Amendment of section 31 of Act of 1939.

30.—The Act of 1939 shall have effect as if the following section were substituted for section 31 thereof:—

"31. (1) Whenever the Board registers any premises, the Board shall give, free of charge, a certificate (in this Act referred to as a registration certificate) of such registration to the registered proprietor.

(2) Where the registered proprietor of any registered premises satisfies the Board that the registration certificate for the time being in force in respect of such premises has been accidentally destroyed, the Board may issue to such registered proprietor a new registration certificate in lieu of that so destroyed.

(3) The following provisions shall have effect in respect of every registration certificate, that is to say:—

(a) such certificate shall be in the prescribed form and shall contain a statement of the premises to which it relates, the name of the registered proprietor of such premises, and such other matters as shall be required by the prescribed form;

(b) such certificate shall be signed by an officer of the Board authorised in that behalf by the Board;

(2) If at any time the Board, following an inspection of registered premises by an officer of the Board, is of opinion that such premises have ceased to be eligible for registration, the Board shall cause a second inspection of such premises to be made by an officer of the Board.

(3) If, after a second inspection of premises has been made under this section, the Board remains of opinion that such premises have ceased to be eligible for registration—

(a) the Board shall serve notice upon the registered proprietor that the Board is of opinion that such premises have ceased on stated grounds to be eligible for registration and that the registered proprietor may, within thirty days after service of such notice make written representations to the Board with a view to showing that such premises have not ceased to be eligible for registration;

(b) if during the said thirty days no such written representations are received by the Board, the Board shall cancel the registration;

(c) if during the said thirty days such written representations are received by the Board, the Board shall cause a third inspection of such premises to be made by a different officer of the Board;

(d) if the Board, notwithstanding such third inspection and having considered the written representations received as aforesaid, remains of opinion that such premises have ceased to be eligible for registration, the Board shall cancel the registration;

(e) if the Board, as a result of such third inspection and having considered the written representations received as aforesaid, becomes of opinion that such premises have not ceased to be eligible for registration, the Board shall give notice to that effect to the registered proprietor.
