**2.—(1)** Where before the commencement of **section 74** of the Act of 1997 an application was made for a fish culture licence under **section 15** of the Principal Act such application shall—

(a) be deemed always to have been capable of being so made under the said **section 15** notwithstanding the enactment of **section 54** of the Act of 1980, and

(b) be determined in accordance with the said **section 74**.

(2) Where pursuant to **section 19** of the Act of 1933 the Minister has caused notice of an application for a licence for the purposes of aquaculture to be published in accordance with the said section 19, then such notice shall be deemed to be a public notice for the purposes of subsection (3) of **section 74** of the Act of 1997.

Provisions relating to certain aquaculture licences.

**3.—(1)** Subject to *subsection (2)* of this section, where before the commencement of **section 75** of the Act of 1997 there was purported to be granted—

(a) a foreshore licence for aquaculture purposes under the Act of 1933, or

(b) a fish culture licence under **section 15** of the Principal Act,

then such purported grant of the licence concerned shall be deemed to have been duly made and, accordingly, shall be deemed by virtue of the said [section 75](#) to be an aquaculture licence granted under the Act of 1997.

(2) Where a foreshore licence is deemed to be an aquaculture licence under *subsection (1)* of this section then the following shall apply:

- (a) the Minister shall, as soon as practicable, issue a draft aquaculture licence to the licensee concerned and shall give by post to the licensee not less than 28 days notice in writing stating that the Minister proposes to grant the licence subject to such terms and conditions as are contained in the draft licence;

(4) Notwithstanding *subsection (1)* of this section, in the case of a foreshore licence which is deemed to be an aquaculture licence under the said *subsection (1)*, the provisions of the Foreshore Acts, 1933 and 1992, shall apply to such foreshore licence.

(5) Where a licence is deemed under *subsection (1)* of this section to be an aquaculture licence and such deeming would, but for this subsection, conflict with a constitutional right of any person, then the licence concerned shall be subject to such limitation as is necessary to secure that it does not so conflict but shall be otherwise of full force and effect.

Persons not to engage in aquaculture in anticipation of grant of licence.

4.—(1) On and from the 10th day of December, 1998, an application for an aquaculture licence shall not be accepted, or if accepted shall not be determined, if the applicant or any person on behalf of the applicant commences to engage in aquaculture at the place or waters to which the application relates before a licence is granted under the Act of 1997.
