[44] Instruments enabled by Industrial Research and Standards (Amendment) Act 1954 (11/1954), s. 2 and Industrial Research and Standards Act 1946 (25/1946), s. 20(3) were continued by Industrial Research and Standards Act (20/1961), s. 20: (6) The specifications declared by orders made under section 20 of the Act of 1946 or under section 2 of the Act of 1954 which were in force immediately before the commencement of this Act shall be deemed to have been declared under this section. This section was in turn repealed by National Standards Authority of Ireland Act 1996 (28/1996), s. 4(1), with existing orders continued in similar terms by s. 16: (6) The specifications declared or deemed to have been declared by orders made under section 20 of the Act of 1961 which were in force immediately before the commencement of this Act shall be deemed to have been declared under this section. However, it appears that the standards referenced by these SIs (from 1949 to 1954) have been discontinued, and they should therefore be revoked.
