F83[Judicial review of railway order and related acts.

47.—(1) A person shall not question the validity of a railway order made or any act done by the Board in the performance or the purported performance of its functions under *sections 37 to 46* otherwise than by way of an application for judicial review under Order 84 of the Rules of the Superior Courts (**S.I. No. 15 of 1986**) (the "Order").

(2) The Board may, at any time after the bringing of an application for leave to apply for judicial review of any act to which *subsection (1)* applies and which relates to a matter for the time being before the Board, apply to the High Court to stay the proceedings pending the making of a decision by the Board in relation to the matter concerned.

(3) On the making of such an application the High Court may, where it considers that the matter before the Board is within the jurisdiction of the Board, make an order staying the proceedings concerned on such terms as it thinks fit.

(4) Subject to *subsection (5)*, an application for leave to apply for judicial review under the Order in respect of an order or act to which *subsection (1)* applies shall

be made within the period of 8 weeks beginning on the date on which the order was made or, as the case may be, the date of the doing of the act by the Board.

(5) The High Court may extend the period provided for in *subsection (4)* within which an application for leave referred to in that subsection may be made but shall only do so if it is satisfied that—

- (a) there is good and sufficient reason for doing so, and
- (b) the circumstances that resulted in the failure to make the application for leave within the period so provided were outside the control of the applicant for the extension.

(6) References in this section to the Order shall be construed as including references to the Order as amended or replaced (with or without modification) by rules of court.]

F85[*Section 47*:
supplemental
provisions.

47A.—(1) In this section—

“Court”, where used without qualification, means the High Court (but this definition shall not be construed as meaning that subsections (2) to (6) and (9) do not extend to and govern the exercise by the Supreme Court of jurisdiction on any appeal that may be made);

“Order” shall be construed in accordance with *section 47*;

“*section 47* leave” means leave to apply for judicial review under the Order in respect of an order or act to which *section 47(1)* applies.

(2) An application for *section 47* leave shall be made by motion on notice (grounded in the manner specified in the Order in respect of an *ex parte* motion for leave) to the Board, to the applicant for the railway order, where he or she is not the applicant for leave, and to any other person specified for that purpose by order of the High Court, and the Court shall not grant *section 47* leave unless it is satisfied that—

- (a) there are substantial grounds for contending that the order or act concerned is invalid or ought to be quashed, and
- (b) F86[(i) The applicant has a sufficient interest in the matter which is the subject of the application, or]
- (ii) the applicant—
 - (I) is a body or organisation (other than a State authority, a public authority or governmental body or agency) the aims or objectives of which relate to the promotion of environmental protection,
 - (II) has, during the period of 12 months preceding the date of the application, pursued those aims or objectives, and
 - (III) satisfies such requirements (if any) as a body or organisation, if it were to make an appeal under *section 37(4)(c)* of the Act of 2000, would have to satisfy by virtue of *section 37(4)(d)(iii)* of that Act (and, for this purpose, any requirement prescribed under *section 37(4)(e)(iv)* of that Act shall apply as if the reference in it to the class of matter into which the decision, the subject of the appeal, falls were a reference to the class of matter into which the order or act, the subject of the application for *section 47* leave, falls).

F86[(3) A sufficient interest of the purposes of *subsection (2)(b)(i)* is not limited to an interest in land or other financial interest.]

(4) Notwithstanding the making of an application for *section 47* leave in respect of a railway order, the application shall not affect the validity of the railway order and its operation unless, upon an application to the Court, the Court suspends the operation of the railway order until the application is determined or withdrawn.

(5) If the Court grants section 47 leave, no grounds shall be relied upon in the application for judicial review under the Order other than those determined by the Court to be substantial under *subsection (2)(a)*.

(6) The Court may, as a condition for granting *section 47* leave, require the applicant for such leave to give an undertaking as to damages.

(7) The determination of the Court of an application for *section 47* leave or of an application for judicial review on foot of such leave shall be final and no appeal shall lie from the decision of the Court to the Supreme Court in either case save with leave of the Court which leave shall only be granted where the Court certifies that its decision involves a point of law of exceptional public importance and that it is desirable in the public interest that an appeal should be taken to the Supreme Court.

(8) *Subsection (7)* shall not apply to a determination of the Court in so far as it involves a question as to the validity of any law having regard to the provisions of the Constitution.

(9) If an application is made for judicial review under the Order in respect of part only of an order or act to which *section 47(1)* applies, the Court may, if it thinks fit, declare to be invalid or quash the part concerned or any provision thereof without declaring invalid or quashing the remainder of the order or act or part of the order or act, and if the Court does so, it may make any consequential amendments to the remainder of the order or act or the part thereof that it considers appropriate.

(10) The Court shall, in determining an application for *section 47* leave or an application for judicial review on foot of such leave, act as expeditiously as possible consistent with the administration of justice.

(11) On an appeal from a determination of the Court in respect of an application referred to in *subsection (10)*, the Supreme Court shall—

(a) have jurisdiction to determine only the point of law certified by the Court under *subsection (7)* (and to make only such order in the proceedings as follows from such determination), and

(b) in determining the appeal, act as expeditiously as possible consistent with the administration of justice.

(12) Rules of court may make provision for the expeditious hearing of applications for *section 47* leave and applications for judicial review on foot of such leave.]

F87[Discussions with Board before making an application.

47B.—(1) The Agency, CIÉ or any other person who proposes to apply for a railway order in accordance with section 37(1) shall, before making the application, enter into consultations with the Board in relation to the proposed railway works.

(2) Such a person is referred to subsequently in this section and in *section 47C* as a "prospective applicant".

(3) In any consultations under *subsection (1)*, the Board may give advice to the prospective applicant regarding the proposed application and, in particular, regarding—

(a) the procedures involved in making an application under this Part and in considering such an application, and

(b) what considerations, related to proper planning and sustainable development or the environment, may, in the opinion of the Board, have a bearing on its decision in relation to the application.]

F88[Section 47B: supplemental provisions.

47C.—(1) A prospective applicant shall, for the purposes of consultations under *section 47B*, supply to the Board sufficient information in relation to the proposed railway works so as to enable the Board to assess those works.

(2) The Board may, at its absolute discretion, consult with any other person who may, in the opinion of the Board, have information which is relevant for the purposes of consultations under *section 47B* in relation to the proposed railway works.

(3) The holding of consultations under *section 47B* shall not prejudice the performance by the Board of any other of its functions under this Act or the **Planning and Development Act 2000** or regulations under either of those Acts and cannot be relied upon in the formal planning process or in legal proceedings.

(4) The Board shall keep a record in writing of any consultations under *section 47B* in relation to proposed railway works, including the names of those who participated in the consultations, and a copy of such record shall be placed and kept with the documents to which any application in respect of the proposed railway works relates.]

F93[Supple-
mental powers
for the Board.

47D.—(1) Before determining an application for a railway order, the Board may, at its absolute discretion and at any time—

 - (i) determining the application, or
 - (ii) resolving any issue with the applicant or any disagreement between the applicant and any other party, including resolving any issue or disagreement in advance of an oral hearing.

(2) Where the Board holds a meeting in accordance with *subsection (1)(c)*, it shall keep a written record of the meeting and make that record available for inspection.

(3) The Board, or an employee of the Board duly authorised by the Board, may appoint any person to hold a meeting referred to in *subsection (1)(c)*.

(4) The Board may, if it is provisionally of the view that it would be appropriate to grant the railway order concerned were certain alterations (specified in the notification referred to in this subsection) to be made to the terms of the application in respect of it or the proposed order, notify the applicant that it is of that view and invite the applicant to make to the terms of the application or the proposed order alterations specified in the notification and, if the applicant makes those alterations, to furnish to it such information (if any) as it may specify in relation to the proposed application or order, in the terms as so altered, or, where necessary, a revised F90[environmental impact assessment report] in respect of it.

(5) If the applicant makes the alterations to the terms of the application or proposed order specified in a notification given to the applicant under *subsection (4)*, the terms of the application or order as so altered shall be deemed to be the application or order for the purposes of this Part.

(6) The Board shall, where the applicant has made the alterations to the terms of the application or proposed order specified in a notification given to the applicant under *subsection (4)*, require the applicant—

- (a) to publish in one or more newspapers circulating in the area or areas in which the proposed railway works would be situate F91[, and make available electronically in such manner as may be appointed by the Board,] a notice stating that the applicant has, pursuant to an invitation of the Board, made alterations to the terms of the application or order (and the nature of those

alterations shall be indicated) and, if it be the case, that information in relation to the terms of the application or order as so altered or a revised F90[environmental impact assessment report] in respect of the development has been furnished to the Board, indicating the times at which, the period (which shall not be less than 3 weeks) during which and the place, or places, where a copy of the information or the F90[environmental impact assessment report] may be inspected free of charge or purchased on payment of a specified fee (which fee shall not exceed the reasonable cost of making such copy) and that submissions or observations in relation to that F92[information or report] may be made to the Board before the expiration of the indicated period, and

(b) to send to the planning authority and each person to which a notice was served pursuant to *section 40(1)(c) or (e)*, and to every (if any) occupier and every (if any) owner of land referred to in the order (being, if the terms of it have been so altered, the order as so altered)—

(i) a notice of the furnishing to the Board of the F92[information or report] referred to in *paragraph (a)*, and

(ii) a copy of that F92[information or report],

and to indicate to that authority or other person that submissions or observations in relation to that F92[information or report] may be made to the Board before the expiration of a period (which shall be not less than 3 weeks) beginning on the day on which the notice is sent to the authority or other person by the applicant.

F91[(6A) The Board shall make—

(a) any information, submission, observation, record or alteration to the terms of an application proposed by the Board under *subsection (4)*, that contains significant data in relation to the likely effects on the environment of the proposed railway works,

(b) any notice, any information in relation to the terms of an application or order as altered and any revised environmental impact assessment report, referred to in *subsection (6)(a)*,

available electronically on the Board's website.]

(7) The Board shall, in deciding whether to grant the railway order to which the application concerned relates, have regard to any information submitted on foot of a notice under *subsection (4)*, including any revised F90[environmental impact assessment report], or any submissions or observations made on foot of a request under *subsection (1)* or a notice under *subsection (6)*.]

F94[Direction of payment of costs by Board.

47DD.—(1) Where the Board determines an application made under *section 37* (amended by section 49 of the Act of 2006) it may at its absolute discretion direct the payment of such sums as it considers reasonable by the applicant to the Board towards the costs incurred by the Board of—

(a) conducting consultations under *section 47B*,

(b) compliance by the Board with a request by an applicant for an opinion of the Board under *section 39(3)* (amended by section 49 of the Act of 2006), or

(c) determining an application made under *section 37* aforesaid,

and, in such amount as the Board considers to be reasonable, state the sum to be paid and direct the payment of that sum, to any planning authority that incurred costs during the course of consideration of that application and to any other person as a contribution to the costs incurred by that person during the course of consideration of that application (each of which sums the Board may, by virtue of this subsection, require to be paid), and the applicant shall pay such sums.

(2) A reference to costs in *subsection (1)* shall be construed as a reference to such costs as the Board in its absolute discretion considers to be reasonable costs, but does not include a reference to so much of the costs there referred to as have been recovered by the Board by way of a fee charged under section 144 of the Act of 2000.

(3) A notice of a determination of an application under *section 37* shall be furnished to the applicant as soon as may be after the determination but shall not become operative until any requirement under *subsection (1)* in relation to the payment by the applicant of a sum in respect of costs has been complied with.

(4) Where an applicant for permission fails to pay a sum in respect of costs in accordance with a requirement made under *subsection (1)* to the Board, the authority or any other person concerned (as may be appropriate) may recover the sum as a simple contract debt in any court of competent jurisdiction.]

F96[Objective of the Board in relation to railway orders.

47E.—(1) It shall be the duty of the Board to ensure that—

(a) consultations held under *section 47B* are completed, and

(b) a decision under *section 43* on an application for a railway order is made,

as expeditiously as is consistent with proper planning and sustainable development and, for that purpose, to take all such steps as are open to it to ensure that, in so far as is practicable, there are no avoidable delays at any stage in the holding of those consultations or the making of that decision.

(2) Without prejudice to the generality of *subsection (1)* and subject to *subsections (3) to (6)*, it shall be the objective of the Board to ensure that a decision under *section 43* on an application for a railway order is made—

(a) within a period of 18 weeks beginning on the last day for making submissions or observations in accordance with the notice referred to in *section 40(1)(b)*, or

(b) within such other period as the Minister for the Environment, Heritage and Local Government, having consulted with the Minister, may prescribe by regulations either generally or in respect of a particular class or classes of matter.

(3) Where it appears to the Board that it would not be possible or appropriate, because of the particular circumstances of the matter with which the Board is concerned, to determine the matter within the period referred to in *paragraph (a) or (b) of subsection (2)* as the case may be, the Board shall, by notice in writing served on the applicant, the Minister, any planning authority involved and any other person who submitted submissions or observations in relation to the matter before the expiration of that period, inform the Minister, the authority and those persons of the reasons why it would not be possible or appropriate to determine the matter within that period and shall specify the date before which the Board intends that the matter shall be determined.

(4) Where a notice has been served under *subsection (3)*, the Board shall take all such steps as are open to it to ensure that the matter is determined before the date specified in the notice.

(5) The Minister for the Environment, Heritage and Local Government, having consulted the Minister, may by regulations vary the period referred to in *subsection (2)(a)* either generally or in respect of a particular class or classes of applications for railway orders, where it appears to him or her to be necessary, by virtue of exceptional circumstances, to do so and, for so long as the regulations are in force, this section shall be construed and have effect in accordance therewith.

(6) Where the Minister for the Environment, Heritage and Local Government, having consulted with the Minister, considers it to be necessary or expedient that a certain class or classes of application for a railway order that are of special strategic, economic or social importance to the State be determined as expeditiously as is consistent with proper planning and sustainable development, he or she may give a direction to the Board that priority be given to the determination of applic-

ations of the class or classes concerned, and the Board shall comply with such a direction.

(7) The Board shall include in each report made under [section 118](#) of the [Planning and Development Act 2000](#) ^{F97}[or under [section 522](#) of the Act of 2024] a statement of the number of matters which the Board has determined within a period referred to in *paragraph (a) or (b) of subsection (2)* and such other information as to the time taken to determine such matters as the Minister for the Environment, Heritage and Local Government may direct.]

F98[Construction of certain references and transitional provision.

47F.—(1) References to the Minister in a railway order, being an order made before the amendment of this Act by the Planning and Development (Strategic Infrastructure) Act 2006, shall be construed as references to the Board.

(2) Notwithstanding the amendments of this Act made by the Planning and Development (Strategic Infrastructure) Act 2006, any thing commenced under this Part but not completed before the commencement of those amendments may be carried on and completed after the commencement of those amendments as if those amendments had not been made.

(3) The reference in *subsection (2)* to any thing commenced under this Part includes a reference to—

- (c) any step (including the holding of a public inquiry) that has been taken in the making of a decision in relation to an application referred to in *paragraph (a) or (b)* or any step that has been taken on foot of the making of such a decision.

(4) For the avoidance of doubt, any questioning, after the commencement of the amendments referred to in *subsection (2)*, by the procedures of judicial review under the Order (within the meaning of *section 47*) of the validity of any thing referred to in *subsection (2)* completed after that commencement, or being carried on after that commencement, shall be done in accordance with the provisions of this Part as amended by the Planning and Development (Strategic Infrastructure) Act 2006.]

47G.—(1) Notwithstanding the repeal of sections 135, 143 or 146 of the Act of 2000 effected by [section 6](#) of the Act of 2024, those sections of the Act of 2000 shall continue to apply and have effect on and after that repeal in relation to an oral hearing referred to in *section 42* in respect of an application for a railway order made under *section 37* but not determined before the repeal.

(2) Notwithstanding the repeal of paragraphs (d) and (e) of subsection (4) of section 37 of the Act of 2000 by [section 6](#) of the Act of 2024, those paragraphs and any regulations made under that paragraph (e) shall continue to apply and have effect on and after that repeal for the purposes of *section 47A(2)(b)(ii)*.]

(i) obtain the consent of any owner or occupier of the land concerned, or

(ii) give to any owner or occupier of the land concerned not less than 14 days notice in writing stating its intention to enter on the land, the purposes for which the entry is intended to be made and that he or she may apply in accordance with *paragraph (c)* to the District Court for an order prohibiting entry.

(c) A person to whom a notice has been given under this subsection may, not later than 14 days after the giving of the notice, apply, on notice to the railway undertaking, to the judge of the District Court having jurisdiction in the district court district in which the land is situated for an order prohibiting the entry and, upon the hearing of the application, the judge may, if he or she so thinks proper, either prohibit the entry or specify conditions to be complied with by the person making the entry.

(d) Where a judge of the District Court prohibits under this subsection a proposed entry onto land, it shall not be lawful for any person to enter onto the land under *paragraph (a)*, and where a judge of the District Court specifies under this subsection conditions to be complied with by a person entering onto land, every person who enters onto the land under *paragraph (a)* shall comply with the conditions so specified.

(3) (a) Where an owner or occupier of land (other than a person whose land is acquired under *section 45*) suffers loss, injury or damage or incurs expenditure in consequence of the exercise by the railway undertaking of

a power conferred on it by this section, the railway undertaking shall pay to him or her compensation in respect of the loss, injury, damage or expenditure and the amount of the compensation shall, in default of agreement, be determined by arbitration under and in accordance with the Lands Clauses Acts (other than sections 38 to 67 of the Lands Clauses Consolidation Act, 1845) and, for the purposes of those Acts, the railway undertaking shall be deemed to be the promoter of the undertaking and this Part and the railway order concerned shall be deemed to be the special Act; and, for the purposes of such determination, those Acts shall apply with any other necessary modifications and are incorporated (except insofar as they are inconsistent with and subject to any amendments or modifications, express or implied, thereof effected by this Act) with this Part.

(3) Where an occupier or owner of land cuts or lops any tree, shrub or hedge under this section, the expense incurred by him or her in so doing shall be paid to him or her on demand by the Agency, CIÉ, or railway undertaking, and the amount of such expenses shall be recoverable from the Agency, CIÉ, or railway undertaking, in default of agreement, as a simple contract debt in any court of competent jurisdiction.
