Functions performed in the public interest.

2.— (1) The Minister has, in the public interest, the functions provided for under this Act because, after consulting the Governor and the Regulatory Authority, the Minister is of the opinion that—

(a) there is a serious threat to the stability of credit institutions in the State generally, or would be such a threat if those functions were not performed,

(b) the performance of those functions is necessary, in the public interest, for maintaining the stability of the financial system in the State, and

(c) the performance of those functions is necessary to remedy a serious disturbance in the economy of the State.

(2) The Minister may continue to consult with F2[the Central Bank and the Governor] in the continuing performance of the Minister’s functions under this Act.

(3) Nothing in this Act prevents the performance by the Central Bank F3[...] of its functions in relation to any credit institution.

Relevant date. 3.— In this Act “relevant date” means 30 September 2008.

Expenses of Minister. 4.— To the extent that the Minister incurs any expenditure not met in accordance with *section 6*, the expenditure shall be paid out of the Central Fund or the growing produce thereof.

Regulations — general implementation of this Act. 5.— (1) The Minister may, in respect of any difficulty that arises in the operation of this Act during the period of 2 years beginning on the relevant date, make regulations to do anything that appears necessary or expedient for bringing this Act into operation.

(2) Regulations made under this section may contain such incidental, supplementary and consequential provisions as appear to the Minister to be necessary or expedient for the purposes of the regulations.

(3) Where the Minister proposes to make regulations under this section—

(a) he or she shall, before doing so, consult with any other Minister of the Government that the Minister considers appropriate having regard to the functions of that other Minister of the Government in relation to the proposed regulations,

(b) he or she shall cause a draft of the proposed regulations to be laid before each House of the Oireachtas, and

(c) he or she shall not make the regulations unless and until a resolution approving of the draft has been passed by each such House.

Provision of financial support for credit institutions. F4[6.—(1) As and from the relevant date, and in accordance with this section, the Minister may provide financial support directly or indirectly to any current or former credit institution or current or former subsidiary of a credit institution or former credit institution which the Minister may specify by order having regard to—

(a) the matters set out in section 2,

(b) the extent and nature of the obligations (including the degree of control over possible abuse of the financial support) undertaken and which might be undertaken in the future, and

(c) the resources available to him or her for that purpose.

(1A) For the purposes of this section, the provision of indirect financial support includes the provision of financial support to a person (in particular, a company whose objects include the provision of such financial support) in connection with financial support provided or to be provided by that person to—

- (b) a later date specified by the Minister by order.

(3A) The Minister may specify a date under *subsection (3)(b)* if and only if—

- (a) he or she is satisfied, after consulting the Governor and the Regulatory Authority, that the circumstances set out in section 2 exist and are likely to continue to exist until the date to be specified, and
- (b) he or she is satisfied that it is necessary in the public interest that assistance continue to be provided under this section until that date.

(3B) F7[...]

(4) Financial support may be provided under this section in a form and manner determined by the Minister and on such commercial or other terms and conditions as the Minister thinks fit. Such provision of financial support may be effected by individual agreement, a scheme made by the Minister or otherwise. Without prejudice to the Minister's discretion as to such conditions, all financial support provided shall so far as possible ultimately be recouped from the credit institution or subsidiary to which the support was provided.

F8[(4A) Where financial support is to be provided pursuant to a scheme under subsection (4), the Minister may, at the Minister's discretion, specify by order a period or periods during which credit institutions may incur borrowings, liabilities and obligations in respect of which financial support may be provided.]

(5) Where the Minister proposes to make a scheme under *subsection (4)*—

- (a) he or she shall cause a draft of the proposed scheme to be laid before each House of the Oireachtas, and
- (b) he or she shall not make the scheme unless and until a resolution approving of the draft has been passed by each such House.

(6) Without prejudice to *subsection (4)*, the conditions under which the Minister provides financial support under this section may include conditions regulating the commercial conduct of the credit institution or subsidiary to which the support is provided, and in particular may include conditions to regulate the competitive behaviour of that credit institution or subsidiary.

(7) The Minister may, as a condition of providing financial support to a credit institution or subsidiary under this section, require the credit institution or subsidiary to fulfil the requirements for the time being imposed by the Central Bank or equivalent authority (including those in relation to the conduct of its business and its competitive behaviour) and to continue to do so.

(8) A condition referred to in this section—

(a) may, where financial support is provided to a credit institution under this section, regulate the commercial conduct of a subsidiary (whether or not financial support is being provided to the subsidiary), and

(b) may, where financial support is provided under this section to a subsidiary of a credit institution, regulate the commercial conduct of the credit institution or another subsidiary (whether or not financial support is being provided to the credit institution).

(9) The Minister may subscribe for, take an allotment of or purchase shares and any other securities in a credit institution or subsidiary to which financial support is provided under this section on such terms as the Minister sees fit.

(10) The Minister may withdraw or revoke financial support provided to a credit institution or a subsidiary under this section in accordance with the terms or conditions of the financial support as the Minister thinks fit.

(11) For the purposes of this section, the Minister may, whenever and so often as he or she thinks fit, create and issue securities—

(a) bearing interest at such rate as he or she thinks fit, or no interest,

(b) for such cash or non-cash deferred consideration as he or she thinks fit, and

(c) subject to such terms and conditions as to repayment, repurchase, cancellation and redemption or any other matter as he or she thinks fit.

(12) All money to be paid out or non-cash assets to be given by the Minister under this section may be paid out of the Central Fund or the growing produce thereof.

(13) Money paid by a credit institution or subsidiary to the Minister, or any non-cash consideration received by the Minister from such credit institution or subsidiary, is to be paid into, or disposed of for the benefit of, the Exchequer in connection with the performance of his or her functions under this section or for any other purpose in such manner as the Minister thinks fit.

(14) Where financial support has been provided under this section to a credit institution or subsidiary, the Minister—

(a) shall from time to time review the necessity for the financial support, and

(b) if he or she is satisfied, having regard to the considerations set out in [section 2](#), that the financial support is no longer necessary, shall withdraw the financial support.

(15) As soon as practicable after the end of 2009 and each year thereafter, the Minister shall lay a report before each House of the Oireachtas for the purpose of informing the members of each House on the situation with regard to any financial support provided under this section. The report shall give particulars of—

(a) the aggregate amount of payment and the amount (if any) repaid to the Minister on foot of the payment, and

(b) the aggregate amount of money that was outstanding at the end of that year on foot of such financial support.

(16) The publication of the reports required by *subsection (15)* shall be taken as satisfying any obligation of the Minister under Regulation 3 of the European Communities (Financial Transparency) Regulations 2004 ([S.I. No. 693 of 2004](#)).

(17) A reference in section 99(2) of the [Companies Act 1963](#) to a charge shall be taken not to include any charge to secure a liability or obligation arising under this section created by a credit institution or subsidiary in favour of the Minister or any

agent of the Minister (including the National Treasury Management Agency) or the Central Bank. Section 99 of that Act shall not apply to any such charge.

(18) Notwithstanding any provision in the memorandum or articles of association of a credit institution or subsidiary that provides for the keeping of a register of charges created by that credit institution or subsidiary, a charge of a kind referred to in *subsection (17)* shall not be entered in that register.

(19) In *subsection (18)* “articles of association” shall, in the case of a body corporate that is not a company within the meaning of the Companies Acts, be taken to include any other instrument constituting or defining its constitution, including bye-laws.

F9[(20) In the event of there being any doubt or uncertainty over whether financial support provided or proposed to be provided to a current or former credit institution or current or former subsidiary of a credit institution or former credit institution may be provided under this section, the Minister may determine the matter.
