PREAMBLE

Whereas:

(1) The euro-area Member States and EFSF have entered into a framework agreement to set out the terms and conditions upon which EFSF may make Loans to euro-area Member States, finance such Loans by issuing or entering into Funding Instruments backed by Guarantees issued by the Guarantors, the terms and conditions on which the Guarantors shall issue Guarantees in respect of the Funding Instruments issued by or entered into by EFSF, the arrangements entered into between them in the event that a Guarantor is required to pay under a Guarantee more than its required

proportion of liabilities in respect of a Funding Instrument and certain other matters relating to EFSF (hereinafter referred to as the “**Framework Agreement**”).

(2) The euro-area Member States have by a unanimous decision on 11 March 2011 decided that EFSF may provide stability support to euro-area Member States by arranging for the purchase of bonds of such euro-area Member States on the primary market as financial assistance.

(3) In accordance with Article 13(8) of the Framework Agreement, the Republic of Estonia shall become a party to the Framework Agreement with effect from the Effective Date of the Amendments (as defined in Article 3(1) of this Amendment) by adhering to the Framework Agreement and entering into this Amendment.

(4) In a statement dated 21 July 2011 the Heads of State or Government of the euro area and EU institutions stated their intention to improve the effectiveness of EFSF and address contagion and that they had agreed to increase the flexibility of EFSF linked to appropriate conditionality. As a consequence, whilst originally financial assistance was provided solely by way of loan facility agreements, financial assistance may now be granted in the form of financial assistance facility agreements (“**Financial Assistance Facility Agreements**”, each a “**Financial Assistance Facility Agreement**”) to provide financial assistance by way of loan disbursements, precautionary facilities, facilities to finance the recapitalisation of financial institutions in a euro-area Member State (through loans to the governments of such Member States including in non-programme countries), facilities for the purchase of bonds in the secondary markets on the basis of an ECB analysis recognizing the existence of exceptional financial market circumstances and risks to financial stability or facilities for the purchase of bonds in the primary market (each such utilization of a Financial Assistance Facility Agreement being a “**Financial Assistance**”) with the Financial Assistance to be made under all Financial Assistance Facility Agreements being financed with the benefit of guarantees in an amount of up to EUR 779,783.14 million to be used within a limited period of time. This is intended to result in an effective capacity for EFSF to provide Financial Assistance of EUR 440,000 million.

(5) The euro-area Member States and EFSF have agreed that the Framework Agreement shall be amended on the terms set out in this Amendment and that such amendments shall take effect prospectively on the Effective Date of the Amendments (as defined in Article 3(1) of this Amendment).

Now, therefore, the Parties have agreed as follows:

1. AMENDMENTS TO THE FRAMEWORK AGREEMENT

With effect from the Effective Date of the Amendments (as defined below), the Framework Agreement shall be amended as follows:

(1) The Republic of Estonia shall be listed in the list of euro-area Member States set out on the cover page and in paragraph (A) of the list of parties to the Framework Agreement and the Hellenic Republic shall be moved in the list of parties and signature pages to be listed after Ireland.

(2) In paragraph (B) of the list of parties the registered address of EFSF will be replaced as “43, avenue John F. Kennedy, L-1855, Luxembourg”.

(3) Paragraph (1) of the preamble of the Framework Agreement shall be amended as follows:

(a) the words “euro-area” shall be added after the words “beyond such”;

(b) the words “with the aim of safeguarding the financial stability of the euro area as a whole and of its Member States” shall be added at the end of the first sentence;

(c) the words “on 8 May 2010 or on such other terms as may be agreed” are added after “the Hellenic Republic”.

(4) Paragraph (2) of the preamble of the Framework Agreement shall be deleted and replaced by the following paragraphs (2) and 2(a) :

“EFSF has been incorporated on 7 June 2010 for the purpose of making stability support to euro-area Member States. In a statement dated 21 July 2011 the Heads of State or Government of the euro area and EU institutions stated their intention to improve the effectiveness of EFSF and address contagion and they had agreed to increase the flexibility of EFSF linked to appropriate conditionality. As a consequence, whilst originally financial assistance was provided solely by way of loan facility agreements, financial assistance may now be granted in the form of financial assistance facility agreements (“**Financial Assistance Facility Agreements**”, each a “**Financial Assistance Facility Agreement**”) to provide financial assistance by way of loan disbursements, precautionary facilities, facilities to finance the recapitalisation of financial institutions in a euro-area Member State (through loans to the governments of such Member States including in non-programme countries) , facilities for the purchase of bonds in the secondary markets on the basis of an ECB analysis recognizing the existence of exceptional financial market circumstances and risks to financial stability or facilities for the purchase of bonds in the primary market (each such utilization of a Financial Assistance Facility Agreement being a “**Financial Assistance**”) with the Financial Assistance to be made under all Financial Assistance Facility Agreements being financed with the benefit of guarantees in an amount of up to EUR 779,783.14 million to be used within a limited period of time. This is intended to result in an effective capacity for EFSF to provide Financial Assistance of EUR 440,000 million. The availability of such Financial Assistance Facility Agreements will be conditional upon the relevant euro-area Member States which request such Financial Assistance Facility Agreements entering into memoranda of understanding (each an “**MoU**”) with the European Commission, acting on behalf of the euro-area Member States, including conditions such as budgetary discipline and economic policy guidelines and their compliance with the terms of such MoU. With respect to each Financial Assistance Facility Agreement, the relevant beneficiary euro-area Member State shall be referred to as the “**Beneficiary Member State**”. If Financial Assistance is in the form of facilities for the purchase of bonds in the primary or secondary market, the nature and terms, including as to pricing, policy conditionality, conditions to utilization and documentation of such arrangements shall be in accordance with guidelines adopted by the board of directors of EFSF acting unanimously pursuant to Article 2(1)(b). Similarly, if Financial Assistance is in the form of precautionary facilities and facilities to finance the recapitalisation of financial institutions of a euro-area Member State, the board of directors of EFSF acting unanimously shall adopt guidelines under Article 2(1)(c) in relation to such arrangements. The terms of an MoU shall impose appropriate policy conditionality for the full duration of a Financial Assistance Facility Agreement and not just limited to the period in which Financial Assistance is made available. The conditions attached to the provision of Financial Assistance by EFSF as well as the rules which apply to monitoring compliance must be fully consistent with the Treaty on the Functioning of the European Union and the acts of EU law.

(2)(a) On 20 June 2011, euro area Finance Ministers agreed that the pricing structure for EFSF loan facility agreements should be as follows:

“(a) EFSF Cost of Funding; plus

(b) the Margin.

The margin shall be equal to 200 basis points with such Margin being increased to 300 basis points in respect of any Loan which remains outstanding after the third anniversary of the date of disbursement.

In respect of fixed rated Loans with a scheduled maturity which exceeds three (3) years, the Margin shall be equal to the weighted average of 200 basis points for

the first three (3) years and 300 basis points for the period from (and including) the third anniversary of its drawdown and ending on (but excluding) the scheduled maturity date of such Loan.”

Subsequently, on 21 July 2011, Heads of State or Government of the euro area stated:

“We have decided to lengthen the maturity of future EFSF loans to Greece to the maximum extent possible from the current 7.5 years to a minimum of 15 years and up to 30 years with a grace period of 10 years. In this context, we will ensure adequate post programme monitoring. We will provide EFSF loans at lending rates equivalent to those of the Balance of Payments facility (currently approx. 3.5%) , close to, without going below, the EFSF funding cost. We also decided to extend substantially the maturities of the existing Greek facility. This will be accompanied by a mechanism which ensures appropriate incentives to implement the programme.”

They also stated:

“The EFSF lending rates and maturities we agreed upon for Greece will be applied also for Portugal and Ireland.” ”

(5) Paragraph (3) of the preamble of the Framework Agreement shall be amended by adding the words “European Union” after the words “the 27”.

Re:Amendment dated [*] 2011 to the Loan Facility Agreement between certain Euro Area Member States and KfW (as Lenders) and the Hellenic Republic (as Borrower) and the Bank of Greece (as the Borrower's Agent) signed on 8 May 2010 (the "Loan Facility Agreement") Legal Opinion

Dear Sirs,

In our capacity as the Legal Advisor to the State at the Ministry of Justice, Transparency and Human Rights and the Legal Advisor to the State at the Ministry of Finance, we refer to the above referenced Amendment and its Annexes which constitute an integral part thereof (hereinafter together referred to as the "**Amendment**") entered into between, amongs others, certain Euro Area Member States and KfW (hereinafter referred to as the "**Lenders**") and the Hellenic Republic (hereinafter referred to as the "**Borrower**") on [*] 2011.

We warrant that we are competent to issue this legal opinion in connection with the Amendment on behalf of the Borrower.

We have examined originals of the Amendment. We have also examined the relevant provisions of national and international law applicable to the Borrower and the Borrower's Agent, the powers of signatories and such other documents as we have deemed necessary or appropriate. Furthermore, we have made such other investigations and reviewed such matters of law as we have considered relevant to the opinion expressed herein.

We have assumed (i) the genuineness of all signatures (except the Borrower and the Borrower's Agent) and the conformity of all copies to originals, (ii) the capacity and power to enter into the Amendment of, and their valid authorisation and signing by, each party other than the Borrower and the Borrower's Agent and (iii) the validity, binding effect and enforceability of the Amendment on each party under the laws of England.

Terms used and not defined in this opinion shall have the meaning set out in the Loan Facility Agreement and the Amendment.

This opinion is limited to Hellenic law as it stands at the date of this opinion.

Subject to the foregoing, we are of the opinion that:

1.With respect to the laws, regulations and legally binding decisions currently in force in the Hellenic Republic, the Borrower is by the execution of the Amendment by [*insert name*], Minister of Finance, validly and irrevocably committed to fulfil all of its obligations under it.

2.The Borrower's execution, delivery and performance of the Amendment:

(i) have been duly authorised by all necessary consents, actions, approvals and authorisations; and

(ii) have not and will not violate any applicable regulation or ruling of any competent authority or any agreement or Treaty binding on it.

3.Nothing in this Amendment contravenes or limits the rights of the Borrower to make punctual and effective payment of any sum due for the principal, interest or other charges under the Amendment.

4.The Amendment is in proper legal form under Hellenic laws for enforcement against the Borrower and the Borrower's Agent. The enforcement of the Amendment would not be contrary to mandatory provisions of Hellenic law, to the ordre public of the Hellenic Republic, to international treaties or to generally accepted principles of international law binding on the Borrower.

5.It is not necessary in order to ensure the legality, validity or enforceability of the Amendment that it be filed, recorded, or enrolled with any court or authority in the Hellenic Republic.

6.No taxes, duties, fees or other charges imposed by the Hellenic Republic or any taxing authority thereof or therein are payable in connection with the execution and delivery of the Amendment and with any payment or transfer of principal, interest, commissions and other sums due under the Amendment.

7.No exchange control authorisations are required and no fees or other commission are to be paid on the transfer of any sum due under the Amendment.

8.The signature of the Amendment by *[insert name]*, Governor of the Bank of Greece legally and validly binds the Borrower's Agent.

9.The choice of English law as governing law for the Amendment is a valid choice of law binding the Borrower in accordance with Hellenic law.

10.The Borrower has legally, effectively and irrevocably submitted to the exclusive jurisdiction of the Court of Justice of the European Union in connection with the Amendment and any judgement of this court would be conclusive and enforceable in the Hellenic Republic.

11.Neither the Borrower nor any of its property are immune on the grounds of sovereignty or otherwise from jurisdiction, attachment — whether before or after judgement — or execution in respect of any action or proceeding relating to the Amendment.

12.The execution of the Amendment has been made upon the provisions of Law 3845/2010 (Government Gazette A'65) as amended by Law 3847/2010 (Government Gazette A'67)).

13.Under the Hellenic law no ratification from Parliament is required for the Amendment in order to be effective and binding (Law 3847/2010 (Government Gazette A'67)).

14.In conclusion, the Amendment has been duly executed on behalf of the Borrower and all the Borrower's obligations in relation to the Amendment and the Loan Facility Agreement, as amended by the Amendment, are valid, binding and enforceable in accordance with their terms and nothing further is required to give effect to the same.

PREAMBLE

Whereas:

(1) A EUR 80 000 000 000 Loan Facility Agreement dated 8 May 2010 (hereinafter referred to as the “**Agreement**”) has been made between the Lenders and the Hellenic Republic and the Bank of Greece.

(2) An Amendment to the Agreement has been signed on 14 June 2011 in accordance with the conclusions of the Heads of State and Government of the Euro Area of 11 March 2011 that, in view of the commitments undertaken by Greece in the context of the adjustment programme, the interest rate on its loan would be adjusted by 100 basis points and the maturity of all loans will be increased to 7.5 years.

(3) On 21 July 2011, the Heads of State and Government of the Euro Area decided to “extend substantially the maturities of the existing Greek facility”.

(4) On 21 February 2012, the Eurogroup stated that the Lenders had agreed to “an additional retroactive lowering of the interest rates of the Greek Loan Facility so that the margin amounts to 150 basis points”.

(5) The Lenders in all their functions, rights and obligations under this Agreement act through and are represented by the Commission. The Lenders have agreed to act in a coordinated manner and to channel communications to the Commission through the Eurogroup Working Group Chairman.

(6) The Federal Republic of Germany (“**Germany**”) has designated KfW as Lender on behalf of Germany for the purposes of the Agreement. Accordingly, references to KfW as Lender refer to KfW acting in the public interest, subject to the instructions of and with the benefit of the guarantee of Germany also for the purposes of this Amendment.

Now, therefore, the parties hereto have agreed as follows:

1. AMENDMENTS TO THE LOAN FACILITY AGREEMENT

The Agreement is hereby amended as follows:

(1) In Article 3, paragraph 3, point (c) shall be replaced by the following:

“the requested grace period for such Loan, if any, during which no repayments of principal have to be made by the Borrower and which may not exceed a period of ten years from the Disbursement Date (the “**Grace Period**”)”.

(2) In Article 3, paragraph 3, point (d) shall be replaced by the following:

“the term of the requested Loan which may not exceed fifteen years from the Disbursement Date of the Loan and the last day of which must be an Interest Payment Date (as defined below) (the “**Term**”); and”.

(3) In Article 5, paragraph 1, point (b) shall be replaced by the following:

“a margin equal to 150 basis points, in respect of all Interest Periods”.

(4) All other Articles remain unchanged.

2. GOVERNING LAW AND JURISDICTION

(1) This Amendment and any non-contractual obligations arising out of or in connection with it shall be governed by and shall be construed in accordance with English law.

(2) The parties undertake to submit any dispute which may arise relating to the legality, validity, interpretation or performance of this Amendment to the exclusive jurisdiction of the Court of Justice of the European Union.

(3) Judgements of the Court of Justice of the European Union shall be fully binding on and enforceable by the parties.

(4) The Lenders may enforce any judgement obtained from the Court of Justice of the European Union, or other rights against the Borrower in the courts of the country of the Borrower.

(5) The Borrower hereby irrevocably and unconditionally waives all immunity to which it is or may become entitled, in respect of itself or its assets, from legal proceedings in relation to this Amendment, including, without limitation, immunity from suit, judgement or other order, from attachment, arrest or injunction prior to judgement, and from execution and enforcement against its assets to the extent not prohibited by mandatory law.

3. ENTRY INTO FORCE AND TRANSITIONAL PROVISIONS

(1) Following its signature by all parties, this Amendment shall enter into force on the date on which:

(a) the Lenders have received the official notification in the form of the Legal Opinion by the Legal Advisor to the State at the Ministry of Justice, Transparency and Human Rights and the Legal Advisor to the State at the Ministry of Finance in the form of Annex 1 that this Amendment has been duly executed on behalf of the Borrower and all of the Borrower's obligations in relation to this Amendment are valid, binding and enforceable in accordance with their terms and nothing further is required to give effect to the same; and

(b) the Commission has received a written confirmation from the Eurogroup Working Group Chairman that all Lenders under their national laws are duly authorised to be bound under this Amendment,

on which date this Amendment shall enter into effect and be binding on and between the Borrower, the Borrower's Agent and all Lenders. The Commission shall notify the Borrower, the Borrower's Agent and the Lenders about the date of entry into force.

It is acknowledged and agreed that the authorization of a Lender to be bound under this Amendment may be of provisional application in accordance with the national laws and legislation of the relevant Member State.

(2) The following transitional provisions shall apply in relation to the Loans that have been disbursed before the entry into force of this Amendment:

(c) the Scheduled Principal Repayments specified in the Acceptance Notices issued hitherto and in the Amendment to the Agreement dated 14 June 2011 shall be modified and replaced by the Scheduled Principal Repayments as set out in the Annex 2 of this Amendment;

(d) if one or more Acceptance Notices are issued between the signature of this Amendment by all parties and the entry into force thereof, the Commission shall, upon the entry into force of this Amendment, issue an amended Acceptance Notice which, from its date of issuance by the Commission, shall modify the Scheduled Principal Repayments set out in such Acceptance Notice(s) so that the Grace Period and the Term specified in such Acceptance Notice(s) are as long as allowed under Articles 1(1) and 1(2) of this Amendment; and

(e) the margin foreseen in Article 1(3) of this Amendment shall apply starting from (and including) the Interest Period which ended on 15 June 2011. In relation to all Interest Payment Dates that have occurred or shall occur between 15 June 2011 and the entry into force of this Amendment, the difference between

(i) the interest that the Borrower paid on any such Interest Payment Dates

and (ii) the interest calculated by applying the margin as specified in Article 1(3) of this Amendment, shall be compensated to the Borrower through an equivalent reduction of the interest due on the next Interest Payment Date, provided that this Amendment enters into force at least thirty (30) calendar days prior to it. If this Amendment enters into force less than thirty (30) calendar days prior to an Interest Payment Date, the reduction shall occur on the following Interest Payment Date. If the amount of the reduction exceeds the interest due on a single Interest Payment Date, the remaining part shall be compensated on the subsequent Interest Payment Date. The Commission shall advise the Lenders, the Borrower and the Borrower's Agent about the reduction.

(3) Any additional operational costs incurred by the European Commission resulting from the implementation of this Amendment shall be covered by the Borrower.

4. EXECUTION OF THE AGREEMENT

This Amendment may be executed in any number of counterparts signed by one or more of the parties. The counterparts each form an integral part of the original Amendment and the signature of the counterparts shall have the same effect as if the signatures on the counterparts were on a single copy of the Amendment.

The Commission shall promptly after the signature of this Amendment supply conformed copies of the Amendment to each of the parties.

**Re: Amendment dated [●] 2012 to the Loan Facility Agreement between certain
Euro Area Member States and KfW (as Lenders) and the Hellenic Republic (as
Borrower) and the Bank of Greece (as the Borrower's Agent) signed on 8 May 2010
(the "Loan Facility Agreement")**

Legal Opinion

Dear Sirs,

In our capacity as the Legal Advisor to the State at the Ministry of Justice, Transparency and Human Rights and the Legal Advisor to the State at the Ministry of Finance, we refer to the above referenced Amendment and its Annexes which constitute an integral part thereof (hereinafter together referred to as the "**Amendment**") entered into between, amongs others, certain Euro Area Member States and KfW (hereinafter referred to as the "**Lenders**") and the Hellenic Republic (hereinafter referred to as the "**Borrower**") on [●] 2012.

We warrant that we are competent to issue this legal opinion in connection with the Amendment on behalf of the Borrower.

We have examined originals of the Amendment. We have also examined the relevant provisions of national and international law applicable to the Borrower and the Borrower's Agent, the powers of signatories and such other documents as we have deemed necessary or appropriate. Furthermore, we have made such other investigations and reviewed such matters of law as we have considered relevant to the opinion expressed herein.

We have assumed (i) the genuineness of all signatures (except the Borrower and the Borrower's Agent) and the conformity of all copies to originals, (ii) the capacity and power to enter into the Amendment of, and their valid authorisation and signing by, each party other than the Borrower and the Borrower's Agent and (iii) the validity, binding effect and enforceability of the Amendment on each party under the laws of England.

Terms used and not defined in this opinion shall have the meaning set out in the Loan Facility Agreement and the Amendment.

This opinion is limited to Hellenic law as it stands at the date of this opinion.

Subject to the foregoing, we are of the opinion that:

1. With respect to the laws, regulations and legally binding decisions currently in force in the Hellenic Republic, the Borrower is by the execution of the Amendment by *[insert name]*, Minister of Finance, validly and irrevocably committed to fulfil all of its obligations under it.

2. The Borrower's execution, delivery and performance of the Amendment: (i) have been duly authorised by all necessary consents, actions, approvals and authorisations; and (ii) have not and will not violate any applicable regulation or ruling of any competent authority or any agreement or Treaty binding on it.

3. Nothing in this Amendment contravenes or limits the rights of the Borrower to make punctual and effective payment of any sum due for the principal, interest or other charges under the Amendment.

4. The Amendment is in proper legal form under Hellenic laws for enforcement against the Borrower and the Borrower's Agent. The enforcement of the Amendment would not be contrary to mandatory provisions of Hellenic law, to the ordre public of the Hellenic Republic, to international treaties or to generally accepted principles of international law binding on the Borrower.

5. It is not necessary in order to ensure the legality, validity or enforceability of the Amendment that it be filed, recorded, or enrolled with any court or authority in the Hellenic Republic.

6. No taxes, duties, fees or other charges imposed by the Hellenic Republic or any taxing authority thereof or therein are payable in connection with the execution and delivery of the Amendment and with any payment or transfer of principal, interest, commissions and other sums due under the Amendment.

7. No exchange control authorisations are required and no fees or other commission are to be paid on the transfer of any sum due under the Amendment.

8. The signature of the Amendment by *[insert name]*, Governor of the Bank of Greece legally and validly binds the Borrower's Agent.

9. The choice of English law as governing law for the Amendment is a valid choice of law binding the Borrower in accordance with Hellenic law.

10. The Borrower has legally, effectively and irrevocably submitted to the exclusive jurisdiction of the Court of Justice of the European Union in connection with the Amendment and any judgement of this court would be conclusive and enforceable in the Hellenic Republic.

11. Neither the Borrower nor any of its property are immune on the grounds of sovereignty or otherwise from jurisdiction, attachment — whether before or after judgement — or execution in respect of any action or proceeding relating to the Amendment.

12. The execution of the Amendment has been made upon the provisions of *[insert reference]*.

13. Under the Hellenic law no ratification from Parliament is required for this Amendment in order to be effective and binding *[insert reference]*.

14. In conclusion, the Amendment has been duly executed on behalf of the Borrower and all the Borrower's obligations in relation to the Amendment and the Loan Facility Agreement, as amended by the Amendment, are valid, binding and enforceable in accordance with their terms and nothing further is required to give effect to the same.

PREAMBLE

Whereas:

(1) A EUR 80 000 000 000 Loan Facility Agreement dated 8 May 2010 (hereinafter referred to as the “**Agreement**”) has been made between the Lenders and the Hellenic Republic and the Bank of Greece. Loans amounting to EUR 52 900 000 000 have been disbursed and the undrawn amounts were cancelled in April 2012.

(2) A first Amendment to the Agreement was signed on 14 June 2011 in accordance with the conclusions of the Heads of State and Government of the Euro Area of 11 March 2011 that, in view of the commitments undertaken by Greece in the context of the adjustment programme, the interest rate on its loan would be adjusted by 100 basis points and the maturity of all loans will be increased to 7.5 years.

(3) A second Amendment to the Agreement was signed on 27 February 2012 in order to further extend the maturity of all Loans to 15 years and to reduce the interest rate margin to 150 basis points.

(4) On 27 November 2012, the Eurogroup stated that the Lenders had agreed to a lowering by 100 basis points of the interest rate charged to Greece on the loans provided in the context of the Greek Loan Facility. Member States under a full financial assistance programme will not be required to participate in the lowering of the interest rates for the period in which they receive themselves financial assistance. An extension of maturity of the loans by 15 years was also decided.

(5) The Lenders in all their functions, rights and obligations under this Agreement act through and are represented by the Commission. The Lenders have agreed to act in a coordinated manner and to channel communications to the Commission through the Eurogroup Working Group Chairman.

(6) The Federal Republic of Germany (“**Germany**”) has designated KfW as Lender on behalf of Germany for the purposes of the Agreement. Accordingly, references to KfW as Lender refer to KfW acting in the public interest, subject to the instructions of and with the benefit of the guarantee of Germany also for the purposes of this Amendment.

Now, therefore, the parties hereto have agreed as follows:**1. AMENDMENTS TO THE LOAN FACILITY AGREEMENT**

(1) In Article 3, paragraph 3, point (d) shall be replaced by the following:

“the term of the requested Loan which may not exceed thirty years from the Disbursement Date of the Loan and the last day of which must be an Interest Payment Date (as defined below) (the “Term”); and”.

(2) In Article 5, paragraph 1, point (b) shall be replaced by the following:

“a margin equal to 50 basis points”.

(3) All other Articles remain unchanged.

2. GOVERNING LAW AND JURISDICTION

(1) This Amendment and any non-contractual obligations arising out of or in connection with it shall be governed by and shall be construed in accordance with English law.

(2) The parties undertake to submit any dispute which may arise relating to the legality, validity, interpretation or performance of this Amendment to the exclusive jurisdiction of the Court of Justice of the European Union.

(3) Judgements of the Court of Justice of the European Union shall be fully binding on and enforceable by the parties.

(4) The Lenders may enforce any judgement obtained from the Court of Justice of the European Union, or other rights against the Borrower in the courts of the country of the Borrower.

(5) The Borrower hereby irrevocably and unconditionally waives all immunity to which it is or may become entitled, in respect of itself or its assets, from legal proceedings in relation to this Amendment, including, without limitation, immunity from suit, judgement or other order, from attachment, arrest or injunction prior to judgement, and from execution and enforcement against its assets to the extent not prohibited by mandatory law.

3. ENTRY INTO FORCE AND ADDITIONAL PROVISIONS

(1) Following its signature by all parties, this Amendment shall enter into force on the date on which:

(a) the Lenders have received the official notification in the form of the Legal Opinion by the Legal Advisor to the State at the Ministry of Justice, Transparency and Human Rights and the Legal Advisor to the State at the Ministry of Finance in the form of Annex 1 that this Amendment has been duly executed on behalf of the Borrower and all of the Borrower's obligations in relation to this Amendment are valid, binding and enforceable in accordance with their terms and nothing further is required to give effect to the same; and

(b) the Commission has received a written confirmation from the Eurogroup Working Group Chairman that all Lenders under their national laws are duly authorised to be bound under this Amendment,

on which date this Amendment shall enter into effect and be binding on and between the Borrower, the Borrower's Agent and all Lenders. The Commission shall notify the Borrower, the Borrower's Agent and the Lenders about the date of entry into force.

It is acknowledged and agreed that the authorisation of a Lender to be bound under this Amendment may be of provisional application in accordance with the national laws and legislation of the relevant Member State.

(2) The following transitional provisions shall apply:

(a) notwithstanding Article 1(2) of this Amendment, the margin equal to 150 basis points shall continue to apply in relation to amounts due to the Lenders that are under a full financial assistance programme by the EFSF or EFSM until (and including) the Interest Period during which the availability of financial assistance, as may be amended from time to time, expires. Should a Lender enter a full financial assistance programme by the ESM, EFSF or EFSM following the signature of this Agreement, the margin equal to 150 basis points shall apply in relation to amounts due to such a Lender from (but excluding) the Interest Period during which the Memorandum of Understanding concerning the assistance programme was signed; and

(b) the margin foreseen in Article 1(2) of this Amendment shall apply starting from (and including) the Interest Period which starts on 15 December 2012. In relation to all Interest Payment Dates that shall occur between 15 March 2013 and the entry into force of this Amendment, the difference between (i) the interest that the Borrower paid on any such Interest Payment Dates and (ii) the interest calculated by applying the margin as specified in Article 1(2) of this Amendment, shall be compensated to the Borrower through an equivalent reduction of the interest due on the next Interest Payment Date, provided that this Amendment enters into force at least thirty (30) calendar days prior to it. If this Amendment enters into force less than thirty (30) calendar days prior to an Interest Payment Date, the reduction shall occur on the following Interest Payment Date. If the amount of the reduction exceeds the interest due on a single Interest Payment Date, the remaining part shall be compensated on the subsequent Interest Payment Date. The Commission shall advise the Lenders, the Borrower and the Borrower's Agent about the reduction.

(3) The Scheduled Principal Repayments specified in the Acceptance Notices issued hitherto and in the Amendments to the Agreement dated 14 June 2011 and 27 February 2012 shall be modified and replaced by the Scheduled Principal Repayments as set out in the Annex 2 of this Amendment.

(4) Any additional operational costs incurred by the European Commission resulting from the implementation of this Amendment shall be covered by the Borrower.

4. EXECUTION OF THE AGREEMENT

This Amendment may be executed in any number of counterparts signed by one or more of the parties. The counterparts each form an integral part of the original Amendment and the signature of the counterparts shall have the same effect as if the signatures on the counterparts were on a single copy of the Amendment.

The Commission shall promptly after the signature of this Amendment supply conformed copies of the Amendment to each of the parties.

5. INTERPRETATION AND ANNEXES

(1) Unless otherwise defined in this Amendment or the context requires otherwise, capitalised terms used in the Amendment shall have the meaning given to them in the Agreement.

**Re: Amendment dated [●] 2012 to the Loan Facility Agreement between certain Euro
Area Member States and KfW (as Lenders) and the Hellenic Republic (as Borrower)
and the Bank of Greece (as the Borrower's Agent) signed on 8 May 2010, as amended
on 14 June 2011 and on 27 February 2012 (the "Loan Facility Agreement")**

Legal Opinion

Dear Sirs,

In our capacity as the Legal Advisor to the State at the Ministry of Justice,
Transparency and Human Rights and the Legal Advisor to the State at the Ministry of
Finance, we refer to the above referenced Amendment and its Annexes which
constitute an integral part thereof (hereinafter together referred to as the
"**Amendment**") entered into between, amongs others, certain Euro Area Member
States and KfW (hereinafter referred to as the "**Lenders**") and the Hellenic Republic
(hereinafter referred to as the "**Borrower**") on [●] 2012.

We warrant that we are competent to issue this legal opinion in connection with
the Amendment on behalf of the Borrower.

We have examined originals of the Amendment. We have also examined the relevant provisions of national and international law applicable to the Borrower and the Borrower's Agent, the powers of signatories and such other documents as we have deemed necessary or appropriate. Furthermore, we have made such other investigations and reviewed such matters of law as we have considered relevant to the opinion expressed herein.

We have assumed (i) the genuineness of all signatures (except the Borrower and the Borrower's Agent) and the conformity of all copies to originals, (ii) the capacity and power to enter into the Amendment of, and their valid authorisation and signing by, each party other than the Borrower and the Borrower's Agent and (iii) the validity, binding effect and enforceability of the Amendment on each party under the laws of England.

Terms used and not defined in this opinion shall have the meaning set out in the Loan Facility Agreement and the Amendment.

This opinion is limited to Hellenic law as it stands at the date of this opinion.

Subject to the foregoing, we are of the opinion that:

1. With respect to the laws, regulations and legally binding decisions currently in force in the Hellenic Republic, the Borrower is by the execution of the Amendment by [*insert name*], Minister of Finance, validly and irrevocably committed to fulfil all of its obligations under it.

2. The Borrower's execution, delivery and performance of the Amendment: (i) have been duly authorised by all necessary consents, actions, approvals and authorisations; and (ii) have not and will not violate any applicable regulation or ruling of any competent authority or any agreement or Treaty binding on it.

3. Nothing in this Amendment contravenes or limits the rights of the Borrower to make punctual and effective payment of any sum due for the principal, interest or other charges under the Amendment.

4. The Amendment is in proper legal form under Hellenic laws for enforcement against the Borrower and the Borrower's Agent. The enforcement of the Amendment would not be contrary to mandatory provisions of Hellenic law, to the ordre public of the Hellenic Republic, to international treaties or to generally accepted principles of international law binding on the Borrower.

5. It is not necessary in order to ensure the legality, validity or enforceability of the Amendment that it be filed, recorded, or enrolled with any court or authority in the Hellenic Republic.

6. No taxes, duties, fees or other charges imposed by the Hellenic Republic or any taxing authority thereof or therein are payable in connection with the execution and delivery of the Amendment and with any payment or transfer of principal, interest, commissions and other sums due under the Amendment.

7. No exchange control authorisations are required and no fees or other commission are to be paid on the transfer of any sum due under the Amendment.

8. The signature of the Amendment by [*insert name*], Governor of the Bank of Greece legally and validly binds the Borrower's Agent.

9. The choice of English law as governing law for the Amendment is a valid choice of law binding the Borrower in accordance with Hellenic law.

10. The Borrower has legally, effectively and irrevocably submitted to the exclusive jurisdiction of the Court of Justice of the European Union in connection with the

Amendment and any judgement of this court would be conclusive and enforceable in the Hellenic Republic.

11. Neither the Borrower nor any of its property are immune on the grounds of sovereignty or otherwise from jurisdiction, attachment — whether before or after judgement — or execution in respect of any action or proceeding relating to the Amendment.

12. The execution of the Amendment has been made upon the provisions of *[insert reference]*.

13. Under the Hellenic law no ratification from Parliament is required for this Amendment in order to be effective and binding *[insert reference]*.

14. In conclusion, the Amendment has been duly executed on behalf of the Borrower and all the Borrower's obligations in relation to the Amendment and the Loan Facility Agreement, as amended by the Amendment, are valid, binding and enforceable in accordance with their terms and nothing further is required to give effect to the same.
