(6) For the purpose of these Regulations, a pedestrian shall include a person in charge of a vehicle which is not mechanically propelled.

(7) (a) In these Regulations, any reference to an article or Schedule, which is not otherwise identified, is a reference to an article of, or Schedule to, these Regulations.

(b) In these Regulations, any reference to a sub-article, paragraph, or sub-paragraph, which is not otherwise identified, is a reference to the sub-article, paragraph, or sub-paragraph of the provision in which the reference occurs.

F11[(8) In Article 8, other than sub-article (1), and Articles 10, 12, 18, 31 and 48, of these Regulations a reference to a driver shall be construed as including a reference to the driver of a light rail vehicle.]

Non-application
of certain
Prohibitions and
Restrictions

F12[5. (1) These Regulations shall apply save where compliance is not possible as a result of an obstruction to traffic or pedestrians or because of an emergency situation confronting a road user which could not reasonably have been expected or anticipated.

(2) A prohibition or restriction imposed by these Regulations shall not apply to the driver of a fire brigade vehicle or an ambulance or to the use by a member of the Garda Síochána of a vehicle in the performance of the duties of that member, where such use does not thereby endanger the safety of road users.

(3) Save where otherwise expressly provided in these Regulations, a prohibition on the entry of a vehicle to a road or main area or the prohibition on the stopping or parking of a vehicle imposed by these Regulations shall not apply to —

(a) a vehicle being used in connection with the removal of an obstruction to traffic;

F13[(b) a vehicle being used in connection with the carrying out of roadworks or the removal of any spillage, fallen power lines or other hazard from the road;

(c) a vehicle being used by a local authority, the National Roads Authority, or their agents, in connection with the provision or maintenance of a traffic sign or public lighting, the collection of refuse or the sweeping, cleaning or gritting of a public road, footway or cycle track;]

[No. 182.] *Road Traffic (Traffic and Parking)* [1997.]
Regulations 1997

(d) a vehicle being used in connection with the removal of a vehicle pursuant to the provisions of regulations made under section 97 of the Principal Act, as amended by section 3 of the Act of 1968, or regulations made under section 41 of the Act of 1994;

(e) a vehicle being used for the purpose of facilitating the immobilisation of a vehicle or the removal of an immobilisation device from a vehicle pursuant to section 101B of the Principal Act, as inserted by section 9 of the Dublin Transport. Authority (Dissolution) Act, 1987 (No. 34 of 1987):

(f) a vehicle being used by a traffic warden in the performance of the duties of that warden;

F14[(fa) a vehicle being used in connection with the operation of electronic or other apparatus referred to in subsection (1) of section 81 of the Road Traffic Act 2010 (No. 25 of 2010) under an agreement referred to in subsection (7) of that section and which is at a location determined, for the purposes of that section, by a member of the Garda Síochána not below the rank of Superintendent;]

(g) a vehicle which has been damaged or has broken down, during the period necessary to effect repairs to the vehicle or remove it from the location.

F15[(h) a vehicle being used by An Post in connection with the provision of postal services (within the meaning of section 6 of the Communications Regulation (Postal Services) Act 2011 (No. 21 of 2011)).]

(4) A prohibition on the parking of a vehicle imposed by article 36(2)(a) shall not apply to a vehicle parked while goods are being loaded in or on to it or unloaded from it, for a period not exceeding thirty minutes from the commencement of the parking.

(5) A prohibition on the parking of a vehicle imposed by article 36(2)(m) shall not apply to a vehicle parked in a cycle track, on the right hand edge of which traffic sign number RRM 023 has been provided, while goods are being loaded in or on to it or unloaded from it for a period not exceeding thirty minutes from the commencement of such parking.

(6) A restriction on the parking of a vehicle imposed by article 37 shall not apply to

(a) a vehicle to which sub-article (3) applies;

(b) a vehicle parked at the edge of a roadway while a passenger is entering or leaving it; or

(c) a vehicle parked while goods are being loaded in or on to it or unloaded from it, for a period not exceeding thirty minutes from the commencement of the parking.]

Directions of
Garda Síochána

6. (1) A driver of a vehicle or a pedestrian shall comply with a direction given by a member of the Garda Síochána for the purpose of regulating or controlling traffic.

(2) Where a direction given by a member of the Garda Síochána is inconsistent with a provision in these Regulations, the direction shall override that provision.

General
Obligation
Regarding Speed

7. A vehicle shall not be driven at a speed exceeding that which will enable its driver to bring it to a halt within the distance which the driver can see to be clear.

Yielding Right of
Way

8. (1) Save as otherwise indicated by a traffic sign in respect of which an article in these Regulations refers, a vehicle shall yield right of way where a provision of this article applies.

(2) When starting from a stationary position a driver shall yield the right of way to other traffic and pedestrians.

(3) A driver of a vehicle approaching a road junction shall yield the right of way to another vehicle which has commenced to turn or cross at the junction in accordance with these Regulations and to a pedestrian who has commenced to cross at the junction in accordance with these Regulations.

(4) A driver of a vehicle entering a public road from a place which is not a public road shall yield the right of way to all vehicles and pedestrians proceeding in either direction along the public road.

F16[(5) At a junction of 2 roads at which traffic sign number RUS 027 (stop), RUS 026 (yield / Géill Slí), RRM 017 (stop line), RRM 018 (yield line) or any traffic sign indicating which of the roads is the major road has not been provided, the driver of a vehicle approaching that junction shall—

(a) where the road on which he or she is driving terminates at the junction, yield the right of way to traffic and pedestrians on the other road, or

(b) where the road on which he or she is driving does not terminate at the junction, yield the right of way to traffic and pedestrians approaching the junction from the right on the other road.]

F17[(6) A driver of a vehicle approaching a pedestrian crossing where traffic sign number RPC 001 (zebra pedestrian crossing) or traffic sign number RUS 066 (pedestrian crossing) is provided shall yield the right of way to any pedestrian who is waiting to cross or has commenced crossing the road at the crossing.]

F18[(6A) A driver of a vehicle approaching a pedestrian crossing where traffic sign number RPC 001 (zebra pedestrian crossing) or traffic sign number RPC 001A (zebra pedestrian crossing without belisha beacons) is provided shall yield the right of way to any pedestrian who is waiting to cross or has commenced crossing the road at the crossing.

(6B) A driver of a pedal cycle or L1e-A e-moped or electric scooter user approaching a zebra pedestrian crossing where traffic sign number RPC 001B (zebra pedestrian crossing of a cycle track) is provided shall yield the right of way to any pedestrian who is waiting to cross at the zebra pedestrian crossing or has commenced crossing the cycle track at the crossing.]

(7) A driver of a vehicle approaching a road junction and intending to turn right at the junction shall yield the right of way to a vehicle approaching on the same road from the opposite direction and intending to proceed straight through or turn left at the junction.

(8) A driver shall not drive from one traffic lane to another without yielding the right of way to traffic in that other lane.

Drive on Left

9. Save where otherwise required by these Regulations, a vehicle shall be driven on the left hand side of the roadway in such a manner so as to allow, without danger or inconvenience to traffic or pedestrians, approaching traffic to pass on the right and overtaking traffic to overtake on the right.

Overtaking

F19[10. (1) A driver shall not overtake or attempt to overtake if to do so would endanger or cause inconvenience to—

(a) a pedal cyclist or an electric scooter user, or

(b) another person.]

(2) A driver shall not overtake, or attempt to overtake, unless the roadway ahead of the driver—

(a) is free from approaching traffic, pedestrians and any obstruction, and

(b) is sufficiently long and wide to permit the overtaking to be completed without danger or inconvenience to other traffic or pedestrians.

(3) A driver shall not overtake, or attempt to overtake, on a stretch of roadway on which traffic sign number RUS 014 [no overtaking] has been provided.

F20[(3A) The end of the prohibition applying in respect of a stretch of roadway under sub-article (3) is indicated by the provision of traffic sign number RUS 014 accompanied by an information plate containing the word "Críoch/END".]

(4) Subject to the provisions of sub-article (5), a driver shall overtake on the right and shall not move in towards the left until it is safe to do so.

F19[(5) (a) A driver (other than a pedal cyclist and electric scooter user) may only overtake on the left—

(i) where the driver of the vehicle about to be overtaken has signalled an intention to turn to the right and the driver of the overtaking vehicle intends, after overtaking, to go straight ahead or turn to the left,

(ii) where the driver of the overtaking vehicle intends, after overtaking, to turn to the left at the next road junction and has signalled this intention, or

(iii) in slow-moving traffic, when vehicles in the traffic lane on the driver's right are moving more slowly than the overtaking vehicle.

(b) A pedal cyclist or electric scooter user may overtake on the left where vehicles to the pedal cyclist's or electric scooter user's right are stationary or are moving more slowly than the overtaking pedal cycle or electric scooter, except where the vehicle to be overtaken—

(i) has signalled an intention to turn to the left and there is a reasonable expectation that the vehicle in which the driver has signalled an intention to turn to the left will execute a movement to the left before the cycle or electric scooter overtakes the vehicle,

(ii) is stationary for the purposes of permitting a passenger or passengers to alight or board the vehicle, or

(iii) is stationary for the purposes of loading or unloading.]

Turning at
Junctions

11. A driver of a vehicle approaching a road junction shall—

(a) drive on the left hand side of the roadway if intending to turn left at the junction;

(b) subject to paragraph (c), drive close to the centre of the roadway if intending to turn right at the junction; or

(c) drive on the right hand side of the roadway when on a one-way roadway which is wide enough for more than one lane of traffic, if intending to turn right at the junction.

Reversing

12. (1) Before reversing, a driver shall ensure that to so reverse would not endanger other traffic or pedestrians.

(2) A driver shall not reverse onto a major road from another road.

(3) A driver shall not reverse from a place adjacent to a public road onto a public road save where it is clear to the driver that to so reverse would not endanger other traffic or pedestrians.

Driving on
Footway

13. (1) Subject to sub-articles (2) and (3), a vehicle shall not be driven along or across a footway.

(2) Sub-article (1) does not apply to a vehicle being driven for the purpose of access to or egress from a place adjacent to the footway.

(3) A reference in sub-article (1) to driving along or across a footway, includes a reference to driving wholly or partly along or across a footway.

F21[Cycle tracks

14. (1) A cycle track shall be indicated by—

(a) traffic sign number RUS 009 (with-flow cycle track) provided in association with traffic sign number RRM 022 (continuous white line) or RRM 023 (broken white line) which latter signs may be marked on the right hand edge of the cycle track or on the right hand and left hand edges of the cycle track,

(b) traffic sign number RUS 059 (contra-flow cycle track) provided in association with traffic sign number RRM 022 (continuous white line) which may be marked on the right hand edge of the cycle track or on the left hand edge of the cycle track or on both sides, or

F22[(c) traffic sign number RUS 058 (shared track for pedal cycles, electric scooters and pedestrians).]

(2) The periods of operation of a cycle track may be indicated on an information plate which may be provided in association with traffic sign number RUS 009, RUS 059 or RUS 058.

F22[(3) Where a cycle track, provided by traffic sign number RUS 009 in association with traffic sign number RRM 022 (continuous white line) or RRM 023 (broken white line), is two-way, pedal cycles, L1e-A e-mopeds and electric scooters shall be driven as near as possible to the left-hand side of each lane.]

F22[(4) (a) A pedal cycle, L1e-A e-moped or an electric scooter shall be driven on a cycle track that is on—

(i) a road,

(ii) a portion of a road, or

(iii) an area, at the entrance to which traffic sign number RUS 021 (pedestrianised street or area) is provided.

(b) A pedal cycle, L1e-A e-moped or an electric scooter shall be driven on a cycle track at the entrance to which traffic sign number RUS 059 (contra-flow cycle track) is provided and pedal cycles, L1e-A e-mopeds and electric scooters shall only be driven in the direction indicated by the contra-flow cycle track.]

(5)(a) A mechanically propelled vehicle, other than a mechanically propelled wheelchair, shall not be driven along or across a cycle track on the right hand edge of which traffic sign number RRM 022 has been provided, save for the purposes of access to or egress from a place adjacent to the cycle track or from a roadway to such a place.

(b) A reference in paragraph (a) to driving along or across a cycle track shall include a reference to driving wholly or partly along or across a cycle track.

(6) Where a vehicle is parked on that part of a road in relation to which traffic sign number RUS 009 is provided in association with traffic sign number RRM 022 or RRM

023 or traffic sign number RUS 059 is provided in association with traffic sign number RRM 022 or at a place where traffic sign number RUS 058 is provided, in advance of the commencement of the period indicated on an information plate which may accompany traffic sign number RUS 009, RUS 059 or RUS 058, the parking of the said vehicle shall cease and the vehicle shall be removed from that part of the road prior to the commencement of that period save where article 5(5) applies.

F22[(7) (a) A shared track shall be indicated by the provision of traffic sign number RUS 058 (shared track for pedal cycles, electric scooters and pedestrians) and the design displayed on the particular traffic sign number RUS 058 that is provided shall indicate if the shared track is—

(i) a non-segregated track where there is no visual or physical segregation of use between pedestrians and persons driving pedal cycles or electric scooters, or

(ii) a segregated track with a continuous white line on the track or a barrier provided along the length of the track signifying a separate area for use by persons driving pedal cycles or electric scooters and an adjoining separate area for use by pedestrians.

(b) At a location where traffic sign number RUS 058 indicates that a shared track is—

(i) non-segregated, as described in paragraph (a), pedestrians and persons driving pedal cycles or electric scooters may use that track, or

(ii) segregated, as described in paragraph (a), persons driving pedal cycles or electric scooters shall only use the area of the track that is designated on the sign for use by them and pedestrians shall only use the area of the track that is designated on the sign for use by them.

(c) A mechanically propelled vehicle, other than a mechanically propelled wheelchair, shall not be driven, wholly or partly, along or across a shared track where traffic sign number RUS 058 is provided, save for the purposes of access to or egress from a place adjacent to the shared track or from a roadway to such a place.

(d) The end of a prohibition or of a restriction under this sub-article shall be indicated by the provision of traffic sign number RUS 058 accompanied by an information plate specifying the word "Críoch/END".

(e) In this sub-article, "pedestrians" includes any person using a wheelchair, mechanically propelled, or otherwise.]]

Roundabouts **15.** When entering a roundabout, a driver shall turn to the left.

Median Strip **16.** (1) A vehicle shall not be driven along or across a median strip.

(2) A reference in sub-article (1) to driving along or across a median strip shall include a reference to driving wholly or partly along or across a median strip.

F23[Weight restriction on vehicles entering a road **17.** (1) Where traffic sign number RUS 015 (maximum design gross vehicle weight — traffic management) is provided at the entrance to a road, the driver of a vehicle, the design gross vehicle weight of which exceeds the weight specified on the sign, shall not proceed beyond the sign.

(2) Sub-article (1) does not apply where it is necessary for a vehicle to enter a road solely for the purpose of gaining access to or egress from premises accessible only from that road.]

- Signals by Drivers **18.** (1) A driver intending to slow down, stop, or alter course, shall either give a signal by using a direction indicator or stop lamp, as appropriate, or give the appropriate hand signal set out in Table A in the Second Schedule.
- (2) A driver shall indicate the direction in which the vehicle is to be driven to a member of the Garda Síochána by giving either a signal by using a direction indicator or the appropriate hand signal set out in Table B in the Second Schedule.
- (3) A driver shall give a signal in sufficient time before altering course and in such a manner as to be clearly visible and clearly understood by those for whom such signal is intended.
- (4) A driver shall not give simultaneous contradictory signals.
- Signals by Garda Síochána F24**19.** (1) Subject to sub-article (2), whenever a member of the Garda Síochána gives a signal described in column (1) of Table C in the Second Schedule, drivers and pedestrians shall act in accordance with the duty specified in column (2) of that Table opposite the signal described in column (1).
- (2) The last two duties specified in column (2) of Table C in the Second Schedule do not apply to the driver of a light rail vehicle.]
- Stop Sign and Line **20.** (1) A driver of a vehicle shall stop the vehicle in advance of traffic sign number RRM 017 [stop line] or traffic sign number RUS 027 [stop sign].
- (2) Where both traffic signs referred to in sub-article (1) are provided, a driver of a vehicle shall stop the vehicle in advance of traffic sign number RRM 017 [stop line].
- Yield Sign and Line **21.** A driver of a vehicle approaching a road junction at which traffic sign number RUS 026 [yield sign] or traffic sign number RRM 018 [yield line] has been provided, shall yield the right of way to traffic on the major road.
- F25[Mandatory signs at junctions] **22.** Where traffic sign number RUS 004 (must maintain direction), traffic sign number RUS 005 (must turn right) or traffic sign number RUS 006 (must turn left) is provided, traffic shall proceed in the direction indicated by the arrow shown on the sign.]
- Prohibitory Traffic Signs **23.** (1) Subject to sub-article (3) where traffic sign number RUS Oil [must not maintain the same direction], traffic sign number RUS 012 [must not turn right] or traffic sign number RUS 013 [must not turn left] is provided, traffic shall not proceed in the direction indicated by the arrow shown on the sign.
- (2) Where traffic sign number RUS Oil and either traffic sign number RUS 012 or traffic sign number RUS 013 are provided, traffic shall not proceed in either of the directions indicated by the arrow shown on the signs.
- F26[(3) The traffic signs referred to in sub-article (1) may be accompanied by information plates which shall where the restrictions are not to apply—
- (a) on a continuous basis, indicate the period or periods in which restrictions apply, or
- (b) to certain classes of vehicles, indicate the vehicles to which the restrictions do not apply.]
- Other Mandatory Signs **24.** (1) Where traffic sign number RUS 001 F27[...] is provided, approaching traffic shall keep to the left of such sign.
- (2) Where traffic sign number RUS 002 is provided, approaching traffic shall keep to the right of such sign.

(3) Where traffic sign number RUS 003 is provided, approaching traffic shall keep to either the left or right of such sign.

Centre of
Roadway Lines

25. (1) Where traffic sign number RRM 001 [continuous white line] has been provided on a roadway or where two such traffic signs are provided in parallel, a driver shall not cross that sign or signs.

(2) Where traffic sign number RRM 002 [broken white line] has been provided on a roadway, a driver shall not cross that line, save where it can be crossed without danger to other traffic or pedestrians.

(3) Where traffic sign number RRM 001 and traffic sign number RRM 002 have been provided in parallel and traffic sign RRM 001 is nearer, a driver shall not cross such line, and where traffic sign number RRM 002 is nearer, a driver shall not cross the line save where it can be crossed without danger to other traffic or pedestrians.

(4) Nothing in this article shall so operate as to prevent a driver from driving across a roadway, along the centre of which the traffic signs referred to have been provided, for the purpose of entering or leaving land or premises adjoining the right hand side of that roadway.

F28[(5) Notwithstanding the reference to "provided in parallel" in sub-articles (1) and (3), the traffic signs referred to may be provided other than equal distance apart.]

(6) Nothing in this article shall so operate as to prevent a driver from driving along a roadway, where traffic sign number RRM 001 (continuous white line) has been provided, where due to the width or length or both of the vehicle in relation to the road lane width, and where the vehicle is not engaged in an overtaking manoeuvre, it is necessary to straddle or marginally cross that sign.]

Merging and
Diverging
Markings

26. Where traffic sign number RRM 021 [hatched markings] has been provided in an area of roadway, a vehicle shall not enter the area.

Traffic Lane
Markings

27. (1) Traffic sign number [RRM 003] [broken white line], shall indicate the boundary of a traffic lane.

(2) Where traffic sign number RRM 004 [must maintain direction], traffic sign number RRM 005 [must turn left] or RRM 006 [must turn right] is provided, traffic must proceed in the direction indicated by the arrows shown on the sign.

(3) Where traffic sign number RRM 004 and either traffic sign number RRM 005 or traffic sign number RRM 006 are provided, traffic must proceed in either of the directions indicated by the arrows shown on the sign.

F29[Temporary

No Entry

28. Where traffic sign number RRM 019 [No Entry Line] is provided across the entrance to a road, a driver shall not proceed beyond such sign so as to enter that road.

F30[Box junctions

29. (1) Subject to sub-article (2), where traffic sign number RRM 020 (yellow box) is provided on a public road or at a junction between one or more roads or at a junction between one or more roads and a light railway (whether the junctions are controlled by traffic sign number RTS 001, RTS 002, RTS 004 or RTS 013 (traffic lights), or otherwise) and notwithstanding any indication to the contrary that may be given by

such traffic signs, a driver of a vehicle shall not enter, either partly or wholly, the cross-hatched area unless the vehicle can clear the area without stopping.

(2) Sub-article (1) does not apply where the driver of a vehicle intending to make a right hand turn at a junction enters the cross-hatched area for that purpose.

(3) Where traffic sign number RRM 020 is provided in a traffic lane at the end of an adjacent bus lane, where traffic sign number RUS 028 or traffic sign number RUS 029 used in association with traffic sign number RRM 024 are provided, to facilitate the drivers of vehicles exiting the bus lane to enter the adjacent traffic lane, a driver of a vehicle, other than a driver of a vehicle that is exiting the bus lane, shall not enter, either partly or wholly, the cross-hatched area unless the vehicle can clear the area without stopping.]

F31[Traffic lights

30. (1) Where traffic sign number RTS 001, RTS 002, RTS 003, RTS 004 or RTS 013 (referred to in these Regulations as "traffic lights") is provided, a person shall not drive a vehicle past the traffic lights, or past traffic sign number RRM 017 (stop line) where such sign is provided in association with the traffic lights when the red lamp of the traffic light is illuminated.

(2) A driver of a vehicle approaching traffic lights in which a non-flashing amber light is illuminated, shall not drive the vehicle past the traffic lights, or past traffic sign number RRM 017 (stop line) when such sign is provided in association with the traffic lights, save when the vehicle is so close to the traffic lights that it cannot safely be stopped before passing the traffic lights or traffic sign number RRM 017.

(3)(a) A driver of a vehicle facing traffic sign number RTS 001, RTS 002, RTS 003 or RTS 013 in which the green lamp is illuminated may proceed beyond the traffic lights, or beyond traffic sign number RRM 017 (stop line) if such traffic sign is provided in association with the traffic lights, provided no other road user is endangered and subject to compliance with the relevant provisions of articles 8 and 29.

(b) When traffic lights contain green lamps which indicate a directional arrow, a driver of a vehicle wishing to proceed in accordance with paragraph (a) in the direction indicated by the arrow may only do so when such lamp is illuminated.

(4) Where an amber lamp in traffic sign number RTS 001 is illuminated on an intermittent basis, a driver of a vehicle may only proceed past the traffic light or where traffic sign number RRM 017 (stop line) is provided in association with traffic lights, past such sign, where right of way is yielded to any pedestrian who has commenced crossing the roadway at the traffic lights.

(5) Where traffic sign number RTS 004 is provided in advance of traffic sign number RUS 026 (yield / Géill Slí) or traffic sign number RRM 018 (yield line) or both, a driver of a vehicle may proceed past the traffic light when the amber light at the lower level of the lights is illuminated on an intermittent basis subject to compliance with the provisions of article 21.

(6) The expression—

(a) "redlamp" in sub-article (1) includes a red lamp on traffic sign number RTS 002 which, when illuminated, indicates a red directional arrow, a red directional U-Turn arrow or the word "BUS", in red,

(b) "non-flashingamber light" in sub-article (2) includes non-flashing amber lamps on traffic sign number RTS 002 which, when illuminated, indicate an amber directional arrow, an amber directional U-Turn arrow or the word "BUS", in amber, and includes a non-flashing amber lamp on traffic sign number RTS 004 which, when illuminated, indicates an amber directional arrow, and

(c) "greenlamp" in sub-article (3) includes green lamps on traffic sign number RTS 002 which, when illuminated, indicate a green directional arrow, a green directional U-Turn arrow or the word "BUS", in green.]

F32[Level crossings

31. (1) A driver or pedestrian approaching a railway level crossing, a swing bridge or a lifting bridge at which traffic sign number RTS 005 (level crossing traffic lights) has been provided shall not, while the red lamps are flashing, proceed beyond traffic sign number RRM 017 (stop line) or barrier or half barrier where such line, barrier or half barrier is provided, or otherwise beyond traffic sign number RTS 005.

(2) A driver of a vehicle or pedestrian approaching a railway level crossing, a swing bridge or a lifting bridge at which traffic sign number RTS 005 has been provided and in which a non-flashing amber light is illuminated, shall not proceed past that sign or past traffic sign number RRM 017 (stop line) where such sign is provided in association with the traffic lights, save when the vehicle is so close to the traffic sign that it cannot safely be stopped before passing traffic sign numbers RTS 005 or RRM 017.

(3) A driver approaching a railway level crossing, a swing bridge or a lifting bridge at which traffic sign number RRM 020 (yellow box) has been provided shall not enter either totally or partly the area covered by the traffic sign unless the vehicle can clear the area without stopping, notwithstanding any indication to the contrary given by a traffic signal at the level crossing or bridge, as the case may be.]

F33[Bus Lanes

32. (1)(a) A bus lane shall be indicated by means of traffic sign number RUS 028 or traffic sign number RUS 029 used in association with traffic sign number RRM 024.

(b) A contra-flow bus lane shall be indicated by means of traffic sign number RUS 030 used in association with traffic sign number RRM 024.

F34[(2) A person shall not enter a bus lane with a vehicle, other than a large public service vehicle, a pedal cycle, an L1e-A e-moped or an electric scooter, during the period of operation of the bus lane indicated on an information plate.

(3) A person shall not enter a contra-flow bus lane with a vehicle, other than a large public service vehicle, a pedal cycle, an L1e-A e-moped or an electric scooter.

(4) A person shall not enter a bus-only street with a vehicle other than a large public service vehicle, a pedal cycle, an L1e-A e-moped or an electric scooter except for the purpose of access.]

(5)(a) Sub-articles (2) and (3) do not apply to a vehicle crossing a with-flow bus lane or a contra-flow bus lane solely for the purpose—

(i) of entering or leaving premises or property adjacent to such a bus lane, or

(ii) of entering or leaving a road inset adjacent to such a bus lane in order to load or unload goods.

(b) Sub-article (2) does not apply to—
