then, in respect of each such acquisition, purchase or development, an amount (referred to in this subsection as the “adjustment amount”) shall be calculated in accordance with *subparagraph (ii)* and the cancellation amount shall be the sum of the adjustment amounts so calculated or, if there is only one such adjustment amount, that amount: but if there is no adjustment amount, the cancellation amount is nil.

(ii) The adjustment amount shall be determined by the formula—

$$\frac{F24[D] \times (10 - F24[E])}{10}$$

where—

F24[D] is—

- (I) the amount of tax deductible in respect of such acquisition, purchase or development of such immovable goods, or

(2) Notwithstanding *section 3* but subject to *subsection (3)*, the State or any public body shall not be treated as a taxable person acting in that capacity in respect of any activity or transaction that is carried out by it in, or is closely linked to, the exercise by the State or that public body of particular rights or powers conferred on it by any enactment, except where—

(a) that activity is listed in Annex I of the VAT Directive (the text of which Annex is contained in *Schedule 6*) and is carried out by the State or the public body on a more than negligible scale, or

[VATA s. 8(8)]

(a) by notice in writing (in this section referred to as a “group notification”) to each of those persons deem them to be a single F32[accountable person] (in

(4) As on and from the date on which the group notification of the group is cancelled under *subsection (3)*, this Act and regulations shall apply to all the persons who were members of the group as if that group notification had not been issued, but without prejudice to the liability of any of those persons for tax or penalties in respect of anything done or not done during the period for which the group notification was in force.

(b) either the landlord or the occupant subsequently ceases to be a person in the group (in this section referred to as a “cessation”),

then, subject to *subsection (6)*, if the landlord has not exercised the landlord’s option to tax in accordance with *section 97* in respect of the letting of those immovable goods at the time of the cessation or does not have a waiver of his or her right to exemption from tax in accordance with *section 96(2) to (5)* still in effect at the time of the cessation—

(in part)]

(a) the supply of any goods or services (other than an interest in immovable goods which is not a freehold interest), or

(b) if there is no comparable supply of goods or services, means—

(i) in respect of goods, an amount that is not less than the purchase price of the goods or of similar goods or, in the absence of a purchase price, the cost price, determined at the time of supply,

- (ii) in respect of services, an amount that is not less than the full cost to the supplier of providing the service.

(b) if there is an agreement with the Revenue Commissioners for a method to be used in determining the exchange rate, then—

(i) the exchange rate to be used shall be the exchange rate obtained using that method, and

(ii) the method so agreed shall be applied for all transactions where an amount is expressed in a currency other than that of the State until the agreement to use such method is withdrawn by the Revenue Commissioners.

Determination
that open market
value applies.

[VATA s. 10(3A)]

38.—(1) The Revenue Commissioners may, where they consider it necessary or appropriate to do so to ensure the correct collection of the tax, make a determination that the amount on which tax is chargeable on a supply of goods or services is the open market value of that supply, if the Commissioners are satisfied—

(a) that the actual consideration in relation to that supply is—

(i) lower than the open market value of that supply where the recipient of that supply—

(I) has no entitlement to deduct tax under [Chapter 1](#) of [Part 8](#),

(II) is not entitled to deduct all of the tax chargeable on that supply, or

(III) is a flat-rate farmer,

(ii) lower than the open market value of that supply, being an exempted activity, where the supplier—

(2) Subject to *subsection (3)*, where, in a case not coming within *section 38*, the consideration actually received in relation to the supply of any goods or services is less than the amount on which tax is chargeable or no consideration is actually received, such relief may be given by repayment or otherwise in respect of the deficiency as may be provided by regulations.

(3) *Subsection (2)* shall not apply in the case of the letting of immovable goods which is a taxable supply of goods in accordance with *section 95*.

(4) Where, following the issue of an invoice by an accountable person in respect of a supply of goods or services, the accountable person allows a reduction or discount in the amount of the consideration due in respect of that supply, the relief referred to in *subsection (2)* shall not be given until he or she issues the credit note required in accordance with *section 67(1)(b)* in respect of that reduction or discount.

(b) the intra-Community acquisition has been subject to value-added tax, referred to in the VAT Directive, in that other Member State, and

(c) the intra-Community acquisition is also deemed to have taken place in the State in accordance with *section 32(2)*,

then the consideration for the intra-Community acquisition to which *paragraph (c)* relates shall be reduced to nil.

Two-thirds rule.

[VATA s. 10(8)]

41.—(1) Where the value of movable goods (other than goods of a kind specified in *paragraph 8* of *Schedule 2*) provided under an agreement for the supply of services exceeds two-thirds of the total consideration under the agreement for the provision of those goods and the supply of the services (other than transport services in relation to them)—

(a) the consideration shall be deemed to be referable solely to the supply of the goods, and

(b) tax shall be charged at the appropriate rate or rates specified in *Chapter 1* of *Part 6* on the basis of any apportionment of the total consideration made in accordance with *subsection (2)*.

(2) Where goods of different kinds are provided under an agreement of the kind referred to in *subsection (1)*, the amount of the consideration referable to the supply of goods of each kind shall be ascertained for the purposes of that subsection by apportioning the total consideration in proportion to the value of the goods of each kind provided.

(3) This section shall also apply to an agreement for the supply of immovable goods and, accordingly, the references in *subsections (1)* and *(2)* to an agreement for the supply of services shall be deemed to include a reference to such an agreement.

(4) This section does not apply in respect of a supply of services to which *section 16(3)* F86[or (5)] applies.

Taxable amount
for certain
supplies.

[VATA s. 10(4) to
(4C) and (5)]

42.—(1)(a) Subject to *paragraph (c)*, the amount on which tax is chargeable in relation to a supply of goods referred to in *section 19(1)(e)(ii)*, (f) or (g) or a supply of services by virtue of regulations made for the purposes of *section 27(1)(a)* or (b) shall be the cost (excluding tax) of the goods to the person supplying or acquiring the goods or the cost (excluding tax) of supplying the services, as the case may be.

(b) The amount on which tax is chargeable in relation to a supply of services by virtue of regulations made for the purposes of *section 27(1)(c)* shall be the open market price of the services supplied.

(c) Where the supply referred to in *paragraph (a)* is a supply of immovable goods (in this paragraph referred to as the “appropriation”), the cost to the person making the appropriation shall include an amount equal to the amount on which tax was chargeable on the supply of those goods to that person, being the last supply of those goods to that person which preceded the appropriation.

(2)(a) The amount on which tax is chargeable in relation to the supply of goods referred to in *section 19(1)(h)* shall be the cost of the goods to the person making the supply or, in the absence of such a cost, the cost price of similar goods in the State.

(b) Where an intra-Community acquisition occurs in the State following a supply of goods in another Member State which, if such supply were carried out in similar circumstances in the State would be a supply of goods in accordance with *section 19(1)(h)*, then the amount on which tax is chargeable in respect of that intra-Community acquisition shall be the cost to the person making the supply in that Member State or, in the absence of a cost to that person, the cost price of similar goods in that other Member State.

(3) The amount on which tax is chargeable in relation to services for which the recipient is, by virtue of F87[*section 12 or 17(1)*], liable for the tax chargeable, shall be the consideration for which the services were in fact supplied to him or her.

(4) In the case of a supply of goods of the kind referred to in *section 19(1)(c)*, where, as part of an agreement of the kind referred to in that section, the supplier of the goods is also supplying financial services of the kind specified in *paragraph 6(1)(e)* of *Schedule 1* in respect of those goods, the amount on which tax is chargeable in respect of the supply of the goods in question shall be the greater of—

- (a) the open market price of the goods,
- (b) the amount of the total consideration as specified in *section 37(1)* which the person supplying the goods becomes entitled to receive in respect of or in relation to such supply.

(5) Where goods chargeable with a duty of excise (other than alcohol products within the meaning of *section 92*), are supplied while warehoused, and before payment of the duty, to an unregistered person, the amount on which tax is chargeable in respect of the supply shall be increased by an amount equal to the amount of duty that would be payable in relation to the goods if the duty had become due at the time of the supply.

Vouchers, etc.

[VATA s. 10(6) to (7A) and s. 10(10) (in part)]

43.—(1) In this section “redeemable value” means the amount stated on a coupon, stamp, telephone card, token or voucher or, where an amount is not so stated, the value expressed in terms of money for which a coupon, stamp, telephone card, token or voucher can be used as consideration (or part consideration) for a supply of goods or services.

(2) Subject to *subsection (3)*, where a right to receive goods or services for the redeemable value of any coupon, stamp, telephone card, token or voucher is granted for a consideration, the consideration shall be disregarded for the purposes of this Act except to the extent (if any) that it exceeds that redeemable value.

(3) Notwithstanding *subsection (2)*, where—

(a) a supplier—

- (i) supplies a coupon, stamp, telephone card, token or voucher, which has a redeemable value, F88[to an accountable person] who acquires it in the course or furtherance of business with a view to resale, and
- (ii) promises to subsequently accept that coupon, stamp, telephone card, token or voucher at its redeemable value in full or part payment of the price of goods or services,

and

F88[(b) an accountable person who acquires that coupon, stamp, telephone card, token or voucher whether from the supplier referred to in *paragraph (a)* or from any other accountable person in the course or furtherance of business, supplies it for consideration in the course or furtherance of business,]

then, in the case of each such supply, the consideration received shall not be disregarded for the purposes of this Act and when such coupon, stamp, telephone card, token or voucher is used in payment or part payment of the price of goods or services, its redeemable value shall be disregarded for the purposes of *section 37(3)*.

(4) Provision may be made by regulations for the purpose of determining the amount on which tax is chargeable in relation to one or more of the following:

(a) supplies of coupons, stamps, tokens or vouchers when supplied as things in action (not being coupons, stamps, tokens or vouchers specified in *subsection (2)*);

(b) subject to *subsection (3)* or *(5)*, supplies of goods or services wholly or partly in exchange for coupons, stamps, telephone cards, tokens or vouchers of a kind specified in *subsection (2)* or *paragraph (a)*,

and such regulations may, in the case of supplies referred to in *paragraph (a)*, provide that the amount on which tax is chargeable shall be nil.

(5)(a) Where a supplier sells a voucher to a buyer at a discount and promises to subsequently accept that voucher at its face value in full or part payment of the price of goods purchased by a customer who was not the buyer of the voucher, and who does not normally know the actual price at which the voucher was sold by the supplier, the consideration represented by the voucher shall, subject to regulations (if any), be the sum actually received by the supplier on the sale of the voucher.

(b) *Paragraph (a)* is for the purpose of giving further effect to Article 73 of the VAT Directive, and shall be construed accordingly.

F89[Vouchers —
Multi-purpose
and single -
purpose, etc.]

43A.—(1) In this section—

"multi-purpose voucher" means a voucher other than a single-purpose voucher;

"single-purpose voucher" means a voucher where the place of supply of the goods or the services to which the voucher relates, and the tax due on those goods or services, are known at the time of issue of the voucher;

"voucher" means an instrument, whether in an electronic or physical format, where there is an obligation to accept it as consideration or part consideration for a supply of goods or services and where the goods or services to be supplied or the identities of their potential suppliers are either indicated on the instrument itself or in related documentation, including the terms and conditions of use of such instruments.

(2)(a) The actual handing over of goods or the actual provision of services in return for a multi-purpose voucher, accepted as consideration or part consideration by a supplier shall be a supply, but each preceding transfer of that multi-purpose voucher shall be disregarded for the purposes of this Act.

(b) Where a multi-purpose voucher is issued or transferred by a taxable person, other than the taxable person carrying out the supply as set out in *paragraph (a)*, the supply of additional services, insofar as they can be identified, shall be subject to tax.

(3) The taxable amount of the supply of goods or services provided in respect of a multi-purpose voucher shall be deemed to be equal to the consideration paid for the voucher or, in the absence of information on that consideration, the monetary value indicated on or within the multi-purpose voucher or in the related documentation, less the amount of tax relating to the goods or services supplied.

(4)(a) Each transfer of a single-purpose voucher made by a taxable person acting in his or her own name shall be regarded as a supply of goods or services to which the voucher relates and shall be subject to tax.

(b) Where a transfer of a single-purpose voucher is made by a taxable person acting in the name of another person, that transfer shall be regarded as a supply of goods or services made by that other person in whose name the taxable person is acting.

(c) Where the supplier of goods or services is not the taxable person who, acting in his or her own name, issued the single-purpose voucher, that supplier shall

be deemed to have made that supply of the goods or services related to that voucher to that taxable person.

(d) The actual handing over of the goods or the actual provision of the services in return for a single-purpose voucher accepted as consideration or part consideration by the supplier shall not be regarded as an independent transaction and shall not be subject to tax.

(5) Where a supplier sells a single-purpose voucher to a buyer at a discount and promises to subsequently accept that voucher at its face value in full or part payment of the price of the goods or services purchased by a customer who was not the buyer of the voucher, and who does not normally know the actual price at which the voucher was sold by the supplier, the consideration represented by the voucher shall, subject to regulations (if any), be the sum actually received by the supplier on the sale of the voucher.

(6) This section shall apply to a single-purpose voucher or a multi-purpose voucher issued on or after 1 January 2019.]

Non-business use
of immovable
goods.

[VATA s. 10(4D)]

44.—(1) The amount on which tax is chargeable in relation to a supply of services referred to in *section 27(2)* in any taxable period shall be an amount equal to one sixth of one twentieth of the cost of the immovable goods used to provide those services, being—

(a) the amount on which tax was chargeable to the person making the supply in respect of that person's acquisition or development of the immovable goods referred to in *section 27(2)*, and

(b) in the case where *section 20(2)(c)* applied to the acquisition of the immovable goods, the amount on which tax would have been chargeable but for the application of that section,

adjusted to correctly reflect the proportion of the use of the goods in that period.

(2) The Revenue Commissioners may make regulations specifying methods which may be used—

(a) to identify the proportion which correctly reflects the extent to which immovable goods are used for the purposes referred to in *section 27(2)*, and

(b) to calculate the relevant taxable amount or amounts.

CHAPTER 2

Adjustment and recovery of consideration

Adjustment and
recovery of
consideration.

[VATA s. 35(1A)
to (2)]

45.—(1) Where, after the making of an agreement for the supply of goods or services and before the date on which under *section 74(1)* or (2), as may be appropriate, any tax in respect of the transaction falls due, there is a change in the amount of tax chargeable on the supply in question, then, in the absence of agreement to the contrary, there shall be added to or deducted from the total amount of the consideration and any tax stated separately under the agreement an amount equal to the amount of the change in the tax chargeable.

(2) References in *subsection (1)* to a change in the amount of tax chargeable on the supply of goods or services include references to a change to or from a situation in which no tax is being charged on the supply.

(3) Subject to *subsection (4)*, where, in relation to a supply of goods or services by an accountable person, the person issues an invoice in which the tax chargeable in respect of the transaction is stated separately, then, for the purpose of its recovery,

the tax so stated shall be deemed to be part of the consideration for the transaction and shall be recoverable accordingly by the person.

(4) Where the invoice referred to in *subsection (3)* is issued pursuant to *section 66(1)*, *subsection (3)* shall not apply unless the invoice is in the form and contains the particulars specified by regulations.

(a) in the case of a composite supply, the tax chargeable on the total consideration which the accountable person is entitled to receive for that composite supply shall be at the rate specified in *section 46(1)* which is appropriate to the principal supply, but if that principal supply is an exempted activity, tax shall not be chargeable in respect of that composite supply,

(b) in the case of a multiple supply—

³⁶ OJ No. L359, 29.10.2020, p.8

- (ii) in order to ascertain the taxable amount referable to each individual supply for the purpose of applying the appropriate rate thereto, the total consideration which the accountable person is entitled to receive in respect of that multiple supply shall be apportioned between those individual supplies in a way that correctly reflects the ratio which the value of each such individual supply bears to the total consideration for that multiple supply.

(2) In the case where a person acquires a composite supply or a multiple supply by means of an intra-Community acquisition, this section shall apply to that acquisition.

(3) The Revenue Commissioners may make regulations as necessary specifying—

- (a) the circumstances or conditions under which a supply may or may not be treated as an ancillary supply, a composite supply, an individual supply, a multiple supply or a principal supply,

“dual-use inputs” means movable goods or services (other than goods or services on the purchase or acquisition of which, by virtue of [section 60\(2\)](#), a deduction of tax shall not be made, or services related to the development of immovable goods that are subject to [Chapter 2](#)) which are not used solely for the purposes of either deductible supplies or activities or non-deductible supplies or activities;

F142[“non-deductible supplies or activities” means the supply of goods or services or the carrying out of activities other than deductible supplies or activities, and, in the case of immovable goods acquired or developed by an accountable person on or after 1 January 2011, includes any activity consisting of the use of those goods, or part of those goods, for any purpose other than the accountable person’s business;]

“total supplies and activities” means deductible supplies or activities and non-deductible supplies or activities.

(2) Where an accountable person engages in both deductible supplies or activities and non-deductible supplies or activities, then, in relation to the person’s acquisition of dual-use inputs for the purpose of that person’s business for a period, the person shall be entitled to deduct in accordance with [section 59\(2\)](#) only such proportion of tax, borne or payable on that acquisition, which is calculated in accordance with this section and regulations, as being attributable to his or her deductible supplies or activities and such proportion of tax is, for the purposes of this section, referred to as the “proportion of tax deductible”.

(3) For the purposes of this section, the reference in *subsection (2)* to “tax, borne or payable” shall, in the case of an acquisition of a qualifying vehicle (within the meaning of [section 59\(1\)](#)) be deemed to be a reference to “20 per cent of the tax, borne or payable”.

F143[(4) Subject to *subsection (5)*, the proportion of tax deductible by an accountable person in a taxable period shall be calculated on the basis of the ratio which the amount of the person's tax-exclusive turnover from deductible supplies or activities in the accounting year in which that taxable period ends bears to the person's tax-exclusive turnover from total supplies and activities in that accounting year.

(5) Where the proportion of tax deductible calculated in accordance with *subsection (4)* does not—

(a) correctly reflect the extent to which the dual-use inputs are used for the purposes of the person's deductible supplies or activities, or

(b) have due regard to the range of the person's total supplies and activities,

the accountable person shall use any other basis which results in a proportion of tax deductible which—

(i) correctly reflects the extent to which the dual-use inputs are used for the purposes of the person's deductible supplies or activities, and

(ii) has due regard to the range of the person's total supplies and activities.]

(6) Where it is necessary to do so to ensure that the proportion of tax deductible by an accountable person is in accordance with F143[*this section*,] the accountable person shall—

(b) exclude, from the calculation of the proportion of tax deductible, amounts of turnover from incidental transactions by that person of the kind specified in *paragraph 6 of Schedule 1* or amounts of turnover from incidental transactions by that person in immovable goods.

(7) The proportion of tax deductible as calculated by an accountable person for a taxable period shall be adjusted in accordance with regulations if, for the accounting year in which the taxable period ends, that proportion does not—

(a) correctly reflect the extent to which the dual-use inputs are used for the purposes of the person's deductible supplies or activities, or

(b) have due regard to the range of the person's total supplies and activities.

(b) The accountable person shall be obliged to reduce the amount of the tax deductible by that person for the taxable period in which the qualifying vehicle is disposed of by an amount calculated in accordance with the formula—

$$\frac{TD \times (4 - N)}{4}$$

where—

TD is the amount of tax deducted by that person on the purchase, acquisition or importation of that vehicle, and

N is a number that is equal to the number of days from the date of purchase, acquisition or importation of that vehicle by that person to the date of

disposal by that person, divided by 182 and rounded down to the nearest whole number,

but if that N is greater than 4 then N shall be 4.

(2)(a) This subsection applies where an accountable person deducts tax in relation to the purchase, intra-Community acquisition or importation of a qualifying vehicle (within the meaning of *section 59(1)*) in accordance with *section 59(2)(d)* and that vehicle is subsequently used for less than 60 per cent business purposes in a taxable period.

(b) The accountable person is obliged to reduce the amount of tax deductible by that person for that taxable period by an amount calculated in accordance with the formula—

$$\frac{TD \times (4 - N)}{4}$$

where—

TD is the amount of tax deducted by that person on the purchase, acquisition or importation of the qualifying vehicle, and

N is a number that is equal to the number of days from the date of purchase, acquisition or importation of that vehicle by that person to the first day of the taxable period in which that vehicle is used for less than 60 per cent business purposes, divided by 182 and rounded down to the nearest whole number,

but if that N is greater than 4 then N shall be 4.

(b) the consideration, or part thereof, due to the supplier of the goods or services has not been paid by that accountable person on or before the last day of the third taxable period following the initial period,

that accountable person shall reduce the amount of tax deductible by him or her in accordance with *subsection (2)*.

(2) Where *subsection (1)* applies, the accountable person shall reduce the amount of tax deductible by him or her, in the third taxable period following the initial period, by an amount calculated in accordance with the following formula, subject to any apportionment arising in accordance with *section 61*:

$$(A-B) \times C$$

where—

A is the total consideration (exclusive of value-added tax),

B is the consideration or part thereof (exclusive of value-added tax) that has been paid, and

C is the percentage rate of tax chargeable in relation to the supply of the goods or services.

(3) Where an accountable person has reduced the amount of tax deductible in a taxable period in accordance with *subsection (2)* and subsequently that accountable person pays the consideration, or part thereof, due to the supplier of the goods or

services, that accountable person shall, in the taxable period in which that consideration, or part thereof, was paid, increase the amount of the tax deductible by him or her, by an amount calculated in accordance with the following formula, subject to any apportionment arising in accordance with *section 61*:

$$D \times C$$

where—

D is the consideration or part thereof (exclusive of value-added tax) paid during that period, and

C is the percentage rate of tax chargeable in relation to the supply of the goods or services.

(4) Where, on or before the due date for submission of the return required under *section 76* or *77* relating to the third taxable period after the initial period, an accountable person satisfies the Revenue Commissioners that there are reasonable grounds for not having paid the full consideration, or part thereof, to the supplier on or before the date referred to in *subsection (1)(b)*, this section shall not apply.

(5) The Revenue Commissioners may make regulations in relation to the operation of this section.]

Capital goods scheme.

[VATA s. 12E
(3)(a), (c) and (d)
and (4) to (13)]

64.—(1)(a) In relation to a capital good the number of intervals in the adjustment period during which adjustments of deductions are required under this Chapter to be made is—

- (i) in the case of refurbishment, 10 intervals,
- (ii) in the case of a capital good to which [subsection \(5\)\(a\) or \(b\)](#) applies, the number of full intervals remaining in the adjustment period applicable to that capital good plus one as required to be calculated in accordance with the formula set out in [subsection \(6\)\(b\)](#), and
- (iii) in all other cases, 20 intervals.
- (b) Where a capital goods owner supplies or transfers by means of a transfer to which [section 20\(2\)\(c\)](#) applies a capital good during the adjustment period, then the adjustment period for that capital good for that owner shall end on the date of that supply or transfer.
- (2)(a) Where the initial interval proportion of deductible use in relation to a capital good differs from the proportion of the total tax incurred in relation to that capital good which was deductible by that owner in accordance with [Chapter 1](#), then that owner shall, at the end of the initial interval, calculate an amount in accordance with the formula—

$$A - B$$

where—

A is the amount of the total tax incurred in relation to that capital good which was deductible by that owner in accordance with [Chapter 1](#), and

B is the total reviewed deductible amount in relation to that capital good.

(b) Where in accordance with [paragraph \(a\)](#)—

- (i) A is greater than B, then the amount calculated in accordance with the formula set out in [paragraph \(a\)](#) shall be payable by that owner as if it were tax due in accordance with [Chapter 3](#) of [Part 9](#) for the taxable period immediately following the end of the initial interval, or
- (ii) B is greater than A, then that owner is entitled to increase the amount of tax deductible for the purposes of [Chapter 1](#) by the amount calculated in accordance with [paragraph \(a\)](#) for the taxable period immediately following the end of the initial interval.
- (c) Where a capital good is not used during the initial interval, then the initial interval proportion of deductible use is the proportion of the total tax incurred that is deductible by the capital goods owner in accordance with [Chapter 1](#).
- (3)(a) Subject to [subsection \(4\)\(e\)](#), where in respect of an interval (other than the initial interval) the proportion of deductible use for that interval in relation

to a capital good differs from the initial interval proportion of deductible use in relation to the capital good, then the capital goods owner shall, at the end of that interval, calculate an amount in accordance with the formula—

$$C - D$$

where—

C is the reference deduction amount in relation to that capital good, and

D is the interval deductible amount in relation to that capital good.

(b) Where in accordance with *paragraph (a)* —

(i) C is greater than D, then the amount calculated in accordance with the formula set out in *paragraph (a)* shall be payable by that owner as if it were tax due in accordance with *Chapter 3* of *Part 9* for the taxable period immediately following the end of that interval, or

(ii) D is greater than C, then that owner is entitled to increase the amount of tax deductible for the purposes of *Chapter 1* by the amount calculated in accordance with the formula set out in *paragraph (a)* for the taxable period immediately following the end of that interval.

(4)(a) Where in respect of a capital good for an interval (other than the initial interval) the proportion of deductible use expressed as a percentage differs by more than 50 percentage points from the initial interval proportion of deductible use expressed as a percentage, then the capital goods owner shall at the end of that interval calculate an amount in accordance with the formula—

$$(C - D) \times N$$

where—

C is the reference deduction amount in relation to that capital good,

D is the interval deductible amount in relation to that capital good, and

N is the number of full intervals remaining in the adjustment period at the end of that interval plus one.

(b) Where in accordance with *paragraph (a)*—

(i) C is greater than D, then the amount calculated in accordance with the formula set out in *paragraph (a)* shall be payable by that owner as if it were tax due in accordance with *Chapter 3* of *Part 9* for the taxable period immediately following the end of that interval, or

(ii) D is greater than C, then that owner is entitled to increase the amount of tax deductible for the purposes of *Chapter 1* by the amount calculated in accordance with the formula set out in *paragraph (a)* for the taxable period immediately following the end of that interval.

(c) *Paragraph (a)* shall not apply to a capital good or part thereof that has been subject to *subsection (5)(a)* or *(b)* during the interval to which *paragraph (a)* applies.

(d) Where a capital goods owner is obliged to carry out a calculation referred to in *paragraph (a)* in respect of a capital good, then, for the purposes of the

remaining intervals in the adjustment period, the proportion of deductible use in relation to that capital good for the interval in respect of which the calculation is required to be made shall be treated as if it were the initial interval proportion of deductible use in relation to that capital good and, until a further calculation is required under *paragraph (a)*, all other definition amounts shall be calculated accordingly.

- (e) Where the other provisions of this subsection apply to an interval, then *subsection (3)* does not apply to the interval.
- (5)(a) Where a capital goods owner who is a landlord in respect of all or part of a capital good terminates his or her landlord's option to tax in accordance with *section 97(1)* in respect of any letting of that capital good, then—
 - (i) that owner is deemed, for the purposes of this Chapter, to have supplied and simultaneously acquired the capital good to which that letting relates,
 - (ii) that supply shall be deemed to be a supply on which tax is not chargeable and no option to tax that supply in accordance with *section 94(5)* shall be permitted on that supply, and
 - (iii) the capital good acquired shall be treated as a capital good for the purposes of this Chapter and the amount calculated in accordance with *subsection (6)(b)* on that supply shall be treated as the total tax incurred in relation to that capital good.
- (b) Where in respect of a letting of a capital good that is not subject to a landlord's option to tax in accordance with *section 97(1)*, a landlord subsequently exercises a landlord's option to tax in respect of a letting of that capital good, then—
 - (i) that landlord is deemed, for the purposes of this Chapter, to have supplied and simultaneously acquired that capital good to which that letting relates,
 - (ii) that supply shall be deemed to be a supply on which tax is chargeable, and
 - (iii) the capital good acquired shall be treated as a capital good for the purposes of this Chapter, and—
 - (I) the amount calculated in accordance with *subsection (6)(a)* shall be treated as the total tax incurred in relation to that capital good,
 - (II) the total tax incurred shall be deemed to have been deducted in accordance with *Chapter 1* at the time of that supply.
- (6)(a)(i) Where—
 - (I) a capital goods owner supplies a capital good or transfers a capital good, being a transfer to which *section 20(2)(c)* applies (other than a transfer to which *subsection (10)(c)* F147[applies].], during the adjustment period in relation to that capital good,
 - (II) tax is chargeable on that supply, or tax would have been chargeable on that transfer but for the application of *section 20(2)(c)*, and
 - (III) the non-deductible amount in relation to that capital good for that owner is greater than zero or, in the case of a supply or transfer during the initial interval, that owner was not entitled to deduct all of the total tax incurred in accordance with *Chapter 1*,

then that owner is entitled to increase the amount of tax deductible by that owner for the purposes of *Chapter 1* for the taxable period in which the supply or transfer occurs by an amount (in this paragraph referred to

as the “relevant amount”) calculated in accordance with *subparagraph (II)*.

(ii) The relevant amount shall be calculated in accordance with the formula—

$$\frac{E \times N}{T}$$

where—

E is the non-deductible amount in relation to that capital good or, in the case of a supply before the end of the initial interval, the amount of the total tax incurred in relation to that capital good which was not deductible by that owner in accordance with *Chapter 1*,

N is the number of full intervals remaining in the adjustment period in relation to that capital good at the time of supply plus one,

T is the total number of intervals in the adjustment period in relation to that capital good.

(b)(i) Where—

(I) a capital goods owner supplies a capital good during the adjustment period applicable to that capital good,

(II) tax is not chargeable on that supply, and

(III) either—

(A) the total reviewed deductible amount in relation to that capital good is greater than zero, or

(B) in the case of a supply before the end of the initial interval where the amount of the total tax incurred in relation to that capital good which was deductible by that owner in accordance with *Chapter 1* is greater than zero,

then that owner shall calculate, in accordance with *subparagraph (ii)*, an amount (in this paragraph referred to as the “relevant amount”) which shall be payable as if it were tax due in accordance with *Chapter 3* of *Part 9* for the taxable period in which the supply occurs.

(ii) The relevant amount shall be calculated in accordance with the formula—

$$\frac{B \times N}{T}$$

where—

B is the total reviewed deductible amount in relation to that capital good or, in the case of a supply to which *subparagraph (i)(III)(B)* applies, the amount of the total tax incurred in relation to that capital good which that owner claimed as a deduction in accordance with *Chapter 1*,

N is the number of full intervals remaining in the adjustment period in relation to that capital good at the time of supply plus one, and

T is the total number of intervals in the adjustment period in relation to that capital good.

(c) Where a capital goods owner supplies or transfers, being a transfer to which *section 20(2)(c)* applies, part of a capital good during the adjustment period, then, for the remainder of the adjustment period applicable to that capital good—

- (i) the total tax incurred,
 - (ii) the total reviewed deductible amount, and
 - (iii) all other definition amounts,
- in relation to the remainder of that capital good for that owner shall be adjusted accordingly on a fair and reasonable basis.
- (7)(a) Where a tenant who has an interest in immovable goods (other than a freehold equivalent interest) and who is the capital goods owner in respect of a refurbishment of those goods assigns or surrenders the interest during the adjustment period applicable to the refurbishment, then the tenant—
- (i) shall, in accordance with the formula set out in *subsection (6)(b)*, calculate an amount in respect of the refurbishment, and
 - (ii) shall pay the amount as if it were tax due (as provided by *Chapter 3 of Part 9*) for the taxable period in which the assignment or surrender occurs.
- (b) *Paragraph (a)* shall not apply where—
- (i) either—
 - (I) the total reviewed deductible amount in relation to that capital good is equal to the total tax incurred in relation to that capital good, or
 - (II) in relation to an assignment or surrender that occurs prior to the end of the initial interval in relation to that capital good, the tenant was entitled to deduct all of the total tax incurred in accordance with *Chapter 1* in relation to that capital good,
 - (ii) the tenant enters into a written agreement with the person to whom the interest is assigned or surrendered, to the effect that that person shall be responsible for all obligations under this Chapter in relation to the capital good referred to in *paragraph (a)* from the date of the assignment or surrender of the interest referred to in *paragraph (a)*, as if—
 - (I) the total tax incurred and the amount deducted by that tenant in relation to that capital good were the total tax incurred and the amount deducted by the person to whom the interest is assigned or surrendered, and
 - (II) any adjustments required to be made under this Chapter by the tenant were made,
 - and
 - (iii) the tenant issues a copy of the capital good record in respect of the capital good referred to in *paragraph (a)* to the person to whom the interest is being assigned or surrendered.
- (c) Where *paragraph (b)* applies, the person to whom the interest is assigned or surrendered—
- (i) shall be responsible for the obligations referred to in *paragraph (b)(ii)*, and
 - (ii) shall use the information in the copy of the capital good record issued by the tenant in accordance with *paragraph (b)(iii)* for the purposes of calculating any tax chargeable or deductible in accordance with this Chapter in respect of that capital good by that person from the date of the assignment or surrender of the interest referred to in *paragraph (a)*.

(d) Where the capital good is one to which *subsection (11)* applies, *paragraphs (a), (b) and (c)* shall not apply.

(8)(a) *Paragraph (c)* applies where—

(i) either—

(I) a capital goods owner supplies a capital good during the adjustment period applicable to that capital good and tax is chargeable on that supply, or

(II) a capital goods owner transfers (other than a transfer to which *subsection (10)(c)* applies) a capital good during the adjustment period applicable to that capital good and tax would have been chargeable on that transfer but for the application of *section 20(2)(c)*,

(ii) at the time of that supply or transfer, that owner and the person to whom the capital good is supplied or transferred are connected within the meaning of *section 97*, and

(iii) the amount of tax—

(I) chargeable on the supply of that capital good,

(II) that would have been chargeable on the transfer of that capital good but for the application of *section 20(2)(c)*, or

(III) that would have been chargeable on the supply but for the application of *section 56*,

is less than the amount (in this subsection referred to as the “adjustment amount”) calculated in accordance with *paragraph (b)*.

(b) The adjustment amount shall be calculated in accordance with the formula—

$$\frac{H \times N}{T}$$

where—

H is the total tax incurred in relation to that capital good for the capital goods owner making that supply or transfer,

N is the number of full intervals remaining in the adjustment period in relation to that capital good plus one, and

T is the total number of intervals in the adjustment period in relation to that capital good.

(c) The capital goods owner shall calculate an amount, which shall be payable by that owner as if it were tax due in accordance with *Chapter 3* of *Part 9* for the taxable period in which the supply or transfer occurs, in accordance with the formula—

$$I - J$$

where—

I is the adjustment amount, and

J is the amount of tax chargeable on the supply of that capital good, or the amount of tax that would have been chargeable on the transfer of that capital good but for the application of *section 20(2)(c)*, or the amount of tax that would have been chargeable on the supply but for the application of *section 56*.

F148[(8A) (a) Paragraph (b) applies where—

(i) either—

(I) a capital goods owner supplies a capital good which has not been completed and tax is chargeable on that supply, or

(II) a capital goods owner transfers (other than a transfer to which *subsection (10)(c)* applies) a capital good which has not been completed and tax would have been chargeable on that transfer but for the application of *section 20(2)(c)*,

(ii) at the time of that supply or transfer, that owner and the person to whom the capital good is supplied or transferred are connected within the meaning of *section 97*, and

(iii) the amount of tax—

(I) chargeable on the supply of that capital good,

(II) that would have been chargeable on the transfer of that capital good but for the application of *section 20(2)(c)*, or

(III) that would have been chargeable on the supply but for the application of *section 56*,

is less than the total tax incurred in relation to that capital good by the capital goods owner making that supply or transfer.

(b) The capital goods owner shall calculate an amount, which shall be payable by that owner as if it were tax due in accordance with *Chapter 3 of Part 9* for the taxable period in which the supply or transfer occurs, in accordance with the formula—

$$K - L$$

where—

K is the total tax incurred in relation to that capital good by the capital goods owner making that supply or transfer, and

L is the amount of tax chargeable on the supply of that capital good, or the amount of tax that would have been chargeable on the transfer of that capital good but for the application of *section 20(2)(c)*, or the amount of tax that would have been chargeable on the supply but for the application of *section 56*.]

(9)(a) In this subsection—

“connected supply” means a supply or transfer of a capital good which is a supply or transfer on which a seller would, but for the application of this subsection, be obliged to calculate an amount of tax due in accordance with *subsection (8)*;

“purchaser” means the person to whom the supply or transfer referred to in *subsection (8)* is made;

“seller” means the capital goods owner referred to in *subsection (8)* who makes the supply or transfer of the capital good referred to in that subsection.

(b) *Subsection (8)* shall not apply where—

F149[(i) a connected supply occurs and the seller enters into a written agreement with the purchaser to the effect that the purchaser shall be

responsible for all obligations under this Chapter in relation to the capital good from the date of the supply or transfer of that capital good, as if—

- (I) the purchaser had acquired or developed the capital good at the time it was acquired or developed by the seller,
- (II) the total tax incurred and the amount deducted by that seller in relation to that capital good were the total tax incurred and the amount deducted by the purchaser, and
- (III) any adjustments made in accordance with this Chapter by the seller were made by the purchaser,]

and

- (ii) the seller issues a copy of the capital good record in respect of the capital good referred to in *subparagraph (i)* to the purchaser.

F149[(c) Where *paragraph (b)* applies—

- (i) the purchaser shall:

- (I) be responsible for the obligations referred to in *paragraph (b)(i)*, and
- (II) use the information in the copy of the capital good record issued by the seller in accordance with *paragraph (b)(ii)* for the purposes of calculating any tax chargeable or deductible in accordance with this Chapter in respect of that capital good by that purchaser from the date on which the supply or transfer referred to in *paragraph (b)(i)* occurs,

and

- (ii) the connected supply shall be deemed not to be a supply for the purposes of this Act.]

(10)(a) Where a capital goods owner acquires a capital good—

- (i) by way of a transfer, being a transfer to which *section 20(2)(c)* applies other than a transfer to which *paragraph (c)* applies, on which tax would have been chargeable but for the application of *section 20(2)(c)*, or
- (ii) on the supply or development of which tax was chargeable in accordance with *section 56*,

then, for the purposes of this Chapter, that capital goods owner is deemed to have claimed a deduction in accordance with *Chapter 1* of the tax that would have been chargeable—

- (I) on the transfer of that capital good but for the application of *section 20(2)(c)*, less any amount accounted for by that owner in respect of that transfer in accordance with *paragraph (b)*, and
- (II) on the supply or development of that capital good but for the application of *section 56*.

(b)(i) Where—

- (I) a transfer of ownership of a capital good (in this paragraph referred to as the “relevant capital good”) occurs, being a transfer to which *section 20(2)(c)* applies, but excluding a transfer to which *paragraph (c)* applies, and
- (II) the transferee would not have been entitled to deduct all of the tax that would have been chargeable on that transfer but for the application of *section 20(2)(c)*,

then that transferee shall calculate an amount (in this paragraph referred to as the “relevant amount”) in accordance with *subparagraph (ii)*.

(ii) The relevant amount shall be calculated in accordance with the formula—

$$F - G$$

where—

F is the amount of tax that would have been chargeable but for the application of *section 20(2)(c)*, and

G is the amount of that tax that would have been deductible in accordance with *Chapter 1* by that transferee if *section 20(2)(c)* had not applied to that transfer.

(iii) The relevant amount shall be payable by that transferee as if it were tax due in accordance with *Chapter 3* of *Part 9* for the taxable period in which the transfer occurs.

(iv) For the purposes of this Chapter, the relevant amount shall be deemed to be the amount of the total tax incurred in relation to the relevant capital good that the transferee was not entitled to deduct in accordance with *Chapter 1*.

(c) Where a capital goods owner makes a transfer of a capital good to which this paragraph applies—

(i) the transferor shall issue a copy of the capital good record to the transferee,

(ii) the transferee becomes the successor to the capital goods owner who transferred the capital good and is responsible for all obligations of that owner under this Chapter from the date of the transfer of that good, as if—

(I) the total tax incurred and the amount deducted by the transferor in relation to the good were the total tax incurred and the amount deducted by the transferee, and

(II) any adjustments required to be made under this Chapter by the transferor had been made,

and

(iii) the transferee as successor shall use the information in the copy of the capital good record issued by the transferor in accordance with *subparagraph (i)* for the purpose of calculating the tax chargeable or deductible by the successor in accordance with this Chapter for the remainder of the adjustment period applicable to that good as from the date of its transfer.

(d) *Paragraph (c)* applies to a transfer of a capital good if—

(i) the transfer is of the kind referred to in *section 20(2)(c)*, and

(ii) but for the application of *section 20(2)*, that transfer would be a supply—

(I) that is exempt in accordance with *section 94(2)* or *95(3)* or *(7)(b)*, or

(II) in respect of which tax is chargeable in accordance with *section 95(7)(a)*.

(11) Where a capital good is destroyed during the adjustment period in relation to that capital good, then no further adjustment under this Chapter shall be made by

the capital goods owner in respect of any remaining intervals in the adjustment period in relation to that capital good.

(12) A capital goods owner shall create and maintain a record (in this Chapter referred to as a "capital good record") in respect of each capital good and that record shall contain sufficient information to determine any adjustments in respect of that capital good required in accordance with this Chapter.

F150[(12A) (a) In this subsection—

"end date" means the date on which either the mortgagee ceases to have possession or the receiver's appointment ends;

"mortgagee" includes any person having the benefit of a charge or lien or any person deriving title to the mortgage under the original mortgagee;

F151["start date" means—

(i) where *subparagraph (i)* or *(ii)* of *paragraph (b)* applies, the date on which either the mortgagee takes possession or the receiver is appointed, or

(ii) where *subparagraph (i)* or *(ii)* of *paragraph (ba)* applies, 1 May 2014.]

(b) Where a capital good is held as security or is subject to a charge or lien and F152[, on or after 27 March 2013,] either—

(i) a mortgagee takes possession, or

(ii) a receiver is appointed by or on the application of a mortgagee or under [section 147](#) of the [National Asset Management Agency Act 2009](#) or by any other means,

then the capital goods owner (in this subsection referred to as the "defaulter") shall furnish a copy of the capital goods record to that mortgagee or that receiver and on and from the start date, but subject to the subsequent provisions of this subsection, that mortgagee or that receiver shall be treated for the purposes of this Chapter as if that mortgagee or that receiver were the capital goods owner.

F153[(ba) Where a capital good is held as security or is subject to a charge or lien and, before 27 March 2013, either—

(i) a mortgagee took possession, or

(ii) a receiver was appointed by or on the application of a mortgagee or under [section 147](#) of the [National Asset Management Agency Act 2009](#) or by any other means,

then the defaulter shall, within 60 days after the date of the passing of the Finance (No. 2) Act 2013 furnish a copy of the capital goods record to that mortgagee or that receiver and on and from the start date, but subject to the subsequent provisions of this subsection, that mortgagee or that receiver shall be treated for the purposes of this Chapter as if that mortgagee or that receiver were the capital goods owner.]

(c) Where *paragraph (b)* F154[or (ba)] applies the mortgagee or the receiver shall be responsible for all obligations of that defaulter under this Chapter as if—

(i) the capital good were acquired or developed by that mortgagee or that receiver at the time it was acquired or developed by the defaulter,

(ii) the total tax incurred and the amount deducted by the defaulter in relation to the good were the total tax incurred and the amount deducted by that mortgagee or that receiver, and

(iii) any adjustments required to be made under this Chapter by the defaulter had been made,

and that mortgagee or that receiver shall use the information in the copy of the capital good record issued by the defaulter, in accordance with *paragraph (b) F154*[or *(ba)*, as appropriate], for the purposes of calculating any tax payable *F154*[or deductible] by that mortgagee or that receiver in accordance with this Chapter and *section 76(2)* for the remainder of the adjustment period applicable to that capital good.

(d) Where *paragraph (c)* applies and if—

(i) the mortgagee ceases to have possession (other than where *paragraph (h)* applies or on a disposal of the capital good), or

(ii) the receiver's appointment ends (other than where *paragraph (h)* applies) and the capital good has not been disposed of by the receiver,

then that mortgagee or that receiver shall furnish a copy of the capital goods record to the defaulter and from the end date the defaulter shall be treated for the purposes of this Chapter as if that defaulter were the capital goods owner.

(e) Where *paragraph (d)* applies the defaulter shall be responsible for all obligations of that mortgagee or that receiver under this Chapter as if—

(i) the capital good were acquired or developed by the defaulter at the time it was deemed, in accordance with *paragraph (c)(i)*, to have been acquired by the mortgagee or the receiver,

(ii) the total tax deemed to be incurred and the amount deemed to be deducted by that mortgagee or that receiver, in accordance with *paragraph (c)(ii)*, in relation to the good were the total tax incurred and the amount deducted by the defaulter, and

(iii) any adjustments required to be made under this Chapter by that mortgagee or that receiver had been made,

and the defaulter shall use the information in the copy of the capital good record issued by the mortgagee or the receiver, in accordance with *paragraph (d)*, for the purposes of calculating any tax payable or deductible by that defaulter in accordance with this Chapter for the remainder of the adjustment period applicable to that capital good.

(f) Where an amount of tax is payable in respect of an interval in accordance with *subsection (2)(b)(i)*, *(3)(b)(i)* or *(4)(b)(i)*, and where the start date or the end date or both occur during that interval, the amount of that tax that shall be payable by the mortgagee or the receiver shall be calculated in accordance with the following formula—

$$J \times \frac{K}{L}$$

where—

J is the amount of the tax payable in accordance with *subsection (2)(b)(i)*, *(3)(b)(i)* or *(4)(b)(i)*,

K is the number of days during the interval in which the mortgagee has possession or the receiver has been appointed,

L is the number of days in the interval,

and the defaulter shall pay the balance (if any).

- (g) Where there is an increase in the amount of tax deductible in respect of an interval in accordance with *subsection (2)(b)(ii), (3)(b)(ii) or (4)(b)(ii)*, and where the start date or the end date or both occur during that interval, the amount of that increase in deductibility to which the mortgagee or the receiver shall be entitled shall be calculated using the following formula—

$$M \times \frac{K}{L}$$

where—

M is the amount of the increase in deductibility in accordance with *subsection (2)(b)(ii), (3)(b)(ii) or (4)(b)(ii)*,

K is the number of days during the interval in which the mortgagee has possession or the receiver has been appointed,

L is the number of days in the interval,

and the defaulter shall be entitled to the balance (if any).

- (h) Where *paragraph (c)* applies and if—

(i) a mortgagee ceases to have possession and another mortgagee takes possession,

(ii) a mortgagee ceases to have possession and a receiver is appointed,

(iii) a receiver's appointment ends and a mortgagee takes possession, or

(iv) a receiver's appointment ends and another receiver is appointed,

then, in each case, the person who ceases to have possession or whose appointment ends shall furnish a copy of the capital goods record to the mortgagee who takes possession or the receiver who is appointed and, from the start date, that mortgagee or that receiver shall be treated for the purposes of this Chapter as if that mortgagee or that receiver were the capital goods owner and shall be responsible for the obligations of the preceding mortgagee or receiver in accordance with *paragraphs (c) and (d)*.]

(13) The Revenue Commissioners may make regulations necessary for the purposes of the operation of this Chapter, in particular in relation to the duration of a subsequent interval where the accounting year of a capital goods owner changes.

CHAPTER 4

Tax due on moneys received

Tax due on
moneys received
basis.

[VATA s. 14]

80.—(1) A person who satisfies the Revenue Commissioners that—

F184[(a) taking one period with another, at least 90 per cent of the person's annual turnover is derived from supplies to persons who are not registered persons, or]

F184[(b) the total annual turnover which the person is entitled to receive has not exceeded and is not likely to exceed €2,000,000 in any continuous period of 12 months,]

may, in accordance with regulations, be authorised to determine the amount of tax which becomes due by the person during any taxable period (or part thereof) during which the authorisation has effect by reference to the amount of the moneys which the person receives during that taxable period (or part thereof) in respect of taxable supplies.

(2) Where an authorisation to which *subsection (1)* relates has not been cancelled under *subsection (4)*, then—

- (a) the rate of tax due by the person concerned in respect of a supply shall be the rate of tax chargeable at the time the goods or services are supplied,
- (b) if tax on a supply has already been due and payable under any other provisions of this Act prior to the issue of that authorisation, tax shall not be due again in respect of any such supply as a result of the application of *subsection (1)*, and
- (c) if no tax is due or payable on a supply made prior to the issue of that authorisation, tax shall not be due in respect of any such supply as a result of the application of *subsection (1)*.

(3)(a) The Minister may, by order—

- (i) increase the amount specified in *subsection (1)(b)*, or
 - (ii) where an amount stands specified by virtue of an order under this paragraph, including an order relating to this subparagraph, further increase the amount so specified.
- (b) An order under *paragraph (a)* shall be laid before Dáil Éireann as soon as may be after it is made and, if a resolution annulling the order is passed by Dáil Éireann within the next 21 sitting days on which Dáil Éireann has sat after the order is laid before it, the order shall be annulled accordingly, but without prejudice to the validity of anything previously done thereunder.

(4) The Revenue Commissioners—

- (a) may, in accordance with regulations, cancel an authorisation under *subsection (1)*, and
- (b) may, by regulations, exclude from the application of *subsection (1)* any tax due in respect of specified descriptions of supplies of goods or services and any moneys received in respect of such supplies.

(5) Where an authorisation has issued to any person in accordance with *subsection (1)* and the person fails to issue a credit note in accordance with *section 67(1)(b)* in respect of any supply where the consideration as stated in the invoice issued by that person for that supply is reduced or a discount is allowed, then, at the time when a credit note should have issued in accordance with *section 70(1)*—

- (a) such tax as is attributable to the reduction or discount shall be treated as being excluded from the application of *subsection (1)*, and
 - (b) the person shall be liable for that tax as if it were tax due in accordance with *Chapter 3* at that time.
- (6) This section does not apply to tax provided for by *section 3(b), (d) or (e)*.

CHAPTER 5

Expression of doubt

Letter of
expression of
doubt.

[VATA s. 19B]

81.—(1) For the purposes of this section—

“accountable person” includes a person who is not a registered person and is in doubt as to whether he or she is an accountable person in respect of a transaction and, in that case, references to a return and records are to be construed as referring to a return that would be due under *Chapter 3* and records that would be kept for the purposes of *Chapter 7* or *section 124(7)*, if that person were in fact an accountable person;

“the law” has the meaning assigned to it by *subsection (2)*;

“letter of expression of doubt” means a communication received in legible form which—

- (a) sets out full details of the circumstances of the transaction and makes reference to the provisions of the law giving rise to the doubt,
- (b) identifies the amount of tax in doubt in respect of the taxable period to which the expression of doubt relates,
- (c) is accompanied by supporting documentation as relevant, and
- (d) is clearly identified as a letter of expression of doubt for the purposes of this section,

and reference to “an expression of doubt” shall be construed accordingly.

(2)(a) Subject to *paragraph (b)*, where an accountable person is in doubt as to the correct application of any enactment relating to value-added tax (in this section referred to as “the law”) to a transaction which could—

- (i) give rise to a liability to tax by that person, or
- (ii) affect that person’s liability to tax or entitlement to a deduction or refund of tax,

then the accountable person may, at the same time as the accountable person furnishes to the Collector-General the return due in accordance with *Chapter 3* for the period in which the transaction occurred, lodge a letter of expression of doubt with the Revenue Commissioners at the office of the Commissioners which would normally deal with the examination of the records kept by that person in accordance with *Chapter 7* or *section 124(7)*.

(b) This section shall apply only if the return referred to in *paragraph (a)* is furnished within the time limits prescribed in *Chapter 3*.

(3) A person whose expression of doubt concerns whether he or she is an accountable person shall lodge that expression of doubt for the purposes of applying *subsection (4)* not later than the 19th day of the month following the taxable period in which the transaction giving rise to the expression of doubt occurred.

(4) Subject to *subsection (5)*, where a return and a letter of expression of doubt relating to a transaction are furnished by an accountable person to the Revenue Commissioners in accordance with this section, *section 114* shall not apply to any additional liability arising from a notification to that person by the Revenue Commissioners of the correct application of the law to that transaction, on condition that such additional liability is accounted for and remitted to the Collector-General by the accountable person as if it were tax due for the taxable period in which the notification is issued.

(5) *Subsection (4)* does not apply where the Revenue Commissioners do not accept as genuine an expression of doubt in respect of the application of the law to a transaction, and an expression of doubt shall not be accepted as genuine in particular where the Commissioners—

- (a) have issued general guidelines concerning the application of the law in similar circumstances,
- (b) are of the opinion that the matter is otherwise sufficiently free from doubt as not to warrant an expression of doubt, or
- (c) are of the opinion that the accountable person was acting with a view to the evasion or avoidance of tax.

(6) Where the Revenue Commissioners do not accept an expression of doubt as genuine, they shall notify the accountable person accordingly, and the accountable person shall account for any tax, which was not correctly accounted for in the return referred to in *subsection (2)*, as tax due for the taxable period in which the transaction occurred, and *section 114* shall apply accordingly.

(7) An accountable person who is aggrieved by a decision of the Revenue Commissioners that the person's expression of doubt is not genuine F185[*may appeal the decision to the Appeal Commissioners, in accordance with section 949I of the Taxes Consolidation Act 1997, within the period of 30 days after the date of the notice of that decision.*]

(8) A letter of expression of doubt shall be deemed not to have been made unless its receipt is acknowledged by the Revenue Commissioners and that acknowledgement forms part of the records kept by the accountable person for the purposes of *Chapter 7* or *section 124(7)*.

Chapter 6

(b) This subsection does not apply to intra-Community supplies of goods—

(i) in respect of which an authorisation has been given under *subsection (4)*, or

(ii) when an accountable person elects to lodge statements as permitted by *subsection (5)*.

(4) The Revenue Commissioners may, on written request, authorise an accountable person who makes no supplies of the kind referred to in *section 83* but who makes intra-Community supplies of goods that do not exceed, or are not likely to exceed, in a calendar year, an amount or amounts specified in regulations (if any), to lodge by 23 January following that calendar year a statement—

(a) setting out details of those intra-Community supplies of goods,

(b) prepared in accordance with, and containing such particulars as may be specified in, regulations (if any).

(5)(a) Subject to *paragraph (b)*, if, when *subsection (4)* does not apply, the total value of an accountable person's intra-Community supplies of goods for a period of a calendar quarter, or of any of the previous 4 calendar quarters, does not exceed the prescribed threshold, the person may lodge a statement setting out details of those supplies not later than the 23rd day of the month immediately following the quarter during which the supplies were made.

(b) Where the value of the supplies referred to in *paragraph (a)* exceeds the prescribed threshold in any month, the deadline for lodging a statement in respect of those supplies is as provided by *subsection (3)*.

(6) An accountable person who has made no intra-Community supplies of goods during a relevant period, but was required to lodge with the Revenue Commissioners a statement in respect of a previous period, shall, unless otherwise authorised by the Commissioners, lodge with them before the relevant deadline a statement to the effect that he or she made no such supplies during that period.

(3) In the case of intra-Community supplies of services made during a calendar quarter, the deadline referred to in *subsection (2)* is the 23rd day of the month immediately following the end of that quarter, except where the accountable person elects to lodge statements monthly as provided by *subsection (4)*.

(4) An accountable person who makes intra-Community supplies of services may elect to lodge statements of details of those services monthly, in which case the deadline for lodging those statements is not later than the 23rd day of each calendar month immediately following the month in which the supplies are made.

(5) For the purposes of statements to be lodged in accordance with *subsection (2)*, services that are supplied continuously over a period of more than one year, in respect of which no statements of account or payments are made during that year, are to be regarded as being completed at the end of each calendar year until the date when the supply is finally completed.

(6) An accountable person who has made no intra-Community supplies of services to which this section applies during a relevant period, but who was required to lodge with the Revenue Commissioners a statement in respect of a previous period, shall, unless otherwise authorised by the Commissioners, lodge with them before the relevant deadline a statement to the effect that he or she made no such supplies during that period.

Special provisions
for tax invoiced
by flat-rate
farmers.

[VATA ss. 12A
and 35(3)]

86.—F205[(1) Subject to *section 68(1)* and (6) and *subsection (1A)*, where a flat-rate farmer supplies agricultural produce or an agricultural service to a person, the farmer shall issue to the person an invoice indicating the consideration (exclusive of the flat-rate addition) in respect of the supply and an amount (in this Act referred to as a "flat-rate addition") equal to F205[5.1 per cent] of that consideration (exclusive of the flat-rate addition).

(1A) Where *section 68(6)* applies, the issue of an invoice by a flat-rate farmer shall only apply in respect of agricultural produce or an agricultural service of a kind not specified in an order made by the Minister under *section 86A*.]

(2) Where, in relation to a supply of agricultural produce or an agricultural service by a flat-rate farmer, the farmer issues an invoice in which the flat-rate addition is stated separately, that addition is recoverable by the farmer as part of the consideration for the F205[transaction other than where an order has been made by the Minister under *section 86A* relating to such supply of produce or service.]

F205[Restriction
of flat-rate
addition

86A.—(1) Where, following a review carried out by the Revenue Commissioners in relation to a particular agricultural sector and having regard, in particular, to the business structures or models employed and the nature of the relationships and contractual arrangements in place between parties in the sector, the Minister is satisfied that the application of the flat-rate addition in accordance with *section 86* in respect of supplies of agricultural produce or agricultural services within that sector has resulted in, and if that application were retained would continue to contribute to, a systematic excess of the amount of flat-rate addition payments over the amount of non-recoverable tax on input costs borne by flat-rate farmers within that sector, the Minister may by order provide that the flat-rate addition shall not apply to supplies of a kind to be specified in the order.

(2) In *subsection (1)*, "non-recoverable tax on input costs" means tax which would be deductible in accordance with *section 59* if the flat-rate farmers in the particular agricultural sector were registered for value-added tax, less tax which is recoverable by flat-rate farmers in that sector in accordance with a refund order made under *section 103*.

(i) that motor vehicle shall be treated for the purposes of this Act as if it were removed from stock-in-trade,

(ii) such removal is deemed to be a supply of that motor vehicle by that person for the purposes of *section 19(1)(f)*, and

(iii) for the avoidance of doubt, the amount of tax chargeable in respect of that supply is the amount referred to in *paragraph (b)(ii)(II)* and accordingly is not included in any amount which that person is entitled to deduct in accordance with *section 59(2)(k)*.

(b) At the time when the accountable person, as referred to in paragraph (a), supplies to another person a motor vehicle which is deemed to have been previously supplied in accordance with *paragraph (a)* or *section 12B(11)(a)* of the repealed enactment then—

(i) that motor vehicle is deemed to have been reacquired by the said accountable person as a margin scheme good immediately before the supply to the other person, and

(ii) for the purpose of the calculation of the profit margin in relation to that supply, the purchase price of the motor vehicle is deemed to be the sum of—

(I) the amount on which tax was chargeable on the supply of that motor vehicle to the said accountable person,

PART 11

IMMOVABLE GOODS

Supply of immovable goods (old rules).

[VATA s. 4(1), (9) and (10) and s. 4 (11) (in part)]

93.—(1)(a) In this section—

- (i) "interest", in relation to immovable goods—

- (I) subject to *clause (II)*, means an estate or interest in those goods which, when it was created, was for a period of at least 10 years or, if it was for a period of less than 10 years, its terms contained an option for the person in whose favour the interest was created to extend it to a period of at least 10 years,

- (II) does not include a mortgage,

- (ii) a reference to the disposal of an interest includes a reference to the creation of an interest, and

- (iii) an interval of the type referred to in *section 4(2A)* of the repealed enactment shall be deemed to be an interest for the purposes of this section.

(b) Where an interest is created and, at the date of its creation, its terms contain one or more options for the person in whose favour the interest was so created to extend the interest, then that interest shall be deemed to be for the period from the date of creation of that interest to the date that that interest would expire if those options were so exercised.

(c) This section applies to immovable goods—

- (i) which have been developed by or on behalf of the person supplying them, or

- (ii) in respect of which the person supplying them was, or would, but for the operation of [section 20\(2\)\(c\)](#), have been at any time entitled to claim a deduction under [Chapter 1](#) of [Part 8](#) for any tax borne or paid in relation to a supply or development of them.
- (2)(a)(i) Subject to *subparagraph (ii)*, where an interest in immovable goods was created prior to 1 July 2008 in such circumstances that a reversion on that interest (in this subsection referred to as a “reversionary interest”) was created and retained, then any subsequent disposal to another person of the reversionary interest or of an interest derived entirely from that reversionary interest shall be deemed to be a supply of immovable goods to which tax is not charged if, since the date the first-mentioned interest was created, those goods have not been developed by, on behalf of, or to the benefit of, the person making such subsequent disposal.
- (ii) This subsection shall not be construed as applying to a disposal of an interest which includes an interval.
- (b) For the purposes of this subsection, the Revenue Commissioners may make regulations specifying the circumstances or conditions under which development work on immovable goods is not treated as being on behalf of, or to the benefit of, a person.
- (3)(a) For the purposes of this subsection—
- “landlord” has the meaning assigned to it by *paragraph (b)*;
- “post-letting expenses”, in relation to an interest in immovable goods—
- (i) subject to *subparagraph (ii)*, means expenses which the landlord incurs—
- (I) in carrying out services which the landlord is obliged to carry out under the terms and conditions of the written contract entered into on the disposal of the interest which was chargeable to tax (other than transactions in relation to which the obligation to perform is not reflected in the consideration on which tax was charged on the disposal of that interest),
- (II) which directly relate to the collection of rent arising under the contract referred to in *clause (I)*,
- (III) which directly relate to a review of rent where the terms and conditions of the contract referred to in *clause (I)* provide for such a review, or
- (IV) which directly relate to the exercise of an option to extend the interest or to exercise a break-clause in relation to that interest where the terms and conditions of the contract referred to in *clause (I)* provide for such an option or such a break-clause,
- (ii) do not include any expenses relating to goods or services of the type specified in [section 60\(2\)](#).
- (b) Where—
- (i) an interest in immovable goods was disposed of prior to 1 July 2008,
- (ii) that disposal was chargeable to tax, and
- (iii) the person who acquired that interest is obliged to pay rent to another person (in this subsection referred to as the “landlord”) under the terms and conditions laid down in respect of that interest,
- then the landlord—

- (I) shall, notwithstanding *Part 2*, be deemed not to be an accountable person in respect of transactions in relation to those immovable goods other than—
 - (A) supplies of those immovable goods on which tax was chargeable in accordance with section 4 of the repealed enactment,
 - (B) supplies of other goods or services effected for consideration by the landlord, or
 - (C) post-letting expenses in respect of that interest,
- (II) shall not be entitled to deduct tax in respect of transactions in relation to those immovable goods other than—
 - (A) supplies of those immovable goods on which tax was chargeable in accordance with section 4 (other than subsection (4) of that section) of the repealed enactment,
 - (B) supplies of other goods or services effected for consideration by the landlord, or
 - (C) post-letting expenses in respect of that interest,
- (III) shall be deemed, where the landlord is not the person who made the disposal of the interest, to be an accountable person in respect of post-letting expenses in relation to that interest, and
- (IV) shall, in relation to those post-letting expenses, be entitled to deduct tax, in accordance with *Chapter 1* of *Part 8*, as if those post-letting expenses were for the purposes of the landlord's taxable supplies.

Supplies of

94.—(1) In this section—

“completed”, in respect of immovable goods, means that the development of those goods has reached the state, apart from only such finishing or fitting work that would normally be carried out by or on behalf of the person who will use them, where the goods can effectively be used for the purposes for which the goods were designed, and the utility services required for those purposes are connected to the goods;

“occupied”, in respect of immovable goods, means—

- (a) occupied and fully in use following completion, where that use is one for which planning permission for the development of those goods was granted, and

 - (i) occurs after the immovable goods have been occupied for an aggregate of at least 24 months following the most recent completion of those goods, and

- (ii) takes place after a previous supply of those goods on which tax was chargeable and that previous supply—
 - (I) took place after the most recent completion of those goods, and
 - (II) was a transaction between persons who were not connected within the meaning of *section 97*,
 - (d) being a building that was completed more than 5 years prior to that supply and on which development was carried out in the 5 years prior to that supply where—

 - (ii) the cost of such development did not exceed 25 per cent of the consideration for that supply,or
 - (e) being a building that was completed within the 5 years prior to that supply where—
 - (i) the building had been occupied for an aggregate of at least 24 months following that completion,
 - (ii) that supply takes place after a previous supply of the building on which tax was chargeable and that previous supply—
 - (I) took place after that completion of the building, and
 - (II) was a transaction between persons who were not connected within the meaning of *section 97*,
 - and
 - (iii) if any development of that building occurred after that completion—
 - (I) such development did not and was not intended to adapt the building for a materially altered use, and
 - (II) the cost of such development did not exceed 25 per cent of the consideration for that supply.
- (3) Where a person supplies immovable goods to another person and in connection with that supply a taxable person enters into an agreement with that other person or with a person connected with that other person to carry out a development in relation to those immovable goods, then—
- (a) the person who supplies the goods shall, in relation to that supply, be deemed to be a taxable person,
 - (b) the supply of the goods shall be deemed to be a supply to which *section 3* applies, and
 - (c) *subsection (2)* does not apply to that supply.
- (4) *Section 6(1)* and (2) does not apply in relation to a person who makes a supply of immovable goods.
- (5) Subject to *subsection (9)*, where a taxable person who carries on a business in the State supplies immovable goods to another taxable person who carries on a business in the State in circumstances where that supply would otherwise be exempted because of *subsection (2)*, or *section 95(3)* or (7)(b), then, notwithstanding those provisions, tax is chargeable on that supply, but only if the supplier and the taxable

person to whom the supply is made have, no later than the 15th day of the month after the month during which the supply occurred, entered into an agreement in writing to opt to have tax chargeable on that supply (in this Act referred to as a “joint option for taxation”).

(6) Where a joint option for taxation is exercised in accordance with *subsection (5)*, then—

(a) the person to whom the supply is made shall, in relation to that supply, be an accountable person and shall be liable to pay the tax chargeable on that supply as if that person supplied those goods, and

(b) the person who made the supply shall not be accountable for or liable to pay such tax.

(7)(a) In this subsection—

“owner” means the accountable person referred to in *section 22(3)*;

“purchaser” means the person to whom the immovable goods that are referred to in *paragraph (b)* are supplied;

“vendor” means the person referred to in *section 22(3)*, not being the accountable person referred to in that section, who disposes of the immovable goods that are referred to in *paragraph (b)*.

(b) Where a supply of immovable goods is a supply to which *section 22(3)* applies and that supply would otherwise be exempted because of *subsection (2)*, or *section 95(3)* or (7)(b), then, notwithstanding those provisions, tax is chargeable on that supply where—

(i) the purchaser is a taxable person, and

(ii) the vendor and the purchaser have, no later than the 15th day of the month after the month during which the supply occurred, entered into an agreement in writing to opt to have tax chargeable on that supply.

(c) Where *paragraph (b)* applies—

(i) the purchaser shall, in relation to that supply, be an accountable person and shall be liable to pay the tax chargeable on that supply as if that purchaser supplied those goods,

(ii) neither the vendor nor the owner shall be accountable for or liable to pay that tax,

and

(iii) *sections 65(4)* and *76(2)* shall not apply.

(d) *Paragraph (b)* shall not apply where the purchaser is a person connected (within the meaning of *section 97(3)*) with either the vendor or the owner.

(e) F263[...]

(8)(a) In this subsection and in *subsection (9)*—

“recipient” has the meaning assigned to it by *section 16(1)(a)*.

“relevant supply” has the meaning assigned to it by *section 16(1)(a)*.

(b) Where a taxable person supplies immovable goods to another person in circumstances where that supply would otherwise be exempt in accordance with *subsection (2)*, tax shall, notwithstanding that subsection, be chargeable on that supply where—

- (i) the immovable goods are buildings designed as or capable of being used as a dwelling,
 - (ii) the person who makes that supply is a person who developed the immovable goods in the course of a business of developing immovable goods or a person connected with that person within the meaning of *section 97(3)*, and
 - (iii) the person who developed those immovable goods was entitled to a deduction under *Chapter 1* of *Part 8* for tax chargeable to that person in respect of that person's acquisition or development of those immovable goods.
- (c) In the case of a building to which this subsection would apply if the building were supplied by the taxable person at any time during the capital goods scheme adjustment period for that building—
- (i) *section 64(4)* and (5) shall not apply, and
 - (ii) notwithstanding *section 64(2)*, the proportion of total tax incurred that is deductible by that person shall be treated as the initial interval proportion of deductible use.
- (d) Where a relevant supply is a supply of immovable goods to which this subsection would apply, the recipient shall be treated thereafter, for the purposes of this subsection in respect of those immovable goods, as if that recipient were a person connected (within the meaning of *section 97(3)*) to the person who developed those immovable goods.
- (9)(a) Where a relevant supply occurs and that supply would otherwise be exempt in accordance with *subsection (2)*, then—
- (i) the recipient may opt to tax that supply (in this subsection referred to as an “option for taxation”), and
 - (ii) if that option is exercised—
 - (I) notwithstanding *subsection (2)*, tax shall be chargeable on that supply, and
 - (II) *subsection (5)* shall not apply.
- (b) The option for taxation shall not apply to relevant supplies that are exempt in accordance with *section 93(2)* or *95(3)* or (7)(b).
- (c) The option for taxation shall be deemed to be exercised by the recipient in relation to a relevant supply which would otherwise be exempt in accordance with *subsection (2)(b)* to (e).

Transitional
measures for
supplies of
immovable goods.

[VATA s. 4(3)(ab)
(in part) and (8)
(in part) and s.
4C]

95.—(1) This section applies to—

- (a) immovable goods which are acquired or developed by a taxable person prior to 1 July 2008, being completed immovable goods before 1 July 2008, and have not been disposed of by the taxable person prior to that date, until such time as those goods have been disposed of by that taxable person on or after that date, F264[...]
- (b) an interest in immovable goods within the meaning of *section 93* (other than a freehold interest or a freehold equivalent interest) created by a taxable person prior to 1 July 2008 and held by a taxable person on 1 July 2008 and the reversionary interest (within the meaning of *section 93(2)*) on that interest until that interest is surrendered after F265[after 1 July 2008, and]

F266[(c) immovable goods being residential property or burial grounds which are acquired or developed by a public body prior to 1 July 2010, being completed immovable goods before 1 July 2010, and have not been disposed of by that public body prior to that date, until such time as those goods have been disposed of by that public body on or after that date.]

(2) Where an interest to which *subsection (1)(b)* applies is surrendered, then, for the purposes of the application of *Chapter 2* of *Part 8* in respect of the immovable goods concerned—

- (a) the total tax incurred shall include the amount of tax chargeable on the surrender in accordance with *subsection (8)* and shall not include tax incurred prior to the creation of the surrendered interest, and
- (b) the adjustment period shall consist of the number of intervals specified in *subsection (12)(c)(iv)* and the initial interval shall begin on the date of that surrender.

(3) In the case of a supply of immovable goods to which *subsection (1)(a)* applies, being completed immovable goods within the meaning of *section 94*—

- (a) where the person supplying those goods had no right to deduct under section 12 of the repealed enactment in relation to the tax chargeable on the acquisition or development of those goods prior to 1 July 2008, and
- (b) if any subsequent development of those immovable goods occurs on or after 1 July 2008—
 - (i) that development does not and is not intended to adapt the immovable goods for a materially altered use, and
 - (ii) the cost of that development does not exceed 25 per cent of the consideration for that supply,

then, subject to *section 94(3)*, that supply is not chargeable to tax but a joint option for taxation may be exercised in respect of that supply in accordance with *section 94(5)* and that tax is payable in accordance with *section 94(6)*.

(4)(a) Where a person referred to in *subsection (1)*—

- (i) acquired, developed or has an interest in immovable goods to which this section applies,
- (ii) was entitled to deduct tax, in accordance with section 12 of the repealed enactment, on that person's acquisition or development of those goods, and
- (iii) makes a letting of those immovable goods to which *paragraph 11* of *Schedule 1* applies,

then that person (in this subsection referred as the "landlord") shall calculate an amount (in this subsection referred to as a "deductibility adjustment") in accordance with the formula set out in *paragraph (b)* and that amount shall be payable as if it were tax due by that person in accordance with *Chapter 3* of *Part 9* for the taxable period in which that letting takes place.

(b) The deductibility adjustment shall be calculated in accordance with the formula—

$$\frac{TD \times (Y - N)}{Y}$$

where—

TD is the amount of the tax referred to in *paragraph (a)(ii)* that the landlord was entitled to deduct,

Y is 20 or, if the interest when it was acquired by the landlord was for a period of less than 20 years, the number of full years in that interest, and

N is the number of full years since the landlord acquired the interest in the immovable goods referred to in *paragraph (a)* or, if the goods were developed since that interest was acquired, the number of full years since the most recent development,

but if that N is greater than that Y, the deductibility adjustment shall be deemed to be nil.

F267[(c) Where the letting referred to in *paragraph (a)(iii)* is a supply to which *section 28(4)* applies, the receiver or person exercising the power shall calculate the deductibility adjustment in accordance with the formula set out in *paragraph (b)* and that amount shall be payable F268[by the receiver or person exercising the power] as if it were tax due for the taxable period in which that letting takes place.]

(5) An assignment or surrender of an interest in immovable goods to which *subsection (1)(b)* applies is deemed to be a supply of immovable goods for the purposes of this Act for a period of 20 years from the creation of the interest or the most recent assignment of that interest before 1 July 2008, whichever is the later.

(6) Where—

(a) a person makes a supply of immovable goods to which this section applies,

(b) tax is chargeable on that supply, and

(c) that person was not entitled to deduct all the tax charged to that person on the acquisition or development of those immovable goods,

then that person shall be entitled to make the appropriate adjustment that would apply under *section 64(6)(a)* as if the capital goods scheme applied to that transaction.

F269[(6A) Where—

(a) a public body makes a supply of immovable goods referred to in *subsection (1)(c)*,

(b) tax is chargeable on that supply, and

(c) that public body was not entitled to deduct all the tax charged to that public body on the acquisition or development of those immovable goods,

then that public body shall be entitled to make the appropriate adjustment that would apply under *section 64(6)(a)* as if the capital goods scheme applied to that transaction, but that adjustment shall not exceed the value-added tax chargeable on that supply of those goods.]

(7) In the case of an assignment or surrender of an interest in immovable goods referred to in *subsection (5)*—

(a) tax shall be chargeable where the person who makes the assignment or surrender was entitled to deduct in accordance with *Chapter 1* of *Part 8* any of the tax chargeable on the acquisition of that interest, or the development of those immovable goods, and

(b) tax shall not be chargeable where the person who makes the assignment or surrender had no right to deduction under *Chapter 1* of *Part 8* on the acquisition of that interest or the development of those immovable goods, but a joint option for taxation of that assignment or surrender may be exercised.

(8)(a) Notwithstanding *Chapter 1* of *Part 5*, the amount on which tax is chargeable on a taxable assignment or surrender to which *subsection (7)* applies shall be the amount calculated in accordance with the formula set out in *paragraph (b)* divided by the rate as specified in *F270[paragraph (c) or (ca), as appropriate, of section 46(1)]* expressed in decimal form.

(b) The amount of tax due and payable in respect of a taxable assignment or surrender to which *subsection (7)* applies is an amount calculated in accordance with the formula—

$$T \times \frac{N}{Y}$$

where—

T is the total tax incurred referred to in *subsection (12)(d)* except for the amount of tax charged in respect of any development by the person who makes the assignment or surrender following the acquisition of the interest,

N is the number of full intervals plus one that remain in the adjustment period referred to in *subsection (12)(c)* at the time of the assignment or surrender,

Y is the total number of intervals in that adjustment period for the person making the assignment or surrender,

and *paragraphs (c) to (e)* shall apply to that tax.

(c) Where tax is chargeable in relation to a supply of immovable goods which is a surrender of an interest in immovable goods or an assignment of an interest in immovable goods to—

(i) an accountable person,

(ii) a Department of State or a local authority, or

(iii) a person who supplies immovable goods of a kind referred to in *paragraph (a)* of the definition of “exempted activity” in *section 2(1)*, or services of a kind referred to in *paragraphs 1, 5(4), 6, 7, 8, 11 and 14(3)* of *Schedule 1*, in the course or furtherance of business,

then—

(I) the person to whom those goods are supplied shall be accountable for and liable to pay the tax chargeable on that supply,

(II) such tax shall be payable as if it were tax due by that person in accordance with *Chapter 3* of *Part 9* for the taxable period within which the supply to the person took place, and

(III) for the purposes of *subparagraphs (I) and (II)*, the person to whom the goods are supplied shall be an accountable person and the person who made the surrender or assignment shall not be accountable for or liable to pay such tax.

(d) Where the supply referred to in *paragraph (c)* is to a Department of State or a local authority, then, notwithstanding anything to the contrary effect in *section 14(2)*, the Department of State or local authority shall be accountable for and liable to pay the tax referred to in that paragraph.

(e) (i) A surrender or assignment of immovable goods referred to in *paragraph (c)* shall be treated as a supply of goods made by the person to whom the goods are supplied.

- (ii) Subject to *subparagraph (iii)*, on the surrender or assignment of immovable goods referred to in *subparagraph (i)*, the person who makes the surrender or assignment shall issue a document to the person to whom the surrender or assignment is made indicating—
 - (I) the value of the interest being surrendered or assigned, and
 - (II) the amount of tax chargeable on that surrender or assignment.
 - (iii) *Subparagraph (ii)* shall not apply where the person who makes the surrender or assignment is obliged to issue a document in accordance with *subsection (9)(a)* to the person to whom that surrender or assignment is made.
 - (iv) For the purposes of *Chapter 1* of *Part 8*, that Chapter shall apply as if this paragraph had not been enacted.
- (9)(a) Where an interest in immovable goods referred to in *subsection (7)* is assigned or surrendered to a taxable person during the adjustment period and tax is payable in respect of that assignment or surrender, then the person who makes the assignment or surrender shall issue a document to the person to whom the interest is being assigned or surrendered containing the following information:
- (i) the amount of tax due and payable on that assignment or surrender; and
 - (ii) the number of intervals remaining in the adjustment period as determined in accordance with *subsection (12)(c)(iv)*.
- (b) Where *paragraph (a)* applies, the person to whom the interest is assigned or surrendered shall be a capital goods owner for the purpose of *Chapter 2* of *Part 8* in respect of the capital good being assigned or surrendered, and shall be subject to that Chapter and for this purpose—
- (i) the adjustment period shall be the period referred to in *subsection (12)(c)* as correctly specified on the document referred to in *paragraph (a)*,
 - (ii) the total tax incurred shall be the amount of tax referred to in *subsection (12)(d)* as correctly specified in the document referred to in *paragraph (a)*, and
 - (iii) the initial interval shall be a period of 12 months beginning on the date on which the assignment or surrender occurs.
- (10) Where a person cancels an election to be an accountable person in accordance with *section 8(2)*, then, in respect of the immovable goods which were used in supplying the services for which that person made that election, *Chapter 2* of *Part 8* does not apply if those immovable goods are held by that person on 1 July 2008 and are not further developed after that date.
- (11) In the application of *Chapter 2* of *Part 8* to immovable goods and interests in immovable goods to which this section applies, *section 64(2) to (5)* shall be disregarded in respect of the person who, on 1 July 2008, owns those immovable goods or holds an interest in those immovable goods, but—
- (a) if that person develops those immovable goods and that development is a refurbishment (within the meaning of *Chapter 2* of *Part 8*) that is completed on or after 1 July 2008, *section 64(2) to (5)* shall not be disregarded in respect of that refurbishment,
 - (b) if, on or after 23 February 2010, that person—
 - (i) first uses those immovable goods (in this subsection referred to as the “first use”), or

(ii) changes the use of those immovable goods (in this subsection referred to as the “changed use”),

and the first use, or the changed use, as the case may be, is a use of those immovable goods for a purpose other than the provision of a letting of the type referred to in *paragraph 11(1)* of *Schedule 1*, then *section 64(4)(a)* to *(d)* shall not be disregarded for the remainder of the adjustment period applicable to those immovable goods.

(12) For the purposes of applying *Chapter 2* of *Part 8* to immovable goods or interests in immovable goods to which this section applies—

(a) any interest in immovable goods to which this section applies shall be treated as a capital good,

(b) any person who has an interest in immovable goods to which this section applies shall be treated as a capital goods owner, but shall not be so treated to the extent that the person has a reversionary interest in those immovable goods if those goods were not developed by, on behalf of, or to the benefit of, that person,

(c) the period to be treated as the adjustment period in respect of immovable goods or interests in immovable goods to which this section applies is—

(i) in the case of the acquisition of the freehold interest or freehold equivalent interest in those immovable goods, 20 years from the date of that acquisition,

(ii) in the case of the creation of an interest in those immovable goods, 20 years or, if the interest when it was created was for a period of less than 20 years, the number of full years in that interest when created, whichever is the shorter,

(iii) in the case of the assignment or surrender of an interest in immovable goods prior to 1 July 2008, the period remaining in that interest at the time of the assignment or surrender of that interest or 20 years, whichever is the shorter, or

(iv) in the case of—

(I) the surrender or first assignment of an interest in immovable goods on or after 1 July 2008, the number of full years remaining in the adjustment period as determined in accordance with *subparagraphs (ii) and (iii)*, plus one, or

(II) the second or subsequent assignment of an interest in immovable goods after 1 July 2008, the number of full intervals remaining in the adjustment period as determined in accordance with *clause (I)*, plus one,

and this number shall thereafter be the number of intervals remaining in the adjustment period,

but where the immovable goods have been developed since the acquisition of those immovable goods or the creation of that interest, 20 years from the date of the most recent development of those goods F271[*(other than a development which is a refurbishment within the meaning of section 63(1))*],

(d) the amount of tax charged, or the amount of tax that would have been chargeable but for the application of *section 20(2)(c)* or *56*, to the person treated as the capital goods owner on the acquisition of, or development of, the capital goods shall be treated as the total tax incurred,

- (e) the total tax incurred divided by the number of intervals in the adjustment period referred to in *paragraph (c)* shall be treated as the base tax amount,
- (f) each year in the adjustment period referred to in *paragraph (c)* shall be treated as an interval,
- (g) the first 12 months of the adjustment period referred to in *paragraph (c)* shall be treated as the initial interval,
- (h) the second year of the adjustment period referred to in *paragraph (c)* shall be treated as the second interval but, in the case of an interest which is assigned or surrendered on or after 1 July 2008, the second interval of the adjustment period shall have the meaning assigned to it by *Chapter 2 of Part 8*,
- (i) each year following the second year in the adjustment period referred to in *paragraph (c)* shall be treated as a subsequent interval,
- (j) the amount which shall be treated as the total reviewed deductible amount shall be the amount of the total tax incurred as provided for in *paragraph (d)* less—
 - (i) any amount of the total tax incurred which was charged to the person treated as the capital goods owner but which that owner was not entitled to deduct in accordance with *Chapter 1 of Part 8*,
 - (ii) any amount accounted for in accordance with section 12D(4) of the repealed enactment by the person treated as the capital goods owner in respect of a transfer of the goods to that owner prior to 1 July 2008,
 - (iii) any tax payable in respect of those capital goods in accordance with *section 19(1)(f)*, or section 4(3)(a) of the repealed enactment, by the person treated as the capital goods owner, and
 - (iv) where an adjustment of deductibility has been made in respect of the capital good in accordance with *subsection (4)(a)* or section 4(3)(ab) of the repealed enactment, the amount “TD” in the formula set out in *subsection (4)(b)*,
- (k) the amount referred to in *paragraph (d)* less the amount referred to in *paragraph (j)* shall be treated as the non-deductible amount,

and for the purposes of applying *paragraphs (f), (h) and (i)* “year” means each 12 month period in the adjustment period, the first of which begins on the first day of the initial interval referred to in *paragraph (g)*.

- (13)(a) Subject to *paragraph (b)*, where a taxable person acquires immovable goods on or after 1 July 2007, then, notwithstanding *subsection (11)*, *section 64(2)* shall apply and, notwithstanding *subsection (12)(j)*, the total reviewed deductible amount shall have the meaning assigned to it by *Chapter 2 of Part 8*.
- (b) *Paragraph (a)* does not apply where a taxable person has made an adjustment in accordance with *section 61(7)* in respect of those goods.

Waiver of exemption under old rules.

[VATA s. 7(2) (in part), s. 7(3), (4) and (6), s. 7B(1) to (5), s. 7B(6) (in part) and s. 7B(9) and (10)]

96.—(1) In this section “waiver” means a waiver of exemption from tax under section 7(1) of the repealed enactment.

(2) A waiver shall cease to have effect at the end of the taxable period during which it is cancelled in accordance with *subsection (3)*.

(3) Provision may be made by regulations for the cancellation, at the request of a person or in accordance with *subsection (8) or (12)*, of a waiver by the person and for the payment by that person to the Revenue Commissioners as a condition of cancellation of such sum (if any) as when added to the total amount of tax (if any) due by him or her in accordance with *Chapter 3 of Part 9* in relation to the supply of services by him or her to which the waiver applied is equal to the total of—

- (a) the amount of tax deducted by the person in accordance with *Chapter 1 of Part 8* in respect of tax borne or paid in relation to the supply of such services,
- (b) the amount of tax deducted by the person in accordance with section 12 of the repealed enactment, prior to the commencement of the letting of the immovable goods to which the waiver relates, in respect of or in relation to his or her acquisition of his or her interest in, or his or her development of, those immovable goods,
- (c) the amount of tax that would have been deductible by the person in accordance with section 12 of the repealed enactment if tax had been chargeable on the transfer of ownership of goods to him or her in respect of which *section 20(2)(c)* was applied, and those goods were used by him or her in the supply of such services, and
- (d) the amount of tax that would have been deductible by that person in accordance with section 12 of the repealed enactment if—
 - (i) tax had been chargeable on the supply to that person of goods or services in respect of which *paragraph 7(7) of Schedule 2* was applied, and
 - (ii) those goods or services were used, in relation to the supply of services to which the waiver applied, by the person.

(4) Where there is a waiver in respect of the supply of a service, tax shall be charged in relation to the person making the waiver during the period for which the waiver has effect as if the service to which the waiver applies was not specified in *Schedule 1*.

(5) Where a person cancelled his or her waiver before 1 July 2008, then, for the purposes of applying *Chapter 2 of Part 8*, the adjustment period (within the meaning of *section 63(1)* or, as the context may require, the period to be treated as the adjustment period in accordance with *section 95(12)*) in relation to any capital good the tax chargeable on that person’s acquisition or development of which that person was obliged to take into account when that person made that cancellation, shall be treated as if it ended on the date on which that cancellation had effect.

(6) *Subsections (6) to (12)* apply to an accountable person (in those subsections referred to as a “landlord”)—

- (a) who has a waiver, and
- (b) who had not cancelled the waiver before 1 July 2008.

(7) For the purposes of applying *Chapter 2 of Part 8*, the adjustment period (within the meaning of *section 63(1)* or, as the context may require, the period to be treated as the adjustment period in accordance with *section 95(12)*) in relation to a capital good the tax chargeable on the landlord’s acquisition or development of which that landlord was obliged to take into account when that landlord cancelled his or her waiver, shall end on the date on which that cancellation had effect.

(8) Where a landlord makes or has made a letting and, were that letting not already subject to a waiver, that letting would be one in respect of which the landlord would not, because of *section 97(2)*, be entitled to exercise a landlord's option to tax in accordance with *section 97*, then the landlord's waiver of exemption shall, subject to *subsection (9)*, immediately cease to apply to that letting, and—

(a) that landlord shall pay an amount, as if it were tax due by that person in accordance with *Chapter 3* of *Part 9* for the taxable period in which the waiver ceases to apply to that letting, equal to the sum (if any) which would be payable in accordance with *subsection (3)* in respect of the cancellation of a waiver as if that landlord's waiver applied only to the immovable goods or the interest in immovable goods subject to that letting to which the waiver has ceased to apply, and

(b) the amounts taken into account in calculating that sum (if any) shall be disregarded in any future cancellation of that waiver.

(9)(a) Subject to *paragraph (c)*, where a landlord has a letting to which *subsection (8)* would otherwise apply, that subsection shall not apply while, on the basis of the letting agreement in place, the tax that the landlord will be required to account for, in equal amounts for each taxable period, in respect of the letting during the next 12 months is not less than the amount calculated at that time in accordance with the formula set out in *subsection (10)*.

(b) Where the conditions in *paragraph (a)* fail to be satisfied because of a variation in the terms of the lease or otherwise or if the tax paid at any time in respect of the letting is less than the tax payable, this subsection shall cease to apply.

(c) This subsection applies to a letting referred to in *paragraph (a)*—

(i) where a landlord has a waiver in place on 18 February 2008 and—

(I) on 1 July 2008 that letting had been in place since 18 February 2008,
or

(II) the immovable goods subject to the letting are owned by that landlord on 18 February 2008 and are in the course of development by or on behalf of that landlord on that day,

or

(ii) where a landlord holds an interest, other than a freehold interest or a freehold equivalent interest in the immovable goods subject to the letting, acquired between 18 February 2008 and 30 June 2008 from a person with whom the landlord is not connected, within the meaning of *section 97*, in a transaction which was treated as a supply of goods in accordance with section 4 of the repealed enactment.

(10) The formula to be used for the purposes of *subsection (9)* is—

$$\frac{A - B}{12 - Y}$$

where—

A is the amount of tax that would be taken into account for the purposes of *subsection (3)* in respect of the acquisition or development of the immovable goods, if the waiver were being cancelled at the time referred to in *subsection (9)*,

B is the amount of tax chargeable on the consideration by the landlord in respect of the letting of those immovable goods and paid in accordance with *Chapter 3* of *Part 9* that would be taken into account for the purposes

of *subsection (3)* if the waiver were being cancelled at that time and that letting were the only one to which that waiver applied, and

Y is 11, or the number of full years since the later of—

- (i) the date of the first letting of those goods, and
 - (ii) the date on which the landlord waived exemption,
- where that number is less than 11 years.

(11) Where—

- (a) a landlord has a letting to which *subsection (8)* or *(9)* applies,
- (b) that landlord becomes a person in a group within the meaning of *section 15* on or after 1 July 2008, and
- (c) the person to whom that letting is made is a person in that group,

then the person referred to in *section 15(1)(a)(i)* in respect of that group shall be liable to pay the amount as specified in *subsection (8)(a)* as if it were tax due in accordance with *Chapter 3* of *Part 9* in the taxable period during which that landlord became a person in that group.

(12)(a) In this subsection “relevant immovable goods” means immovable goods the tax chargeable on the acquisition or development of which a landlord would be obliged to take into account in accordance with *subsection (3)* in relation to the cancellation of that landlord’s waiver.

(b) This subsection applies where—

- (i) on or after 3 June 2009, a landlord has an interest in relevant immovable goods,
- (ii) the landlord ceases, whether as a result of disposing of such goods or otherwise, to have an interest in any such goods, and
- (iii) on the date when that landlord ceases to have any such interest, that landlord’s waiver has not been cancelled in accordance with *subsection (3)*.

(c) Where this subsection applies—

- (i) the landlord’s waiver of exemption shall be treated as if it were cancelled on the date referred to in *paragraph (b)(iii)*, and
- (ii) that landlord shall pay an amount, being the amount payable in accordance with *subsection (3)* in respect of the cancellation of that waiver, as if it were tax due by that landlord for the taxable period in which the waiver of exemption is so treated as cancelled.

Option to tax
letting of
immovable goods.

[VATA s. 7A]

97.—(1)(a)(i) Tax shall be chargeable in accordance with this Act on the supply of a service to which *paragraph 11* of *Schedule 1* relates (in this section referred to as a “letting”) where, subject to *subsections (2)* and *(4)*, the supplier (in this section referred to as a “landlord”) opts to make that letting so chargeable.

- (ii) A landlord who exercises such option (in this Act referred to as a “landlord’s option to tax”) shall, notwithstanding *section 6(1)* and *(2)*, be an accountable person and liable to account for the tax on that letting in accordance with this Act, and that letting shall not be a supply to which *section 52* applies.

- (b) Where a taxable person is entitled to deduct tax on the acquisition or development of immovable goods on the basis that the goods will be used for the purpose of a letting or lettings in respect of which a landlord's option to tax will apply, then—
- (i) the person shall be treated as having exercised the landlord's option to tax in respect of any lettings of those immovable goods, and
 - (ii) that option shall be deemed to continue in place until that person makes a letting in respect of which neither of the conditions of *paragraph (c)* is fulfilled.
- (c) A landlord's option to tax in respect of a letting is exercised by—
- (i) a provision in writing in a letting agreement between the landlord and the person to whom the letting is made (in this section referred to as a "tenant") that tax is chargeable on the rent, or
 - (ii) the issuing by the landlord of a document to the tenant giving notification that tax is chargeable on the letting.
- (d) A landlord's option to tax in respect of a letting is terminated—
- (i) in the case of an option exercised in accordance with *paragraph (b)*, by making a letting of the immovable goods referred to in that paragraph in respect of which neither of the conditions of *paragraph (c)* is fulfilled,
 - (ii) in the case of an option exercised in accordance with *paragraph (c)*, by—
 - (I) an agreement in writing between the landlord and tenant that the option is terminated and specifying the date of termination which shall not be earlier than the date of that agreement, or
 - (II) the delivery to the tenant of a document giving notification that the option has been terminated and specifying the date of termination which shall not be earlier than the date that notification is received by the tenant,
 - (iii) where the landlord and tenant become connected persons,
 - (iv) where the landlord or a person connected with the landlord occupies the immovable goods that are subject to that letting whether that person occupies those goods by way of letting or otherwise, or
 - (v) where the immovable goods that are subject to that letting are used or to be used for residential purposes within the meaning of *subsection (4)*.
- (2)(a) Subject to *paragraphs (b)* and *(c)*, a landlord may not opt to tax a letting—
- (i) where the landlord and the tenant in respect of that letting are connected persons, or

- (b)(i) Subject to *subparagraph (ii)*, *paragraph (a)(i)* and *subsection (1)(d)(iii)* shall not apply where the immovable goods which are the subject of the letting are used for the purposes of supplies or activities which entitle the tenant to deduct at least 90 per cent of the tax chargeable on the letting in accordance with *Chapter 1 of Part 8*.
- (ii) Where a landlord has exercised a landlord's option to tax in respect of a letting to which *paragraph (a)(i)* would have applied but for *subparagraph*

(i), *paragraph (a)(i)* shall apply from the end of the first accounting year in which the goods are used for the purposes of supplies or activities which entitle the tenant to deduct less than 90 per cent of the said tax chargeable.

(c)(i) Subject to *subparagraph (ii)*, *paragraph (a)(ii)* and *subsection (1)(d)(iv)* shall not apply where the occupant (being any person including the landlord referred to in that paragraph or that subsection) uses the immovable goods which are the subject of the letting for the purpose of making supplies which entitle that occupant to deduct, in accordance with *Chapter 1 of Part 8*, at least 90 per cent of all tax chargeable in respect of goods or services used by that occupant for the purpose of making those supplies.

(ii) Where a landlord has exercised a landlord's option to tax in respect of a letting to which *paragraph (a)(ii)* would have applied but for *subparagraph (i)*, *paragraph (a)(ii)* shall apply from the end of the first accounting year in which the immovable goods are used for the purpose of making supplies which entitle that occupant to deduct less than 90 per cent of the said tax chargeable.

(v) a body of persons is connected with another body of persons—

(I) if the same person has control of both or a person has control of one and persons connected with that person or that person and persons connected with that person have control of the other,

(II) if a group of 2 or more persons has control of each body of persons and the groups either consist of the same persons or could be regarded as consisting of the same persons by treating (in one or more cases) a member of either group as replaced by a person with whom he or she is connected,

(III) if both bodies of persons act in pursuit of a common purpose,

(IV) if any person or any group of persons or groups of persons having a reasonable commonality of identity have or had the means or power, either directly or indirectly, to determine the activities carried on or to be carried on by both bodies of persons, or

(b) Where the Revenue Commissioners require a valuation to be made by a person named by them, the costs of that valuation shall be defrayed by the Commissioners.

PART 12

REFUNDS AND REPAYMENTS OF TAX

General
provisions on
refund of tax.

[VATA s. 20(1) to
(1B), (4), (6) and
(7)]

99.—(1) Subject to *subsections (2) and (3)*, where in relation to a return lodged under *Chapter 3 of Part 9* or a claim made in accordance with regulations, it is shown to the satisfaction of the Revenue Commissioners that, as respects any taxable period, the amount of tax (if any) actually paid to the Collector-General in accordance with *Chapter 3 of Part 9* together with the amount of tax (if any) which qualified for deduction under *Chapter 1 of Part 8* exceeds the tax (if any) which would properly be payable if no deduction were made under *Chapter 1 of Part 8*, the Commissioners shall refund the amount of the excess less any sums previously refunded under this subsection or repaid under *Chapter 1 of Part 8* and may include in the amount refunded any interest which has been paid under *section 114*.

(2) Where the Revenue Commissioners apply *section 15* to a number of persons, the Commissioners may defer repayment of all or part of any tax refundable under *subsection (1)* to any one or more of those persons prior to the application of that section if any one or more of those persons have not furnished all returns and remitted all amounts of tax referred to in *section 76 or 77*, as may be appropriate, at the time of such application.

(3)(a) Subject to *paragraph (b)*, the Revenue Commissioners may, where it appears requisite to them to do so for the protection of the revenue, require as a condition for making a refund in accordance with *subsection (1)* the giving of security of such amount and in such manner and form as they may determine.

(b) The amount of security referred to in *paragraph (a)* shall not, in any particular case, exceed the amount to be refunded.

(4) A claim for a refund under this Act may be made only within 4 years after the end of the taxable period to which it relates.

(5) Where the Revenue Commissioners refund any amount due under *subsection (1)* or *section 100*, they may, if they so determine, refund any such amount directly into an account, specified by the person to whom the amount is due, in a financial institution.

(6) The Revenue Commissioners shall not refund any amount of tax except as provided for in this Act or any order or regulations made under this Act.

Unjust
enrichment.

[VATA s. 20(5)]

100.—(1) Where, due to a mistaken assumption in the operation of the tax, whether that mistaken assumption was made by an accountable person, any other person or the Revenue Commissioners, a person—

(a) accounted, in a return furnished to the Revenue Commissioners, for an amount of tax for which that person was not properly accountable,

(b) did not, because that person's supplies of goods and services were treated as exempted activities, furnish a return to the Revenue Commissioners and, therefore, did not receive a refund of an amount of tax in accordance with *section 99(1)*, or

(c) did not deduct an amount of tax in respect of qualifying activities, within the meaning of *section 59(1)*, which that person was entitled to deduct,

then, in respect of the total amount of tax referred to in *paragraph (a), (b) or (c)* (in this section referred to as the "overpaid amount"), that person may claim a refund of the overpaid amount and the Revenue Commissioners shall, subject to this section, refund to the claimant the overpaid amount unless they determine that the refund of that overpaid amount or part thereof would result in the unjust enrichment of the claimant.

(2) A person who claims a refund of an overpaid amount under this section shall—

- (a) make that claim in writing setting out full details of the circumstances of the case and identifying the overpaid amount in respect of each taxable period to which the claim relates, and
 - (b) furnish such relevant documentation to support the claim as the Revenue Commissioners may request.
- (3)(a) For the purposes of determining whether a refund of an overpaid amount or part thereof would result in the unjust enrichment of a claimant, the Revenue Commissioners shall have regard to—
- (i) the extent to which the cost of the overpaid amount was, for practical purposes, passed on by that claimant to other persons in the price charged by the claimant for goods or services supplied by the claimant,
 - (ii) any net loss of profits which they have reason to believe, based on their own analysis and on any information that may be provided to them by that claimant, was borne by the claimant due to the mistaken assumption made in the operation of the tax, and
 - (iii) any other factors that that claimant brings to their attention in this context.
- (b) The Revenue Commissioners may request from the claimant all reasonable information relating to the circumstances giving rise to the claim as may assist them in reaching a determination for the purposes of *paragraph (a)*.
- (4) Where, in accordance with *subsection (3)*, the Revenue Commissioners determine that a refund of an overpaid amount or part thereof would result in the unjust enrichment of a claimant, they shall refund only so much of the overpaid amount as would not result in the unjust enrichment of that claimant.
- (5) Where, in relation to any claim under *subsection (1)*, the Revenue Commissioners have withheld an amount of the overpaid amount claimed under *subsection (1)* as it would result in the unjust enrichment of the claimant, the Commissioners shall, notwithstanding *subsection (1)*, refund to the claimant that part of the withheld amount together with any interest payable in accordance with *section 105* which the claimant has undertaken to repay to the persons to whom the cost of the overpaid amount was passed on if they are satisfied that the claimant has adequate arrangements in place to identify and repay those persons.
- (6) Where a claimant receives a refund in accordance with *subsection (5)* and fails to repay the persons concerned at the latest by the 30th day next following the payment by the Revenue Commissioners of that refund, then any amount not so repaid shall, for the purposes of this Act, be treated as if it were tax due by the claimant for the taxable period within which that day falls.

Intra-Community
refunds of tax.

[VATA Sch. 6]

101.—(1) For the purposes of this section—

“applicant” means a taxable person who—

makes a refund application;

“deductible transactions” means transactions that give rise to a right of deduction in the Member State concerned;

“Member State of refund”, in relation to an applicant, means the Member State in which value-added tax (as referred to in the VAT Directive) was charged to the applicant in respect of—

(a) goods or services supplied to the applicant by other taxable persons in that Member State, or

(b) the importation of goods into that Member State;

“non-deductible transactions” means transactions that do not give rise to a right of deduction in the Member State concerned;

(2) The Revenue Commissioners shall, in accordance with this section and regulations (if any), make a refund to an applicant of tax charged to the applicant by accountable persons in the State or tax charged to that applicant on the importation of goods into the State, in cases where a full and correct refund application has been received by them from the Member State in which the applicant is established.

(3)(a) Subject to *paragraph (b)*, where the State is the Member State of refund, the amount of tax that is refundable in accordance with *subsection (2)* is the amount of tax charged to an applicant by an accountable person in respect of supplies of goods or services in the State, or on the importation of goods by the applicant into the State, if those goods or services are used by the applicant for the purpose of the applicant’s business, but only to the extent that the applicant would be able to deduct that amount under *Chapter 1 of Part 8* if the applicant were an accountable person in the State.

(b) Where an applicant undertakes in the applicant’s Member State of establishment both deductible transactions and non-deductible transactions, the amount to be refunded by the Member State of refund is the proportion of tax attributable to the deductible transactions as determined in accordance with the law of the applicant’s Member State of establishment.

(4) An applicant who wishes to claim a refund of tax may apply for the refund only through the electronic portal set up for the purpose by the applicant’s Member State of establishment.

(5)(a) Where an applicant who carries out transactions of the kind referred to in *subsection (3)(b)* makes a refund application and the proportion of tax referred to in that subsection is subsequently adjusted, the applicant shall make a correction to the original amount that was applied for or has already been refunded.

(b) The applicant shall make the correction in a refund application during the calendar year following the period for which the relevant refund application was made or, if the applicant makes no refund applications during that calendar year, by lodging a separate declaration via the electronic portal established by the Member State of establishment of the applicant.

(6)(a)(i) Where the State is the Member State of refund, the applicant shall ensure that the refund application covers tax charged in respect of supplies of goods or services invoiced to the applicant and importations by the applicant during a refund period, being a period of not more than one calendar year and, subject to *subparagraph (ii)*, not less than 3 calendar months.

(ii) A refund period may be less than 3 calendar months if the application in respect of the period relates to the last quarter of a calendar year.

- (b) A refund application may be lodged only on or before 30 September in the calendar year following the refund period.

F274[(ba) F275[...]]

- (c) A refund application may cover tax charged in respect of transactions omitted from the applicant's previous refund applications, but only if those transactions were completed during the relevant calendar year.

- (7)(a) An applicant is not entitled to make a refund application under this section for an amount less than €400 if the claim is for a period of less than one calendar year but at least 3 months.

- (b) An applicant is not entitled to make a refund application under this section for an amount less than €50 if the claim is for a period that represents a full calendar year or the last quarter of a calendar year.

(8) As soon as is practicable after deciding not to forward to another Member State a refund application made by an applicant established in the State on the grounds that the applicant is not entitled to a refund, the Revenue Commissioners shall notify the decision to the applicant by electronic means.

- (9)(a) This subsection applies to a refund application in respect of which the State is the Member State of refund.

- (b) As soon as is practicable after receiving from an applicant a refund application to which this subsection applies, the Revenue Commissioners shall notify the applicant by electronic means of the date on which they received the application.

- (c) Within 4 months after the date on which they received a refund application from an applicant, the Revenue Commissioners shall, except as otherwise provided by this subsection—

- (i) decide whether or not to approve the application (whether wholly or partly), and

- (ii) notify their decision to the applicant by electronic means.

- (d)(i) At any time within 4 months after the date on which they received a refund application from an applicant established in another Member State, the Revenue Commissioners may request additional information in support of the details provided in the application.

- (ii) A request referred to in *subparagraph (i)* may be made to the applicant, the competent authority of the Member State where the applicant is established or any other person whom the Revenue Commissioners reasonably believe to be capable of providing relevant information.

- (e) Where the Revenue Commissioners request additional information in accordance with *paragraph (d)*, they shall, except when *paragraph (g)* applies—

- (i) decide whether or not to approve the application (whether wholly or partly), and

- (ii) notify their decision to the applicant by electronic means,

within 2 months after the relevant date.

- (f) For the purpose of this subsection, the relevant date is—

- (i) where the Revenue Commissioners receive the requested information within one month after the date on which the request was notified to the

recipient, the date on which the Commissioners received the additional information,

- (ii) where the Revenue Commissioners do not receive the requested information within one month after the date on which the request was made to the recipient, the date on which that period ends,
 - (iii) where the Revenue Commissioners receive the requested information within one month referred to in *subparagraph (i)*, or that period expires without the Commissioners having received that information, the date that is 6 months after the date on which the refund application was made.
- (g) Where the Revenue Commissioners consider it necessary to do so, they may, at any time before they make a decision with respect to a refund application, request any of the persons referred to in *paragraph (d)* to provide further additional information concerning the application or the applicant.
- (h) Where the Revenue Commissioners request further additional information with respect to a refund application or the applicant as provided by *paragraph (g)*, they shall—
- (i) decide whether or not to approve the application (whether wholly or partly), and
 - (ii) notify their decision to the applicant by electronic means,
- within 8 months after the date on which they received the refund application.
- (i) Where the Revenue Commissioners have reasonable doubts about the validity or accuracy of a refund application, they may request the original or a copy of the relevant invoice or importation document to be produced for inspection.
- (j) Without limiting the grounds on which the Revenue Commissioners may refuse a refund application, they may refuse to approve such an application on the ground that a request made by them under this subsection has been refused or has not been complied with within a reasonable time.
- (k) Where the Revenue Commissioners notify an applicant of their decision to approve a refund application either wholly or partly, they shall refund the amount due not later than 10 working days after the notification of the decision to the applicant.
- (l) Where the Revenue Commissioners decide to refuse to approve a refund application either wholly or partly, they shall include in their decision the grounds for the refusal.
- (10) Where the State is the Member State of refund, and the applicant requests payment of the refund to be made in another Member State, the Revenue Commissioners shall deduct from the refund amount any bank charges in respect of the payment.
- (11)(a) An applicant who has obtained a refund from the Revenue Commissioners based on an incorrect refund application containing an erroneous claim or declaration (whether or not the error was made intentionally, recklessly or carelessly) shall—
- (i) repay to the Commissioners the amount incorrectly obtained as a refund, and
 - (ii) pay an amount of interest to the Commissioners.
- (b) Any such interest is to be calculated at the rate provided for in *section 114(2)* from the date on which the refund was made to the day on which the

applicant repays to the Revenue Commissioners the amount incorrectly obtained as a refund.

(c) The liability imposed on an applicant by this subsection is in addition to the liability imposed by F276[*section 116 or 116A, as appropriate*].

(12) While an applicant to whom *subsection (11)* applies continues to fail to pay the Revenue Commissioners an amount payable under that subsection, the Commissioners shall withhold any further refund to that applicant up to the amount that is due from the applicant under that subsection.

(13)(a) Subject to *paragraph (b)*, where the Revenue Commissioners refund an amount due to an applicant but not within the time limits prescribed by *subsection (9)*, they shall pay an amount of interest to the applicant calculated at the rate provided for in *section 105(4)* from the day following the last day of the period within which payment of the amount due is required to be made to the day on which the amount due is paid to the applicant.

(b) *Paragraph (a)* does not apply if the applicant—

(i) provides additional information in accordance with a request made by the Revenue Commissioners but not within one month after the date on which the request was notified to the applicant, or

(ii) fails to provide all of the additional information requested within that period.

(14) This section does not apply to F277[*an applicant who supplies*]—
