quality assurance, and

(c) procedures, which are fair and consistent, for the assessment of enrolled learners to ensure the standards of knowledge, skill or competence determined by the awarding body concerned (before awards that are included within the Framework are made by that body) are acquired and, where appropriate, demonstrated, by enrolled learners.

(6) For the purposes of the compliance by an associated provider with the obligation referred to in paragraph (a) of subsection (5) to employ the procedures referred to in that paragraph, the associated provider shall have regard to the policies and criteria established by the Authority under subsection (1) of section 56 if that subsection would otherwise not apply.

(a) co-operate with the Authority in the performance of the Authority’s functions in so far as those functions relate to the inclusion of awards within the Framework,

(b) monitor compliance by an associated provider, on whom it has imposed obligations pursuant to a direction under subsection (3), with those obligations,

(c) review from time to time, and not less than once every 5 years, or at any time upon the request of the Authority, compliance by such an associated provider with the foregoing obligations,

(d) if such an associated provider has failed in a material respect to comply with any of the foregoing obligations, discontinue (after having afforded the provider a reasonable opportunity to make representations in writing that the grounds for such discontinuance do not exist in the particular case) any arrangement that exists between it and the associated provider under which arrangement the provider provides a programme referred to in subsection (1),

(e) provide to the Authority such information as the Authority may from time to time require for purposes of the performance of its functions in relation to awards included within the Framework, and

(f) comply with any condition that the Authority imposes, by notice in writing given to the body, on the awarding body concerned, being a condition the imposition of which the Authority considers to be necessary or expedient so as to maintain the integrity and standing of the Framework.

(8) Without prejudice to the generality of paragraph (e) of subsection (7), the information that the Authority may require to be provided under that paragraph includes—

(iii) the fulfilment by the listed awarding body of its duties under section 55F(7)(b) and (c).

(2) The Authority shall establish and publish in such form and manner as it thinks appropriate (including on the internet) procedures and criteria for conducting reviews under subsection (1).

(3) A listed awarding body subject to review under subsection (1) shall pay to the Authority within one month of the completion of the review such fee (if any) as may be determined by the Authority under section 80.

(4) In conducting a review under subsection (1), the Authority may have regard to any other review conducted under this Act.

(5) The Authority shall prepare a report setting out the results of a review conducted under subsection (1).

(6) The Authority shall provide a copy of the report under subsection (5) to the awarding body concerned and, in providing the report to it, the Authority shall state to the awarding body that it may, within one month from the provision of the report to it, submit observations in writing to the Authority in relation to the report, and the awarding body may submit such observations accordingly.

(7) After consideration of any observations submitted to it in accordance with subsection (6), the Authority may make any amendments to the report that the Authority considers appropriate. If such amendments are made to it, a copy of the report, as so amended, shall be provided by the Authority to the awarding body concerned.

(8) The Authority shall publish the report prepared under subsection (5), or, if it has been amended under subsection (7), the report as amended under the latter subsection, in such form and manner as the Authority thinks appropriate (including on the internet).

(9) Where, following a review under this section, the Authority gives a notice under section 55H(4) to the awarding body concerned, then subsections (6), (7) and (8) shall not apply in that particular case.

(10) Where—
(a) a listed awarding body is a body established under the law of a state, other than the State, and
(b) apart from the provision made by this Act for the Authority to exercise powers in relation to it, that awarding body is subject to regulation or quality assurance by an agency established outside the State,

the Authority may, for the purpose of conducting a review under subsection (1) in respect of that awarding body, cooperate with that agency.

Amendments:

F48 Inserted by Qualifications and Quality Assurance (Education and Training) (Amendment) Act 2019 (32/2019), s. 23, not commenced as of date of revision.
(1) Where, following a review under section 55G in respect of a listed awarding body, the Authority is of the opinion that, on any of the grounds specified in subsection (3), either—

(a) it is no longer appropriate that the awarding body’s name stand included in the list of awarding bodies with reference (as the Authority considers appropriate) either—

(i) to each of the one or more awards as respects which the body’s name had been included in that list (a ‘whole deletion’), or

(ii) to such one or more (as the Authority specifies), but not all, of those awards (a ‘partial deletion’),

or

(b) the conditions for the time being imposed on the awarding body under section 55F(7)(f) ought to be varied,

then, subject to the provisions of this section, the powers specified in subsection (2) may be exercised by the Authority.

(2) The powers referred to in subsection (1) are—

(a) to delete from the list of awarding bodies the name, whether by way of a whole deletion or, as the Authority considers appropriate, by way of a partial deletion, of the awarding body concerned, or

(b) to vary the conditions for the time being imposed on the awarding body concerned under section 55F(7)(f).

(3) The grounds referred to in subsection (1) are—

(a) having regard to the policies and criteria established under section 55E(1)(a), it is appropriate that the name of the awarding body concerned no longer stand included, whether by way of a whole deletion or by way of a partial deletion, in the list of awarding bodies or that, as respects the conditions for the time being imposed on the awarding body concerned under section 55F(7)(f), those conditions ought to be varied,

(b) the awarding body concerned has failed to comply with one or more of the conditions imposed on it under section 55F(7)(f), or

(c) other circumstances exist in respect of the awarding body concerned that the Authority considers provide a reasonable justification for the exercise by it of either of the powers specified in subsection (2) in relation to that body,

and this section shall be construed so that the existence of the ground specified in paragraph (b), as with that specified in paragraph (a) or (c), enables the exercise by the Authority of either of the powers specified in subsection (2) in relation to the body concerned.

(4) If the Authority proposes to exercise either of the powers specified in subsection (2) in relation to a listed awarding body, the Authority shall, by notice in writing, inform the awarding body that the Authority proposes to delete from the list of awarding bodies its name, whether by way of a whole deletion or by way of a partial deletion and, in the case of the latter, specifying the awards to which it is proposed the deletion will apply, or, as the case may be, to vary, in specified respects, the conditions that stand imposed on it under section 55F(7)(f), and the notice shall state the reasons for the proposed course of action and be accompanied by a copy of the report prepared under section 55G(5).

(5) A notice under subsection (4) shall state that the awarding body may submit observations in writing to the Authority in relation to the proposed course of action specified in the notice or in relation to the report that accompanies the notice, not later than one month from the service of the notice on the awarding body, and the awarding body may submit such observations accordingly.

(6) Where after consideration of any observations submitted to it in accordance with subsection (5) —

(a) the Authority is still of the opinion referred to in subsection (1)(a) or (b), it may, by notice in writing addressed to the awarding body—
(i) delete from the list of awarding bodies the awarding body’s name, whether by way of a whole deletion or, as the case may be, by way of a partial deletion (being the partial deletion as notified to that body under subsection (4)), or

(ii) vary, in particular respects, the conditions that stand imposed on the awarding body under section 55F(7)(f).

or

(b) in a case in which the original opinion was that referred to in subsection (1)(a) and the Authority is now of the opinion that the awarding body’s name should be deleted from the list of awarding bodies by way of—

(i) a partial deletion (rather than by way of a whole deletion), or

(ii) a partial deletion as respects a lesser number of awards than had been notified to that body under subsection (4),

it may, by notice in writing addressed to the awarding body, delete from that list the body’s name by way of a partial deletion consonant with what is described in subparagraph (i) or, as the case may be, subparagraph (ii), and that deletion (of whatever kind) or variation shall be expressed to take effect from such date (not being earlier than the date of service of the notice) as the Authority considers appropriate and specifies in the notice.

(7) A notice under subsection (6) shall state the reasons for the deletion or variation referred to in that subsection.

(8) After consideration of any observations submitted to it in accordance with subsection (5), the Authority may make any amendments to the report prepared under section 55G(5) that the Authority considers appropriate. If such amendments are made to it, a copy of the report, as so amended, shall be provided by the Authority to the awarding body concerned.

(9) The Authority shall publish the report prepared under section 55G(5), or, if it has been amended under subsection (8), the report as amended under that subsection, in such form and manner as the Authority thinks appropriate (including on the internet).

(10) The awarding body concerned may appeal to the Appeals Board against the deletion, under this section, of its name (whether by way of a whole deletion or by way of a partial deletion) from the list of awarding bodies or the variation, under this section, of the conditions that stand imposed on it under section 55F(7)(f).]
(2) If the name of the awarding body concerned has been deleted, under subsection (6) of section 55H, by way of what is referred to in that subsection (in whatever provision of it) as a ‘partial deletion’, then subsection (1) shall not have effect in relation to any award as respects which that partial deletion does not apply.

(3) Without prejudice to subsection (2), if an award is made by an awarding body, after the deletion of its name as referred to in subsection (1), to a person whose enrolment on the programme of education and training that led to the making of the award occurred before the foregoing deletion, then that award, with respect to that person, shall be regarded, for the purposes of this Act, as an award that is included within the Framework.

(5) Upon consideration of the proposed procedures submitted to it under subsection (4), the Authority shall—

(a) approve the proposed procedures, or

(b) refuse to approve the proposed procedures but make such recommendations to the provider as it thinks appropriate.

(6) Where the Authority approves procedures under subsection (5)(a), the provider concerned shall publish those procedures in such form and manner (including on the internet) as the Authority directs and shall furnish a copy of the procedures as published to the Authority, and a linked provider shall also furnish a copy to the relevant designated awarding body.

(7) Where the Authority makes recommendations under subsection (5)(b) the provider concerned shall take account of those recommendations before resubmitting the proposed procedures for approval under subsection (4).

(8) No further fee shall be payable where a provider resubmits proposed procedures in accordance with subsection (7).

(9) A provider shall implement procedures approved by the Authority under subsection (5)(a).

(10) A previously established university shall consult with the Authority before establishing procedures under subsection (2).

(11) A previously established university shall provide a copy of the procedures established by it under subsection (2) to the Authority and shall publish those procedures as soon as practicable thereafter.

(12) The Authority shall facilitate and advise previously established universities in implementing the procedures established under subsection (2).

(14) After the coming into operation of section 53, and until the Authority establishes procedures and criteria for the determination of a request for delegation of authority to make an education and training award, then—

(a) procedures agreed under section 19(4) and criteria determined under section 19(3) of the Act of 1999 shall apply to a request by a provider specified in paragraph (b), (c) or (d) of section 52(2), and
